| | Recommendation for vote: Harm Reduction Supplies: Currently, CT's syringe service programs distribute harm reduction supplies to people who use drugs and have reported a shortage of supplies. This is a request to increase funding to existing programs to expand access to already available harm reduction kits by \$500,000 annually. This initial request is for two fiscal years for a total of \$1,000,000. The following link provides information about syringe exchange programs:
