

SOCIAL JUSTICE RESOURCES

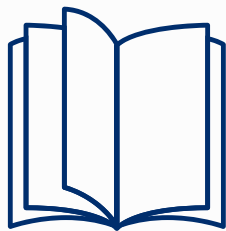

Compiled by the Los Angeles Dodgers Foundation

BIGGER THAN BASEBALL

Through a social justice lens, the Los Angeles Dodgers Foundation (LADF) runs and funds proven programs that help level the playing field and invest in on the ground solutions driven by the communities we serve. We know that inequality can only be dismantled through proactive and strategic interventions, and we are starting with the root causes. We offer our unwavering support to the black community and will continue in our quest for a more equitable and just society.
