

ON LAND

THE VOICE OF STEWARDSHIP
IN THE AMERICAN WEST

SPONSORSHIP GUIDE 2023

Montana Wildlife Services specialist Adam Baca monitors a fladry perimeter. While effective, fladry needs to be maintained to ensure flags haven't fallen in melting snow and nothing has shorted its embedded electric wire. Photo by Rob G. Green, from "Seeing Red" in On Land Vol. 5

OVERVIEW

ON LAND IS THE MEDIA BRAND OF THE WESTERN LANDOWNERS ALLIANCE. WE ARE A NON-PROFIT COMMITTED TO TELLING A NEW STORY OF LAND STEWARDSHIP IN THE WEST.

Wise stewardship of our lands and natural resources is the fundamental challenge of our time. If we are to recover the American West to health, abundance, and justice, we need a new story about our relationship to land, rooted in an ethic of stewardship. *On Land* brings forth that story clearly and beautifully, in the voices of the people who are living it, at the bleeding edge of a future that puts people and nature together again for the benefit of both.

We raise the voices of those who tend land on a daily basis, sharing their experiences, successes, challenges and perspectives in the interest of shaping a better world for current and future generations. We explore public policies, share knowledge and information on land stewardship, and highlight people and ideas making a difference in the West and beyond.

Help us tell that story. Your sponsorship supports storytelling critical to the future of the West.

Coverage Areas

New Mexico rancher Betty Shahan talks about her passion for the watershed she stewards.

WORKING WILD UNIVERSITY

Working Wild U is an award-winning podcast that immerses the listener in the action with the people and wildlife of the American West. We bring you the big stories at the heart of the struggle to sustain productive, resilient and connected rural landscapes and communities.

Each episode is centered at the intersection of cultural knowledge and science, exploring the challenges and successes of sharing and managing working landscapes that support both people and wildlife. Season 2, due out in fall 2023, will share stories of threatened and endangered species recovery on private and working lands in the West.

If you are passionate about stunning stories, open spaces, wild places and healthy communities, you'll love listening to WWU.
