PETER SEIDLER LEGACY PROJECTS

Padres Owner and Chairman Peter Seidler took a lead role in the Padres' community outreach and support efforts during his leadership of the franchise. Peter had a strong passion and vision for bettering the San Diego community, both personally and through the club's charitable arm, the Padres Foundation. Following his passing in November 2023, his caring spirit for the less fortunate inspired the organization to create the Peter Seidler Legacy Projects to honor the beloved philanthropist and humanitarian.

All donations from generous fans and community members were matched up to \$1 million by Padres players, ownership, the Padres Foundation and Seidler Family. Padres' leadership, spearheaded by Peter, was committed to being best-in-class both on the field and in the community, prioritizing partnering with organizations doing great things. The Peter Seidler Legacy Projects do just that by identifying high-impact charitable initiatives that the Padres can help fund and support.

2024 Projects

Urban Street Angels

The Peter Seidler Legacy Projects partnered with Urban Street Angels to launch a Trade School Program supporting transition-age youth experiencing homelessness. In its first year, the initiative sponsored 16 individuals, covering tuition, supplies, and support services, with graduates recognized during a special ceremony at Petco Park in August. This program exemplifies the commitment to providing sustainable opportunities for young people transitioning out of homelessness.

San Diego Rescue Mission

Through funding from Manny Machado and the Padres Foundation, the San Diego Rescue Mission opened a 162-bed South County Lighthouse emergency shelter providing comprehensive support for individuals and families experiencing homelessness. The facility offers trauma-informed care and personalized services, with a commemorative mural of Machado in the Padres Community Center.

Armed Services YMCA

In partnership with the Armed Services YMCA of San Diego, the Padres Foundation and pitcher Joe Musgrove are supporting an \$8.8 million expansion of the Center for Military Families. The project includes a Padres-themed playground and wiffle-ball field, along with other renovations to provide critical support services for military families, including after-school programs, food distributions, and emergency assistance.

LIVE

Improving Children's Health & Wellness

Make-A-Wish San Diego

The Padres are proud to partner with Make-A-Wish San Diego and are instrumental in helping grant milestone wishes at Petco Park. The Padres assist in providing wishes to children with life-threatening medical conditions by enriching their human experience and providing the families with strength and joy. In addition to helping grant wishes, the Padres host "Make-A-Wish Mondays" where Wish kids enjoy a day at Petco Park meeting their favorite Padres.

Youth Assistance Coalition

Youth Assistance Coalition (YAC) positively impacts the lives of youth experiencing homelessness through empowerment, mentorship and community collaboration at their safe and welcoming drop-in facility. Each month, the Padres Foundation sponsors dinners that front office staff help serve at YAC.

Rady Children's Hospital

Rady Children's Hospital and the Padres have a long-standing partnership. The Padres are proud to support the physicians, staff, and patients of the only pediatric-specific hospital in San Diego, by offering unique, uplifting experiences to patients receiving treatment. In 2024, the Padres hosted a group of teens undergoing cancer treatment for a weekend of fun and baseball at the Peoria Spring Training complex. Additionally, Padres players, coaches, and alumni annually honor young cancer patients during their Celebration of Champions event.

Padres Blood Drives

The Padres collaborate with the San Diego Blood Bank to host critical annual Summer and Winter Blood Drives, providing vital support for patients battling life-threatening medical conditions. Throughout the year, the team achieved a remarkable milestone, with an impressive 940 Padres fans rallying to donate blood across both drives, including 253 first-time donors who stepped forward to make a life-saving difference.

Padres Pedal the Cause

Padres Pedal the Cause brought together thousands of cyclists and runners over the last several years to raise money for local collaborative cancer research. Padres Pedal has been one of San Diego's most impactful fundraising experiences with over \$24.5 million raised to date to fund more than 123 innovative research projects targeting all types of cancer.

LEARN

Lifting Up Underserved Youth & Inspiring Education and Mentorship

“Be A Pro & Always Go” Attendance Incentive Program

Understanding the value of being in school every day, the Padres approached the San Diego Unified School District to help them battle chronic absenteeism, particularly in underserved areas of the city. With the support of all-star third baseman Manny Machado, the “Be A Pro & Always Go” program was created. The first-year program provided tickets to games for the top two schools that showed the most improvement in attendance. The program featured an inspiring video message from Manny as well as a surprise appearance at the schools.

Supporting Monarch School's Unhoused Students

The Padres Foundation has been a leading supporter of the Monarch School and its thousands of unhoused students over the years, providing special support and opportunities as they persevere through the trauma of homelessness.

During the Padres Foundation's annual Back-to-School Shopping Event, Padres' staff, players and alumni give Monarch School students one-on-one personal shopping support to help them pick out new clothes, shoes and other essentials for the school year. With the support of Walmart and Chick-fil-A, the students also receive school supplies and a great lunch.

The Foundation also provided funding for a new large van to help transport the school's athletic teams to their events.

Clockwise from top-left: Manny arrives at Paradise Hills Elementary School to congratulate students on their improved attendance through “Be A Pro and Always Go.”; Monarch School sports van, provided by the Padres; Jackson Merrill shopping alongside a Monarch student.

Coach of the Year Program

The Padres Coach of the Year program was created to recognize and honor the positive role baseball and softball coaches play in the lives of San Diego County's student-athletes. Coaches are honored for making a positive impact on the lives of his or her players on and off the field as a coach, mentor and role model. To date, 41 baseball or softball coaches have been recognized in five years of the program, including 24 high school baseball coaches, 15 high school softball coaches, and two youth coaches. A Coach of the Year is selected annually from among the Coach of the Week honorees. In 2024, the Co-Coach of the Year honorees received a \$10,000 donation to their program while each Coach of the Week received a \$2,500 donation to their program.

Top to bottom: Eight Coach of the Week honorees (joined by Erik Greupner and Mike Schildt) were honored for being positive leaders, educators, and mentors for youngsters playing high school or youth baseball or softball; La Costa Canyon baseball coach Justin Machado (left with Stephen Kolek) and Rancho Bernardo High softball coach Summer Boyle (right with Jeremiah Estrada) were named the 2024 Padres Coaches of the Year.

PLAY

Growing the Game by Providing Access to All

Future Padres Jersey Program

The Padres' commitment to youth baseball and softball continued in 2024 with the Future Padres initiative, a signature youth baseball and softball program presented by UC San Diego Health with support from US Bank. Since 2012, the Padres have donated more than 205,000 jerseys and caps/visors to the region's youth players.

Padres Rookie League

Padres Rookie League (formerly known as Padres RBI) offers boys and girls ages 5-13 the opportunity to play in a free baseball or softball summer league. The Padres provide free uniforms to go with free mitts provided by Masons4Mitts. This initiative is designed to provide young people from underserved and diverse communities a chance to learn and enjoy the game.

Padres Youth Baseball & Softball Camps

The San Diego Padres offer a series of baseball summer camps throughout the San Diego area that enrich the lives of children through exceptional instruction, character development and a unique Major League experience. Net proceeds from the Padres Baseball and Softball Camp program benefit the Padres Foundation and support the club's youth baseball and softball outreach efforts.

Play Ball!

The PLAY BALL initiative is Major League Baseball’s collective effort to encourage young people and communities to engage in baseball or softball activities, including formal leagues, special events and casual forms of play.

Free Youth Baseball and Softball Clinics

The Padres provide free youth baseball and softball clinics throughout the year for youth in the San Diego and Baja region. These clinics provide opportunities for children in underserved communities as well as for children from military families. Partner organizations include Professional Baseball Athletic Trainers (PBATS), Pitch Hit and Run, United Heroes League, IMDET (Tijuana) and Rally Camps.

Padres Provide All-Star moments for San Diego’s Best

Each year the Padres open up their Petco Park home to give the top high school baseball players in San Diego County an unforgettable experience. The top 48 players are chosen to participate in the annual High School All-Star Game & Home Run Derby and experience the thrill of playing for the first time on a Major League field.

SERVE

Supporting Those Who Serve

In 1995, the Padres established the first Military Affairs department in professional sports, earning recognition as the “Team of the Military” throughout the sports world. The organization collaborates with non-profits to support active duty military, veterans and their families. The Padres also host morale-boosting events, offering in-ballpark recognitions and awareness, and actively engaging with the San Diego area’s vast military community - the largest concentration of U.S. military personnel in the world.

Sunday Salutes

The Padres honored active duty military members, their families and Veterans on-field in pre-game ceremonies before every Sunday home game in 2024, which included flyovers by an array of military aircraft from multiple services and a parachute demonstration by the Navy’s Leap Frogs. The Padres “Hero of the Game” program entered its second season, featuring an in-game narrated video montage of a service member, veteran, or family member who had performed heroic and inspiring acts of bravery. Each Hero was presented with a framed United States Flag that had been flown over Petco Park.

Military Scholarships

In 2024, the Padres Foundation quadrupled its annual scholarships to the children of service members. \$60,000 was donated to three recipients in coordination with the Marine Corps Scholarship Foundation, Tailhook Educational Foundation, and Wings Over America Scholarship Foundation.

Top to bottom: Jackson Merrill greets a Navy Chief as he takes the field; Marines stand at attention during a pregame ceremony flyover; (Left to right) Trevor Hoffman, Randy Jones, and Maggie Coleman present checks to this year’s military scholarship recipients.

Padres Care Packages for the Military

The Padres take pride in providing support to deployed forces by curating and distributing Care packages to active duty military members around the globe. Care packages and winter coats that fold out to sleeping bags were also donated to struggling local homeless veterans who receive care at Veterans Village San Diego. Padres players, staff, volunteers and sponsors assembled more than 2,000 care packages in 2024.

Padres Alumni & Military Softball Game

Every year, the Padres partner with a military installation to host a Padres Alumni & Military Softball game. In 2024, the Padres joined forces with the Marine Corps Recruit Depot (MCRD) San Diego. Family, friends, and military members were among the crowd and were treated to a complimentary lunch from Hodad's.

MCRD Recruits Welcomed at Petco Park

In partnership with USAA, the Padres hosted over 3,700 Marine Corps recruits at the ballpark prior to graduations in 2024. Attending a game at Petco Park is a monumental moment for these recruits as it is their first time out in public wearing their military uniforms. During the game, these men and women are introduced and recognized for excelling through boot camp and committing the next several years of their life to their country.

Padres Baby Shower for Military Moms-To-Be

In collaboration with Nuna, the Padres Foundation and players' wives organized a heartwarming baby shower at Petco Park for young enlisted service members and the spouses of deployed service members. This annual event offered essential support during a pivotal moment in their lives. Each family was surprised with a Nuna stroller and car seat.

Donating and Volunteering with Local Military Charities

The Padres provided more than 7,000 tickets to active-duty military, veterans and families in 2024. Support for local charity partners included the Hats Off Their Heads online auction of game worn and player-issued Independence Day caps. This generated \$24,000, including a \$10,000 donation from Blue Shield of California for military families supported by the Armed Services YMCA of San Diego.

Top to bottom: Padres front office volunteers at the Padres' annual Military Care Package event; Marines at the Alumni Military Softball game; Padres Alumni and active military members at MCRD; A group of military moms-to-be with their new Nuna strollers and car seats.

Padres Salute San Diego's First Responders

The Padres are proud to celebrate, honor and thank San Diego's first responder community. To recognize these men and women who serve the citizens of San Diego bravely and selflessly, the Padres designate six home games as First Responder Appreciation Games, bringing well-deserved attention to the hard work and service the various departments provide as well as their inspiring stories of heroism. The Padres' support for San Diego's first responders comes in many forms, such as on-site visits, on-field recognition ceremonies and financial donations. First Responder Appreciation Games are dedicated to all first responder departments throughout the City and County of San Diego, including the San Diego Police Department and other county police departments, San Diego County Sheriff's Department, San Diego Fire-Rescue Department, California Highway Patrol, Customs & Border Protection, Red Cross, FBI, DEA and other organizations on the front line of service to our community.

Players in the Community

Roberto Clemente Award Nominee

Manny Machado was the San Diego Padres 2024 Clemente Award nominee. Committed to the Peter Seidler Legacy Projects, he personally invested in the San Diego Rescue Mission South County Lighthouse, a vital community resource dedicated to helping local families take the next critical steps towards ending their homelessness. Through programs such as “Manny’s Hot Corner,” “Be a Pro and Always Go,” and his own foundation, The Sky’s The Limit, Manny positively impacts the lives of San Diego’s youth. Manny’s unwavering dedication to these community-driven causes made him deserving of this honor.

Manny’s Hot Corner

Since 2022, Manny Machado has hosted underserved youth excelling in academics and citizenship. Kids are invited to the ballpark with their families to enjoy batting practice and meet Manny. They are also gifted t-shirts, game tickets, dinner and for many of them an unforgettable first time experience at Petco Park.

Players Connect

Players Connect is an exciting new program spearheaded by Manager Mike Shildt. The program bridges the gap between sports and community, allowing players to invite a nonprofit of their choice to the ballpark for a unique experience. This season, Kyle Higashioka championed the Military Special Operations Warrior Foundation, creating an unforgettable day for children of service members. Jackson Merrill highlighted the importance of youth baseball access for all. The groups enjoyed a game and had the rare opportunity to meet these dedicated players.

Padres Holiday Giving

Every year, the Padres Foundation collaborates with several community partners in a month-long campaign to help spread the joy of the holidays throughout the San Diego and Baja region. With the help of Gallagher, the Foundation targets the region's underserved communities, aiming to share the holiday spirit with those in need.

Thanksgiving Turkey Distribution

Jeremiah Estrada helped volunteer at the annual Thanksgiving Turkey Distribution which helped 1,000 local families in need. Estrada along with other volunteers such as Mark "Mud" Grant and SDPD greeted families and placed a few groceries and their choice of ham or turkey thanks to Northgate Market.

Bikes 4 Kids

The Padres Foundation, Joe Musgrove and SDG&E's "Going to Bat for San Diego" partnership joined the Bikes for Kids Foundation to present 225 second and third graders at Rosa Parks Elementary with new bikes and helmets.

Operation Holiday Joy

The Armed Services YMCA's annual Operation Holiday Joy event supports military families during the holiday season. Adrian Morejon, Tom Cosgrove, and Joe Musgrove all helped E6 and below families shop for toys for their children.

Seoul Series

Make-A-Wish South Korea

The Padres expanded their long time partnership with Make-A-Wish with a special experience in South Korea. Before the highly anticipated series in Seoul, these young fans had the opportunity to meet Padres players Ha-Seong Kim and Woo-Suk Go. The experience not only allowed the children to connect with their favorite players but also highlighted the Padres' dedication to making dreams come true, bridging cultures and creating unforgettable memories for everyone involved.

From top: "Going to Bat for San Diego" pre-ceremony; SDG&E CEO Caroline Winn helped surprise 225 students at Rosa Parks Elementary with new bikes and helmets.

Going to Bat for San Diego

The Padres and San Diego Gas & Electric partnered for the eighth consecutive year of the *Going to Bat for San Diego* initiative. Among the many key giving opportunities in the program is support for underserved communities as well as fire safety organizations. The partnership supports the Johnny Ritchey Breaking Barriers Forum and underserved youth through the annual Bikes 4 Kids donation.

Alumni

Honoring Padres Legends with Impactful Community Programs

Paying It Forward with Johnny Ritchey Scholarship Program & Breaking Barriers Forum

The Padres' Johnny Ritchey Scholarship program was created in 2020 to make annual awards to local high school seniors from underserved areas that embody the characteristics and qualities Ritchey displayed on and off the field. Ritchey, a San Diego native, broke the color barrier in the Pacific Coast League after being signed by his hometown team in 1948. At a time when Major League Baseball was not yet in the western United States, Ritchey was the first, and often the only, black player on the field in ballparks throughout the West Coast.

The Padres Foundation, in partnership with the California Masonic Foundation and Reality Changers, awards \$100,000 in scholarships to 10 students that have encountered and overcome significant personal adversities in their life. Each scholarship recipient is a first generation college student.

With the support of SDG&E and the Going to Bat for San Diego program, the Padres created the Breaking Barrier Forum in 2022. This program provides an opportunity for high school students to hear stories from community and business leaders as well as professional athletes who broke their own barriers.

He was instrumental in promoting diversity initiatives throughout MLB.

Tony Gwynn Community All-Stars

Padres Hall of Fame outfielder Tony Gwynn was known as “Mr. Padre” for his on-field excellence and leadership in the San Diego community. The Tony Gwynn Community All-Star Program was created to recognize and honor San Diego’s youth who follow in his footsteps and support their local community. The Padres annually recognize nine high school students who are working with a local non-profit organization to support underserved segments of our community. The Padres Foundation issues grants (\$45,000 total) to support their efforts.

Randy Jones Community Champion Award

The Randy Jones Community Champion Award is named in honor of Randy’s 50 years of service on and off the field for the Padres. The award was created in 2023 to recognize one Padres alum each year for his positive impact in the community. The Padres Foundation presents a check for \$10,000 in the honoree’s name to a local non-profit. The initial honor went to the award’s namesake. The 2024 award was presented to Hall of Fame pitcher Trevor Hoffman whose support benefits several military charities and the Monarch School.

Padres On Deck

The Padres annually fund and support the Community Affiliate Program which encourages community involvement across its four minor league teams. In addition to providing financial contributions to local organizations and hosting player service days, each club identifies a “Community Player of the Year” to recognize the player most engaged in the community. The 2024 Community Players of the Year are Colton Bender and Addison Kopack from the Fort Wayne TinCaps, Ripken Reyes from the San Antonio Missions, and Wyatt Hoffman from the Lake Elsinore Storm.

Binational Support

Comunidad Awards

With support from Cox Communications, the Padres Foundation recognized the honorees of the 13th annual Comunidad Awards, celebrating individuals and organizations whose efforts have positively impacted San Diego's Hispanic community. The Padres Foundation contributed \$25,000 in total to the five honorees' charities of choice.

Estrellas

The Estrellas program celebrates and recognizes the outstanding achievements of San Diego students both in and out of the classroom. This program is a collaborative initiative amongst the Padres Foundation, SDG&E, local school districts and non-profits. Each season, the Estrellas program honors young individuals who demonstrate a commitment to living healthier lifestyles and show significant academic improvement.

Build A Miracle

In partnership with Build A Miracle, volunteers from the Padres front office have traveled to Tijuana for the last four years to help build homes for families in need. These home builds transform lives by offering stable housing as well as empowering families with a sustainable and hopeful future.

Tijuana Youth Baseball Clinic

The Padres Foundation hosted a youth baseball clinic with the Liga de Beisbol Infantil y Juvenil Municipal de Tijuana. With support from Arco and Farmacias Roma, local athletes gathered to receive valuable baseball training and life lessons from pitcher Jeremiah Estrada and pitching coach Ruben Niebla.

Dinner on the Diamond

Dinner on the Diamond, presented by Sycuan Casino Resort, is the largest single-day fundraiser for the Padres Foundation. Guests dine on the Petco Park field alongside the entire Padres roster, coaches, alumni, and ownership. This year's event was hosted by Don Orsillo and Mark "Mud" Grant and included a special performance from Grammy Award-winning artist Ludacris. Save the date for the next Dinner on the Diamond set for Thursday, July 3, 2025.

50-50 Raffle

For the eighth season, fans supported the Padres Foundation through the 50/50 Raffle. Each home game, fans had the chance to win half of the total jackpot, with the other half benefiting the Padres Foundation's community programs.

Shirts Off Their Backs

The Annual Shirts Off Their Backs fundraiser, presented by Sycuan Casino Resort, gives fans the opportunity to bid on Padres autographed, game-used jerseys worn by their favorite players.
