## 2017 Liberty Rating

This is the fourteenth annual Liberty Rating issued by the New Hampshire Liberty Alliance, based on 46 roll call votes in the House and 39 in the Senate. This year the House earned a collective grade of C and the Senate a C. Individual grades for each representative and senator are based on pro-liberty or anti-liberty roll call votes and sponsorship/co-sponsorship for bills that have been included in our Gold Standard liberty voting guides distributed to Senators and Representatives each session day. Each bill/vote is assigned an impact score by the NHLA taking into account the degree to which the bill or vote impacts (positively or negatively) liberty. The Legislator of the Year is awarded to the individual with the highest score.

**Pro-liberty bills** protect individual freedom of choice and personal responsibility; recognize the superiority of freedom over coercion; respect the citizen's right of self-ownership; promote governance that is transparent, accountable, and adheres to the Constitution; and recognize the value of voluntary economic decisions.

**Anti-liberty bills** replace self-governance with interventionist regulation; assume rules made by agencies backed by force are superior to voluntary choices backed by personal accountability; and assume a better economy can be managed by a central authority that compels people and businesses to pay for policies they may not willingly support.

The Liberty Rating is the result of hundreds of hours of work by many volunteers who have read and analyzed bills, testified before committees, called and written their representatives, worked on our other signature publication, the Gold Standard, and culled extensive data from legislative voting records. We encourage New Hampshire citizens to learn the facts about how their elected representatives are voting in Concord and to use this tool to hold them accountable. This report card serves as a valuable voter guide when these same representatives are running for re-election.

Motions of Ought to Pass (“**OTP**”), Ought to Pass with Amendment (“**OTP/A**”), and to accept a Committee of Conference report (“C of C”) pass a bill. If we recommended yea on these motions, it was a pro-liberty bill; if nay, it was an anti-liberty bill. Motions of Inexpedient to Legislate (“**ITL**”), **Table**, or **Indefinitely Postpone** kill a bill. If we recommended yea on these motions, it was an anti-liberty bill; if nay, it was a pro-liberty bill.

As was the case in 2016 a sponsorship score has been introduced and is included in the rating. The sponsorship score is calculated based on all the bills a representative has sponsored or cosponsored, which were recognized on the Gold Standard as being pro- or anti-liberty. Each bill sponsorship is assigned a weight, as with roll calls. Prime sponsorship of a bill is weighted more heavily than co-sponsorship. A representative with a score near zero has sponsored few bills, or equally pro and anti-liberty bills. A representative with a high positive score has sponsored primarily pro-liberty legislation. A representative with a high negative score has sponsored primarily anti-liberty legislation.

These scores are used in combination to produce the final grade. Both voting performance (a percentage) and raw sponsorship (a weighted total) are also provided individually.

## Legislator of the Year

The Honorable JR Hoell represents Bow and Dunbarton - Merrimack-District 23. He grew up in New Jersey and attended Stevens Institute of Technology. After completing engineering graduate school, he moved to Deering, New Hampshire to work and volunteer at a nonprofit drug and alcohol rehab organization. While working at the nonprofit in Deering, Hoell met his then to be wife, Charlene. Hoell and Charlene have been married since 1997 and have four children ranging in age from seven to 16.

Since 1995, as a Mechanical Engineer, Hoell has worked on the design and development of various products and systems including marine and heavy equipment instrumentation, water treatment, medical products, telecommunication products, hunting accessories, outdoor equipment, and automotive products.

Since Rep. Hoell was first elected to the NH House in 2010, he has scored A- or higher on the Liberty Rating in every year, and is a member of the 5-year honor roll. He has introduced numerous critical pieces of legislation, including bills repealing civil asset forfeiture, defending jury rights, reducing police militarization, expanding gun rights, and protecting the freedoms of young people and families.

## Activist of the Year

Will Anderson moved to New Hampshire in 2008 after walking across the country for 222 days from Oregon to the NH Seacoast to promote liberty. He now resides in Henniker, NH. Since his arrival in the state, he has worked to promote liberty by supporting pro-liberty candidates, testifying at the state house and supporting the New Hampshire Liberty Alliance by being one of our tireless volunteers who distributes the Gold Standard each week during the legislative year.

In 2017, Will continued his efforts for liberty by continuing to be the steady presence for distributing the Gold Standard and coordinating the efforts of our other volunteers, participating in committee hearings as he did in the past but he also became an active member of the Gold Standard committee that helps to generate content. Will's broad efforts within the NHLA have helped to ensure that inputs from all of our other activists make it to the legislators each week.
