		PACKING INFORMATION	58-59

Dear valued client,

Thank you once again for your loyalty and continued support of Aphrodite over the years.

Following extensive research, and in line with the continuous evolution of skincare trends, we're delighted to unveil our newest innovations.

There's much to discover this year.

Our packaging has been redesigned to make it easier than ever for consumers to distinguish products and choose the skincare solution that best meets their needs. We've also revamped how our packaging is made, with the majority now being recyclable or made from recycled materials.

Product formulas have also been reimagined with more becoming PEG free. In our face care collection, we've combined olive oil with popular active effective ingredients including phyto-retinol, peptides, and hyaluronic acid. The new packaging reflects olive oil's status as liquid gold and offers a luxurious touch. In personal care, our new hair care packaging is fresh, playful and instantly memorable.

We hope that you're as excited about the latest additions to the Aphrodite collection as we are. You'll find more information about our all new, fragrance-free CBD products for those who deal with irritation, itchiness, or redness on their skin/scalp, as well as our innovative multi-purpose oils and balms, and volume-boosting eyelash serums over the following pages.

We'd love to hear your feedback.

Kind regards,

The Aphrodite Team.

WHY APHRODITE?

THE ORIGIN

Beginning in the early 90s, **APHRODITE has always been a company dedicated to the development and production of breakthrough skin care products based on organic extra virgin olive oil.**

Based on his Greek heritage George Zachariou-dakis, the company founder, always believed in the numerous olive oil uses and benefits that were passed on to him by previous generations. After extensive studies, we cultivated an exceptional grade of organic extra virgin olive oil on our home island Crete - an island that is worldwide known for its **exceptional olive oil quality. This same olive oil was used to create APHRODITE; the first olive oil cosmetic soap and personal care products that were made in Greece.**

In the mid-90s, APHRODITE began its global expansion, bringing its Greek beauty secrets to women in all parts of the world. **APHRODITE products are currently enjoyed by many satisfied customers in more than thirty countries** including the USA, U.K., Germany, Russia, Ukraine, Finland, Norway, Belgium, Netherlands, Taiwan, Mongolia, Cyprus just to mention a few.

Today, our range of products include a comprehensive collection of soaps, facial & body cleansers, exfoliators, hand & body moisturizers, anti-ageing treatments, targeted baby & mom products, men care products and continues to grow in order to meet all skin care needs.

We are Greece's original olive oil skin care company

QUALITY, SAFETY, EFFECTIVENESS

Trusting the power of olive oil, we have based our entire skincare collection on it. To ensure that only the best quality of organic olive oil is used in our products, **we cultivate our own organic olive groves based on strict quality standards.**

APHRODITE beauty products combine the purity of nature with the power of science. **We search and source for only the highest quality ingredients including plant extracts**, with a focus on Greek botanicals that compliment olive oil, so your skin receives the maximum benefit possible.

Quality is a priority for us. This is why all APHRODITE formulas are developed and manufactured in our own facilities in Crete. Our facilities are certified by the National Drug Administration and our production process follows European Union's Good Manufacturing Practice for cosmetics. For quality assurance, we follow the standards of TUV Austria ISO 9001:2015 & TUV Austria ISO 22716:2007 quality system.

Aphrodite's abundant olive groves give us high-quality, organic, extra virgin olive oil.

As our star ingredient, our rich olive oil travels just steps to our factory, where it's used in all our skin and haircare formulations.

Discover our inspiration: OLIVE OIL - THE LIQUID GOLD

For thousands of years the ancient Greeks have used olive oil to effectively care for their body, skin and hair. Hippocrates called olive oil the Great Therapeutic because of its great health and healing properties.

WHY OLIVE OIL?

Olive oil is one of the most superior substances on earth for good health and great skin. In fact, when compared to other vegetable oils commonly used in personal care, **it has the most similar lipid composition to that of the human skin.** This allows it to penetrate pores very deeply and to hold in moisture.

Bursting in nutrients – triglycerides with a high oleic acid content, vitamins & anti-oxidants – **olive oil helps in the capturing of free radicals, delaying the skin cells ageing, and providing long lasting moisture.**

This liquid gold is truly one of Mother Nature's finest gifts for beautiful, healthy glowing skin. **A gift that we are proud to trust as a key ingredient in our entire product collection.**

Did you know?

Minoans, the ancient Cretans, were among the first to cultivate and use olive oil in their daily activities.

OLIVE CRYSTAL SKIN

Our all natural olive oil based emulsifying system generates biomimetic, skin-compatible liquid crystals that act as a delivery system that allows plant based ingredients to penetrate deeper into the dermis for a more targeted and effective result.

Our unique combination of organic Cretan Olive oil with the olive oil liquid crystals special structure was carefully incorporated in our formulas to bring to you optimal benefits:

ANTI-AGEING

The dermocompatible liquid crystals are similar to the lipids of the cutaneous barrier. Thanks to their restructuring properties, they prevent the signs of the time giving tonicity and elasticity to the skin.

ANTI-REDNESS

The skin barrier function protects from excessive trans-epidermal penetration of foreign particles to the skin. Our Olive liquid crystal complex has been shown to increase the skin barrier integrity to prevent foreign particles to penetrate and trigger irritations.

EXCELLENT CARRIER

The Olive liquid crystal complex dermocompatibility promotes the physiological penetration of active ingredients and the binding with their targets in deeper epidermal layers.

ENVIRONMENTAL SHIELD

Numerous clinical studies have demonstrated the Olive liquid crystals' efficacy in increasing the integrity of the cutaneous barrier to ensure maximal protection from harsh environmental insults.

LUMINESCENCE

The Olive liquid crystals are organized in molecular structures that mimic the lipid configuration found in the skin. This is a unique and innovative property to promote skin luminescence by mimicking nature's way.

PHYSIOLOGICAL HYDRATION

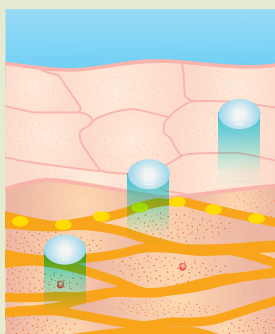

The Olive liquid crystals act as biomimetic restructuring agents to restore the skin barrier function integrity. This leads to an increased and sustained skin hydration.

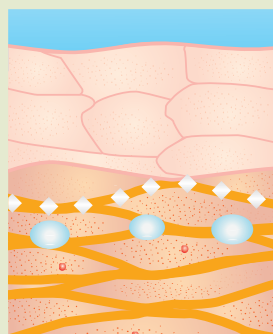

SPF MAXIMIZE

The use of Olive liquid crystals enhances the efficacy of UV-filters thereby improves protection against UV rays.

Skin Water Management

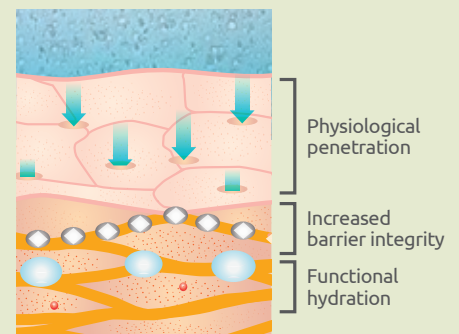

●● Non-compatible lipid compositions may cause instability in the skin barrier. The result is Trans Epidermal Water Loss.

◆◆ Olive Liquid Crystals physiologically integrate into the skin barrier to reinforce its integrity. The result is Water Retention.

Liquid Crystals Mechanism

Physiological penetration

Increased barrier integrity

Functional hydration

CORE VALUES

Naturality

We offer to you natural skin care products that are safe and effective. **Respecting recent consumers' concern of certain ingredients:**

WE HAVE AVOIDED THE USE OF:

sulfates, parabens, phthalates, petrolatum, artificial colorings, silicones, GMOs, ethanalamine, propylene glycol, urea, alcohol, methylchloroisothiazolinone/methylisothiazoline, BHA, BHT.

INSTEAD WE USE:

- Natural bases
- Naturally sourced active ingredients
- Herbal oils & extracts

Innovation

APHRODITE is a natural skin care solution that actually works. When choosing ingredients, we make sure that they are not only natural, but also effective and feel good on the skin.

Integrity

Superior product manufacturing and development doesn't happen by accident. That's why we retain complete control over every aspect of production by developing and manufacturing each luxurious APHRODITE formula in our very own facility on the beautiful Aegean Island of Crete.

Sustainability

We're committed to being a sustainably minded business. We source the most ethical and responsible packaging materials, carefully chosen from responsibly managed forests. By doing this, we're paying our respects to the environment and avoiding endangering fundamental resources.

5 200393 801078	

Packaging		
PIECES/ BOX	BOXES/ CARTON	PIECES/ CARTON
6 pieces	4 boxes	24 pieces

A calming moisturiser that gives oily skin a mattified appearance, reduces visible pores and balances the complexion to gently blur the telltale signs of breakouts.

KEY INGREDIENTS: sage, rosemary, witch hazel, pomegranate, olive leaf, myristyl PCA, knotweed, pumpkin, tamarind, fomes officinalis mushroom

For skin prone to shine, this oil-free serum has an instant mattifying effect, while tightening pores and giving a healthy glow with fewer visible imperfections.

KEY INGREDIENTS: zinc peptides, willow bark, niacinamide, olive leaf, echinacea

Z-230 Zinc Peptides Oil-Control Foam Cleanser

Product	
150ml 5.07 fl oz	97.6% natural
5 200393 801344	

Packaging		
PIECES/ BOX	BOXES/ CARTON	PIECES/ CARTON
6 pieces	4 boxes	24 pieces

Why use Zinc Peptides?

- They reduce sebum production without drying out skin
- Cleanse and purify oily skin while delivering a dose of moisture

Carefully formulated for oily and blemish prone complexions, this soft foaming cleanser reduces sebum production and removes dirt and impurities without drying out the skin.

KEY INGREDIENTS: zinc peptides, glycolic acid, niacinamide, rosemary, pomegranate

FACE EXFOLIATORS & MIST

Developed to gently smooth and renew even sensitive skin, Aphrodite exfoliators use nature's own exfoliators. Our formulas feature olive and almond beads or rice and charcoal beads to reveal fresh, radiant skin, while our mist features the relaxing scent of lavender.

Z-21 Gentle Skin Renewal Face Scrub Olive & Almond Beads

Product

Relaxing, calming, anti-inflammatory. Ideal for all skin types.

OLIVE OIL & DONKEY MILK PRODUCTS

NEW ADVANCED ANTI-WRINKLE & ANTI-POLLUTION SKIN CARE

Studying the numerous scientifically proven benefits of donkey milk, we can proudly say that we found the perfect ally in the formulations of our premium, natural face & body care range to accompany Olive oil, our star ingredient.

WHY DONKEY MILK?

Like Olive oil, Donkey milk has also been used and praised for thousands of years as a great health and cosmetic ingredient.

Historical Facts & Benefits:

- Cleopatra bathed in donkey milk for silky soft skin.
- The Greek doctor Hippocrates recommended it for numerous health & skin conditions.
- Rich in omega 3 & 6 fatty acids, vitamins & minerals to regenerate the skin and reduce wrinkles.
- Its mild composition makes it ideal for sensitive, dry skin types and skin conditions like psoriasis and eczema.
- Rich in phospholipids, ceramides and proteins, it promotes long lasting skin hydration.

PEPTIDE ADVANCED ANTI-WRINKLE

Our skin is often exposed to harmful environmental conditions, such as pollution, UV radiation, and smoking, that can accelerate oxidative stress and the signs of ageing. We've turned to peptides to fight back. This complete facecare collection minimizes the appearance of wrinkles, and leaves skin feeling supple for a more youthful appearance.

D-19W Peptide Advanced Anti-Wrinkle Day Cream

Product	
50ml 1.69 fl oz	97.2% natural
5 200393 890911	

Packaging		
PIECES/ BOX	BOXES/ CARTON	PIECES/ CARTON
6 pieces	4 boxes	24 pieces

Thanks to its thick, rich texture, this day cream is intensely hydrating. The peptide-rich formula leaves skin looking firmer, plumper and more youthful, with less sagging and fewer wrinkles.

KEY INGREDIENTS: donkey milk, moringa peptides, cotton stem cells, camelina, inca inchi, monoi, millet, peptides, low molecular weight hyaluronic acid, red & brown seaweed

D-20 Anti-Wrinkle & Anti-Pollution Night Cream

Product	
50ml 1.69 fl oz	96.6% natural
5 200393 860617	

Packaging		
PIECES/ BOX	BOXES/ CARTON	PIECES/ CARTON
6 pieces	4 boxes	24 pieces

Formulated with advanced vegan ceramides and squalane, this night cream leaves skin plumper, softer and more hydrated, for an altogether more youthful appearance.

KEY INGREDIENTS: donkey milk, avocado, argan, rosehip, inca inchi, pomegranate, moringa peptides, cotton stem cells, low molecular hyaluronic acid, cross-linked hyaluronic acid, red seaweed

D-18 Peptide Advanced Anti-Wrinkle Eye Cream

Product	
30ml 1.01 fl oz	96.2% natural
5 200393 870104	

Packaging		
PIECES/ BOX	BOXES/ CARTON	PIECES/ CARTON
6 pieces	4 boxes	24 pieces

A powerful, peptide-rich eye cream that visibly reduces the tell-tale signs of aging. Crows' feet, dark circles and puffiness appear reduced, giving skin a smoother, more toned appearance.

KEY INGREDIENTS: donkey milk, inca inchi, evening primrose, argan, shea butter, moringa peptides, cotton stem cells, red seaweed, horse chestnut escin, sophora japonica quercetin

D-29W Peptide-Rich Advanced Anti-Wrinkle Serum

Product	
30ml 1.01 fl oz	97.1% natural
5 200393 829928	

Packaging		
PIECES/ BOX	BOXES/ CARTON	PIECES/ CARTON
6 pieces	4 boxes	24 pieces

For precision targeting of deep wrinkles, this peptide-rich serum has a deeply smoothing effect which leaves skin feeling tighter and firmer, even through menopause.

KEY INGREDIENTS: donkey milk, moringa peptides, cotton stem cells, camelina, inca inchi, monoi, millet, low molecular weight hyaluronic acid, peptides, red seaweed

VISIBLE SIGNS OF AGEING

The APHRODITE all new Advanced Anti-Wrinkle & Anti-Pollution skin care line utilizes the latest, natural ingredients of clinically proven efficacy to reduce visible wrinkles and fortify your skin's natural defense against urban pollution.

D-29L PhytoLift+ Complex Instant Face Lift Serum

Product	
15ml 0.51 fl oz	97.9% natural
5 200393 842484	

Packaging		
PIECES/ BOX	BOXES/ CARTON	PIECES/ CARTON
6 pieces	4 boxes	24 pieces

Delivering Botox-like firming and tightening with no needles required, the PhytoLift+ Complex formula gets to work quickly on wrinkles for smoother skin in 30 minutes.

KEY INGREDIENTS: hyaluronic acid, quinoa polysaccharides, GABA amino acid, argan, seaweed

D-22 Prebiotics Velvety Soft Cleansing Milk

Product

For safe and easy transportation, we pack our products in small inner boxes and then we place these inner boxes in larger shipping cartons. Review this guide carefully and place orders according to this system, so that the orders are made in full cartons. Thanks to our practical system, delays are eliminated and safe shipping is achieved.
