New Hampshire Liberty Alliance

2019 Liberty Rating

This is the sixteenth annual Liberty Rating issued by the New Hampshire Liberty Alliance, based on 87 roll call votes in the House and 38 in the Senate. This year the Senate earned a collective grade of D+ and the House earned a collective grade of C- based on the average scores. Individual grades for each legislator are based on roll call votes and sponsorship/co-sponsorship for bills that affect liberty. Each bill/vote is assigned an impact score by the NHLA considering the degree to which the bill or vote impacts (positively or negatively) liberty.

Pro-liberty bills protect individual freedom of choice and personal responsibility; recognize the superiority of freedom over coercion; respect the citizen's right of self-ownership; promote governance that is transparent, accountable, and adheres to the Constitution; and recognize the value of voluntary economic decisions.

Anti-liberty bills replace self-governance with interventionist regulation; assume rules made by agencies backed by force are superior to voluntary choices backed by personal accountability; and assume a better economy can be managed by a central authority that compels people and businesses to pay for policies they may not willingly support.

The Liberty Rating is the result of hundreds of hours of work by many volunteers who have read and analyzed bills, testified before committees, called and written their representatives, worked on our other signature publication, the Gold Standard, and culled extensive data from legislative voting records. We encourage New Hampshire citizens to learn the facts about how their elected representatives are voting in Concord and to use this tool to hold them accountable. This report card serves as a valuable voter guide when these same representatives are running for re-election.

Motions of Ought to Pass (“**OTP**”), Ought to Pass with Amendment (“**OTP/A**”), and to accept a Committee of Conference report (“C of C”) pass a bill. If we recommended yea on these motions, it was a pro-liberty bill; if nay, it was an anti-liberty bill. Motions of Inexpedient to Legislate (“ITL”), **Table**, or **Indefinitely Postpone** kill a bill. If we recommended yea on these motions, it was an anti-liberty bill; if nay, it was a pro-liberty bill.

Scores are based primarily on roll-call votes but also include a small modifier for sponsorship score. Sponsorship score is calculated based on all the bills a representative has sponsored or cosponsored, which were recognized on the Gold Standard as being pro- or anti-liberty and which did not materially change from introduction to first appearance in the Gold Standard. Each bill sponsorship is assigned a weight, as with roll calls. Prime sponsorship of a bill is weighted more heavily than co-sponsorship. A representative with a score near zero has sponsored few bills, or equally pro and anti-liberty bills. A representative with a high positive score has sponsored primarily pro-liberty legislation. A representative with a high negative score has sponsored primarily anti-liberty legislation. This year, the weight was further scaled to reflect the effort that it takes for a sponsor to shepherd a bill through the house. For pro-liberty bills, 1/3 of the weight is awarded for introducing the bill, 1/3 for passing the house and 1/3 for passing the senate. For anti-liberty bills, the full weight is applied upon submission of the bill. These scores are used in combination to produce the final grade. Both voting performance (a percentage) and raw sponsorship (a weighted total) are also provided individually.

Legislator of the Year

The Honorable John Burt represents Deering, Goffstown, Weare – district Hillsborough-39. He was first elected to office in 2010. He is a member of our five-year honor roll and had a perfect voting score each of the last 5 years. He is a member of the Criminal Justice and Public Safety committee.

Representative Burt also hosts the annual Hot Dog Day at the state house as a charity fundraiser.

Activist of the Year

Alvin See has been a long-time member of the New Hampshire Liberty Alliance and has supported our efforts by regularly attending committee hearings, distributing the Gold Standard, reviewing bills, regularly attending board meetings, and providing insightful input on the NHLA bylaw amendments. In addition, he has worked behind the scenes to assist the board with tracking topics from our annual legislative summit with the submitted bills.

Alvin's regular attendance at the state house this year has enabled us to grow the volunteer base by ensuring that we had a trained volunteer capable of providing mentorship and guidance to new volunteers.
