

National Association of Boards of Pharmacy® (NABP®)

DMEPOS Pharmacy Accreditation Standards Overview

A pharmacy seeking accreditation through NABP must meet or exceed the standards in each of the following areas: the accreditation standards (Section ACC), which are applicable for all NABP accreditation programs; the pharmacy standards (Section PHY), which are applicable to all NABP pharmacy accreditation programs; and the program specific standards for which the pharmacy is seeking accreditation.

The following is a summary of the standards required for an applicant who is seeking NABP DMEPOS Pharmacy Accreditation. This tool is to help provide a preview of the standards you can anticipate being required for accreditation.
