

**Pensacola Catholic High School
2024 REQUIRED SUMMER READING PROGRAM**

The purpose of the CHS Summer Reading Program is to encourage and support independent reading and instill a love of reading in our students. The ability to read well and on a regular basis is crucial to college and career success. Recognizing this, the CHS English Department has a year-round reading program which includes required outside reading during the summer months.

The Summer Reading Program includes three books for Honors/AP students and two books for ACP/CP/G levels. Details of the program are described below.

Students will be tested on the assigned reading the first week of school.
