Can you believe this is already the seventh issue of QXMEN!  
So here we are, it's February, it's cold, wet and freezing! Not the  
nicest month of the year. Never mind, flick through QXMEN and I'm sure  
you'll find something to warm up those long, dark nights!

If you can't be bothered to surf the net for a shag, why not splash  
out on a professional to see you through the night. Check out our  
back-page boys... there are quite a few new faces!

For some ring stretching action, there's a fab collection of toys  
available from Clone Zone. See pages 28 and 30.

This month's cover star is Raging Stallion's Man of the Year, Jake  
Deckard. Check out our interview with this hot muscle mountain.

There's also an interview with the angel-faced Ashley Ryder. Don't  
let his innocent looks fool you, this boy is one ravenous (cavernous)  
bottom!

Hustlaball in Vegas had the police banging down the door at the pool  
party. Unlike the UK and on the continent, our American friends can't  
show cock and arse on stage and all sex acts are simulated. So  
when you're getting an eyeful at your next sex party, be thankful  
we don't answer to Bush.

Finally, we've started getting arse pics in as well as cock pics.  
Keep 'em coming, we love a nice pert butt. If we get enough  
photos of readers' arses we can make a whole page of them. "Best  
butt" wins top DVD releases! Come on lads, send 'em in.

# YOUR SHOUT . . .

Dear QXMEN,  
First off, I just wanted to say what a great mag QXMEN is. For us guys living out in the sticks, it's a lifeline and the best bit of free cock around today. I just wondered if you'd ever thought of running a Personals Page in QXMEN? I remember that the London-based magazine QX International used to do one and it was a great way to get in contact with other sleazy, like-minded guys by post rather than on the internet. I suppose I'm just a bit old fashioned but I do love writing and receiving letters. Here's hoping...  
Jon, Dartmoor

Hi Jon,  
As you probably know, most guys nowadays just log on to one of the many online contact sites on the internet to pick up other guys, but I can appreciate that not everyone is computer-savvy. But hey, you never know, if we get enough of you guys out there asking for one then maybe we'll give it a go.

Dear Matt,  
You must have the best job in the world! I have to admit that if I were the editor of QXMEN, I probably wouldn't get much work done. Watching and then reviewing all of those horny porn films must be amazing but exhausting and choosing from all the pictures of spunky men for each issue must be great! You and all the guys at your office must be walking round

with permanent hard-ons. I bet it's just one big orgy there every day... Keep up the good work!  
Peter, Bristol

Oh Peter, if only you knew the truth... An endless supply of dick might sound like heaven on a silver platter, but believe me... cock after cock after cock after cock... God, no more! What am I saying? I love it! Is there such a thing as too much cock?

Phwoar! Just a quick note to say thanks for putting the gorgeous Alex Stevens on the cover of last month's issue. He's so cute and sexy and I can't wait to see him in a few of his movies getting rogered good n proper!  
Russell, Hertfordshire

Well, Russell, as well as starring in 'Raw Courage', 'Boys of Summer' and 'Bare Reunion', spunky Alex's new film 'Dream Ticket' is soon to be released and will be available through [www.rawfilms.net](http://www.rawfilms.net).

OH.MY.GOD!  
So I'm sitting there reading QXMEN and turn over to the review of 'At Your Service' and there's a (literally) lifesize lubed-up puckered ring looking right back at me!

Anyway, I did go out and buy the film after reading the review and I have to confess, the dildo scene is one of the hottest I've ever seen! That Kent North is a dirty bastard! More dildo pictures please!  
"Dildo Dan"  
Birmingham (via email)

Hello Dildo Dan,  
That scene with Kent North putting those two monster toys up his poop chute won him "Best Solo" at the Hard Choice Awards in the States recently. Eye-watering stuff!  
If you're a fan of super-sized toys, check out the butt plugs and dildos from Clone Zone on pages 28 and 30. From a simple "finger of fun" right up to humungous donges and massive ring dilators... I guarantee there'll be something there to put a smile on your face and a spring in your step.

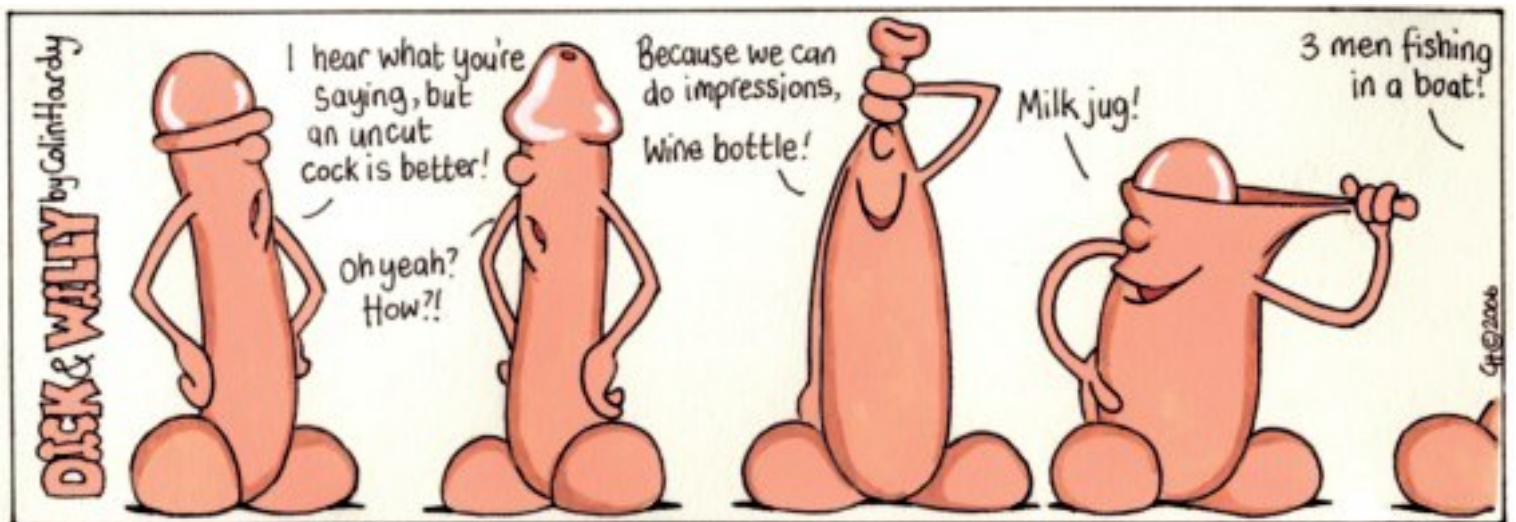

Dear Editor,  
You guys do get about! I really enjoyed your review of the Basement Studios Complex in Gran Canaria. I'm quite into the harder sex scene... leather, S&M... I used to go to Gran Canaria about ten years ago but got a bit fed up with the Jumbo Centre, cruising the sand dunes during the day and trying to pick up in bars at night, only to find out the guy was quite "vanilla". This new venture looks like it's right up my alley (excuse the pun!). Reckon I'll be giving it a go.  
Mark, Seven Oaks, Kent.

Dear Mark,  
Oh yes, we get about! The dresscode at the Basement Complex is pretty strict. So anyone into leather, rubber, skin gear, or going totally naked should fit right in. The staff are unbelievably accommodating and they don't mind if you bring trade back - as long as your guest(s) abide by the rules of the establishment. And it's great value as well! We wholeheartedly recommend it.

Dear Editor,  
Do people still wear hankies? I found that colour guide really interesting... and funny, but surely in this age of Gaydar, Fetishlad, Worldskins etc people don't resort to this old fashioned code?  
Paul, Earls Court

Hi Paul,  
In all honesty the only hankies we've seen recently are in the window down Saville Row. Yes, it is an archaic form of queer communication, but remember, life wasn't always as easy as logging on and sifting through profiles to find compatible shags. And besides, a queen that can coordinate her accessories is most certainly one to be reckoned with!

Have you got a comment, a filthy story or even some horny pictures that you'd like to share with QXMEN?

# Interview with

# LUKE

# CALLUM

**AGE:** 22

**DICK SIZE:** 9.5" uncut and very thick.

**TOP, BOTTOM OR JUST GREEDY?** I'm a little piggy! I like it both ways, at the same time.

**WHERE WERE YOU BORN?** My Mum's vag. But she was in Leeds at the time.

**WHERE DO YOU LIVE?** I live in a gorgeous area of South East London with my boyfriend.

**WHICH FILMS HAVE YOU BEEN IN?** 'Corruption', 'Riding Bruno', 'To the Manor Porn', 'Fresh Meat' and 'Dreamgirls'...I wish!

**HOW DID YOU GET INTO PORN?** My boyfriend forced me... he really did push me into it! Not that it took too much pushing mind you. I was actually quite keen really.

**SO YOUR BOYFRIEND DOESN'T MIND?** He is no angel himself as anyone who knows him will tell you... In fact most people reading this will know - he has been about!

**WHAT DO YOU DO WHEN YOU ARE NOT DOING PORN?** (day job) I sit on my arse at home being lazy on the internet. I'm a boy of leisure! Skip to the back pages and find me... hehe.

**WHAT'S BEEN YOUR HOTTEST SCENE?** With my hot boyfriend and a mate of ours. Actually no that was really embarrassing and we just kept laughing the whole time. Porn with your BF is sooo not horny! It's much more fun having sex with everyone else! Shhhh. I hope he isn't reading this... I think the hottest scene was in 'Riding Bruno'. I had sex with a 'straight' boy (yeah, sooo straight!) and a young guy with a 10 incher. You should watch it, it's amazing... available now on DVD! A shameless plug for Euroboy.

**WHO WOULD BE YOUR FANTASY THREESOME?** Wentworth Miller from Prison Break and George Eads from CSI: Vegas. Does it have to be a threesome? That's a bit lame. I do more than three usually. Freddie Ljungberg is invited, and Brad Pitt (as long as Angelina doesn't try to adopt me).

**WHAT'S THE KINKIEST THING YOU'VE EVER DONE (OR DONE TO SOMEONE) DURING SEX?** Talked on the phone to National Rail Enquiries. Oh yes, that is true... I had been on hold for bloody ages and I wasn't going to wait any longer! It's amazing what you can do with hands free... I don't know if that is kinky in a good way

though. I guess good kinky would be when I lost my underpants in the toilets in a Soho bar. They were D&G and were brand new, so if anyone has found them can they please return them to me? I could tell you about all the gangbans, but is that really kinky? I do those all the time...

**WHAT'S YOUR FAVOURITE**

**POSITION?** Reverse Cowgirl... oh and the wheelbarrow... that one is bloody hard and the top has gotta be strong or else you whack your head on the floor - they stand up and pick up your legs while you're facing away and support you while they do you. I've seen one done where you're doing a handstand too - that looks fun.

**HOW FAR IS TOO FAR? WHAT WON'T YOU DO?** I won't go outside Zone 2.

**WHAT'S YOUR ALL TIME FAVOURITE PORN FILM?** (Thinking very hard...) 'Riding Bruno'. It is spectacular and I thoroughly recommend it. God, I should go into PR!

**WHICH PORN STARS DO YOU ADMIRE?** Steve Hooper, Pavel Novotny, Dylan Reece, Billy Brandt, Logan Reed, Dean Phoenix... where does it end?

**WHAT ADVICE WOULD YOU GIVE**

**TO SOMEONE THINKING OF GETTING INTO PORN?** Well, the truth is it's great to do for a laugh, but it isn't a career (if you are in front of the camera). If you are a big show off and you aren't shy at all then yeah, go for it. Just hope your parents don't walk through Soho too often so they don't spot the posters of you with your cock out in shop windows! And a really important point - make sure you only do the safe sex stuff. There's loads of bareback porn overrunning the market and whether u want to watch that or not, you shouldn't want to be in it. Also really be aware that it is so not the way you think it is going to be - it is a LOT of hard work. You shoot really long hours, you get tired, your cock aches, your arse is sore, and the last thing you want to do is keep going, believe it or not! But yes, it's great!

**WHAT FUTURE PROJECTS HAVE YOU GOT COMING UP?** I am looking to sign a record deal... be a TV or movie star... any offers? No clue as yet - just taking things as they cum!

See Luke Callum in Riding Bruno by Euroboy. Available at Prowler stores nationwide and from [www.euroboy.co.uk](http://www.euroboy.co.uk).

# Lords of the Jungle

PRODUCTION: **Raging Stallion Studios**,  
DIRECTED BY: **Chris Ward and Ben Leon**

Shipwrecked and washed up on a volcanic island, the allstar cast venture into the thick jungle to escape the blistering sun. Testosterone levels rise until the guys turn to each other, releasing primitive urges. Boasting amazing scenery and a diverse cast of RSS exclusives, superstars and up-and-coming names, 'Lords of the Jungle' features

some of the best al fresco fucking you'll ever see. Jake Deckard (this month's cover guy) takes the leading role. Blake Nolan, Collin O'Neal and Mark La Salle all have major roles and two newcomers Steve Cruz and Rambo debut. Mario Cruz (RSS's 'Passport To Paradise') returns for two scenes, along with RSS regular Jay Black. Long-dogged Jason Crew makes his first appearance for RSS and Matt Cole features in three scenes. The oral scene between Deckard and Cruz is outstanding. Shot on a rocky cliff overlooking the sea, it's culminates in Jake's "hands free" cum shot. The final scene between Deckard and Cole sees Cole, fed up with bottoming in the previous scene, throw Deckard down on a rock and plow into his hairy ass. Fuck the foreplay! Those are this reviewer's faves, but there are ten scorching scenes that will have you hitting the rewind again and again. The second disc features fantastic behind the scenes footage and exclusive interviews – over 2 hours! The most extensive set of porn star interviews ever put on DVD! This film has received 6 GayVN nominations including Best All Sex Movie, Best Director (for Ben Leon and Chris Ward), Best Editing, Best Marketing, Best Videography, and Best Picture. Do you need further convincing that this RSS release is a must-have for any porn aficionado?

Meanwhile Alex Corsi is cleaning the pool. Carlo Cox turns up and soon the pool is forgotten as Carlo fucks Alex on a sun lounger.

Out the back near the shed, Benjamin Stark goes for a piss and soon Luc Bonnay is on his knees slurping on Ben's big meaty cock. This sight gets turns on Phil Stevens and Pierre Sias and soon they pair up. The two couples become a hot foursome and a jack-hammering daisy chain is underway.

Trojan Rock and Adriano Marquez are meant to be cleaning windows, soon they down squeegees and are fucking hell for leather on the lawn.

Poor Ashley is lost in the woods. He asks directions from Benjamin Stark and Luc Bonnay. They show him the way alright. Ashley feasts on their thick uncut cocks before being sandwiched between the two as he gets rogered senseless.

Kent North eventually turns up, having bunked off all day. Carlo, Trojan and Luc pin him down and strip him off. Then it's sucking, rimming and fucking in every possible combination and permutation. If you're looking for a speedy service from a courier company... don't book this one. However, if you're looking for some hot and horny action from a gang of hot cycle studs on the other hand, you've hit the jackpot!

The film kicks off with a three-way sofa scene between super sexy Bruno Slaviero (the star of the film), Mike Stradford and courier boss Carl Cavalli. From here on in it's fuck after fuck after fuck.

Mark Given returns to the office where Bruno is working out his delivery routes. Soon Bruno is getting his cute chute rimmed deep and hard by Mark. With his hole nice and loosened, Bruno's on his back eagerly taking Mark's thick dick up to the short and curls. They

change positions and Bruno rides Mark's cock until he shoots his load over Mark's face. Mark licks up every last drop. Then Bruno's on his knees greedily lapping up Mark's hot spunk.

In the next scene Bruno has paired up with Jon James in the office of 'Greasy Wheels'. They suck on each other's rock hard dicks until Jon bends Bruno over his desk and rims his puckered ring. Flat on his back, Bruno takes Jon's pierced cock. You know from the look of ecstasy on his face as he licks his lips and shoots his load and then swallows all of Jon's thick cum, he's in heaven.

Next up, Luke Callum (see interview on page xx) and Northern twink Titch Jones are getting it on at home. Both guys have massive cocks – he might be Titch by name, but certainly not by nature. He plows into Luke's ass. Luke straddles Titch and takes all 10 inches. Finally he can take it no longer and shoots over Titch's face. Then he sucks on Titch's prodigious meat until Titch gushes torrents!

Later on Luke is in the locker room. Few words are exchanged and soon he's bent over one of the bikes getting his ass tongued. A good pounding later and the cock hungry courier swallows every drop of thick cum.

DVD extras include a solo scene with Bruno, scenes from Euroboy releases 'Innocence' and 'Corruption', trailers, cast auditions and model photos.

# ASHLEY

# RYDER

**AGE:** 25

**WHERE WERE YOU BORN?** Peterborough

**WHERE DO YOU CURRENTLY LIVE?** East London

**DESCRIBE YOURSELF IN A WORD:** Insatiable!

**WHAT DO YOU DO WHEN YOU'RE NOT MAKING PORN?**  
I'm working on a few other projects that I hope to get up and going by the end of this year one of them is a t-shirt company called SHIRTLIFTER.

**WHAT WAS YOUR FIRST SEXUAL EXPERIENCE?** I lived in the country when I was in the first year at secondary school. I used to fool around with a boy that lived on a farm opposite my house. We didn't do anything more than suck and kiss each other; I didn't have sex with a man 'til I was 13.

**LIST THE FILMS YOU'VE DONE.** 'The Apprentice', Freshwave; 'Rudeboize 5', Eurocreme; 'Out In The Open', Alphamale;  
I've got more coming out this year: 'Borstal Boy', Dream Boy/ Eurocreme; 'Rudeboize 6', Eurocreme; 'The Ashley Projects - Broken Innocence'...

**DO YOU GET RECOGNISED FROM YOUR FILMS?** Not really. I haven't got that many films out yet. I get more people asking me if I'm that boy that can fist himself. More people have seen my shows.

**WHICH FILM DID YOU ENJOY MAKING THE MOST?** We filmed a movie in December for the Ashley Projects. The final scene has 3 really hot muscle guys that tie me up and gang bang me. I love being the piggy in the middle. It got very sleazy... lots of dildo action and right at the end two of them pin me down while the other pours wax over my tits and cock. The guys were super huge in the muscle and cock department and when they stripped they all kept their ties on. It was really a super masculine look. The black tie added to their sense of power.

**WHAT'S IT LIKE WATCHING YOURSELF ON FILM?**  
I don't see it as me in the movies, it's like watching my alter ego. I have watched them. I don't watch them more than once otherwise I start picking my performance apart.

**IF YOU COULD WORK WITH ANY PORN STARS, WHO WOULD THEY BE AND WHAT WOULD BE THE SCENARIO?** I think I would love to do a gang bang scene with all the big dicked porn stars out there. All of them with 9 or above like Chad Hunt, Ben Andrews... see which one could break me first. Whether it's with their cock, fist or hard verbal. Would love to see if one of them could really make me cry.

**WHAT'S THE KINKIEST THING YOU'VE EVER DONE?**  
Electro Fisting! They connect an electro pad to either your cock or balls and then one to their hand or arm so when they fist you the electric shock passes through your ass and prostate. Fucking amazing!

**YOU'VE GOT A REPUTATION FOR BEING A BIT OF AN EXHIBITIONIST. WHERE HAVE YOU PERFORMED AND WHAT WAS YOUR MOST MEMORABLE PERFORMANCE?**  
I have performed all over the world now. I have just done one show last November for the Berlin Hustlaball. It was an amazing party. I did the final show with Akos Piros and Buck Angel. The show finished with them double fisting me. It was a big step in my career to work with such big

stars, I couldn't have asked for anything more. But I think the best show I ever did was with a guy for Sleaze at Crash in London. It's a great space to work in. We did an army rape show where I was beaten to submission then my hands were tied together with rope hanging from the ceiling. Then unable to get free, fisted deep. It was sooo hot and there's always a good crowd there.

**DO YOU LIKE TO DRESS UP FOR SEX? IF SO, WHAT'S YOUR FAVOURITE? FETISH?** I'm really into suits at the moment. But when I went to Berlin I was really going for the guys who were in sports socks and footie shorts. It was very sexy to see these guys with their sports socks pulled up to the knee with their hard cocks bouncing under their shorts. Made a change to clubs just full of leather men.

**WHERE DO YOU GO IN LONDON WHEN YOU'RE FEELING HORNY?** If you want a good fucking then the underwear party on a Sunday at Manbar in London is the best. It's always packed and the guys are up for it. They don't just stand around and pose like a lot of other places. They also have a shower room so if you fancy being pissed on by a group of hot guys, no one's going to stop you.

**HOW FAR IS TOO FAR? WHAT WON'T YOU DO?** I don't do brown. I keep being asked to a party in Lyon by a hottie I met in Paris. The pics he sends me from the parties are full of hot guys but the fact they are covered in shit puts me off.

**WHAT DO YOU PREFER: GIRTH OR LENGTH?** Girth for fucking length for sucking.

**WHAT WAS IT LIKE THE FIRST TIME YOU GOT FISTED?** It hurt but I was in safe hands so I just relaxed into it.

**WHEN AND HOW DID YOU FIRST FIND OUT YOU COULD FIST YOURSELF?** When I was about 20 I was bored and horny and it was too late to get someone over. I had seen pics of it before so I gave it a go. I rolled around on my bed for ages without any luck. So I went to shower of all the lube. In the shower I gave it another go and with the help of the shower wall... pop! in it went. I found it really hard to wank and fist myself, which took a while to get right.

**WHAT ADVICE WOULD YOU GIVE TO SOMEONE WHO WAS A NOVICE FISTEE?** Be carefully who you let fist you. Look after your ass - one sharp nail and your fucked. Try and learn how to do it with just poppers and nothing else. If you want it too badly you just won't achieve it. You need to relax. If you're thinking about it too much it isn't going to happen. Every time I have broken a new limit I didn't realise it was happening until the top told me. I was once playing with two guys and they said, "Have u ever taken two fists?" "No?" "Well, you are now!" If I had know they were trying to I don't think it would have happened.

**WHAT ADVICE WOULD YOU GIVE TO SOMEONE THINKING OF STARTING OUT IN THE PORN INDUSTRY?** Never do anything you don't want to do. It is a fun job. It's a lot of hard work and although you are having sex it's nothing like having sex in your own room. It's a lot of stopping for camera changes or still pics. So you've got to keep focused all the time and when you doing a scene for 6 hours it is really draining. I have met some amazing people through this job and had some amazing opportunities thrown at me.

**WHAT DOES THE FUTURE HOLD FOR ASHLEY RYDER?**  
More movies. There will be a lot more shows coming up soon too. And I'll be back in New York for the Black Party.

See Ashley in 'Out In The Open' by Alphamale Media, available at [www.eurocreme.com](http://www.eurocreme.com).

# SUMMER LUST

PRODUCTION: **Sarava Productions /Cazzo Films**, DIRECTED BY: **Jörg Andreas**

It's alright for some. While we sit here in wind-swept Blighty freezing our tits off, these sexy studs are getting hot and horny on a Mediterranean island under a blazing sun.

The star of the film is hunky twenty five year old Keanus Sebastian. With abs to die for and a fat, long, uncut cock, he's the personification of "young, hung and full of cum".

Keanus, his partner Roman and their friend Glauco barely have time to put their bags down and change into their Speedos before Keanus is having it off with staff member Mario, fucking him over a kitchen countertop until he blows his load.

Keanus returns to the pool to snooze while Mario is left to mop up the mess.

Hairy daddy Bruno del Bono arrives with young fuck-pup Ben O'Hara. Straight away they get down to business, Bruno sucking on Ben's monster cock. Ben shoots his load over Bruno's furry pecs, then Bruno sucks the cum out of Ben, quickly flipping him over and fucking him while he's still dripping.

They go for round two on the bed, both cumming in an explosive climax.

Couple Andreas and Cyrus arrive from Berlin. Their relationship is not going well... soon he's clocked Ben.

Ben buggers off, leaving Bruno and runs into virginal Hungarian student Anton. Meanwhile, Glauco has attracted gardener Chris' attention. Soon they're fucking poolside on a deckchair.

Cyrus bumps into Anton and share a joint, soon they're trading blowjobs.

Roman, Keanus and Andreas get down to a hot three-way with Keanus fucking Roman while he sucks Andreas' cock.

The finale sees all the couples that have arrived morph into new pairings, with everyone looking much happier. Even daddy Bruno pairs up with gardener Chris' cheating boyf Ivan... in the cottage!

# Boot Black Blues

PRODUCTION: **Buckshot Productions division of Colt Studio Group**  
DIRECTED BY: **Kristofer Weston**

Poor, (fucking gorgeous) Oliver (Danny Roddick). He's out of a job, he's just been chucked out of his shoebox flat. Homeless, hungry without two pennies to rub together. What's a boy to do? Entrepreneur inspiration sees Oliver set up a roadside bootshine business. Oliver's first customer is superstar Josh Weston. Realising he can make more money from just spit shining boots, Oliver adds his cute ass and rock hard dick to the tools of his trade.

With his newly made cash Oliver is off to buy a sandwich, but finds he's a bit short. Turning on the charm he's soon out the back of the shop with sandwichmaker Simon Angel, shoving his meat between Angel's hot buns.

In a nearby public toilet Colby Taylor is having his big dick sucked by Kyle Lewis. Upping the kink factor Colby handcuffs Lewis to the handrail. Police officer Alex Chandler walks in just after Taylor shoots his load. Left naked and cuffed Lewis has no choice but to offer up his ass in exchange for being unlocked. Chandler cums on one of his boots and Lewis laps it up.

In Scene four Nick Marino unexpectedly walks in on Lucas Di Fubbiano getting his boots polished. Oliver leaves and Lucas gets his ass worked over by Marino's collection of large toys. Thank God for handy manbags!

In scene five big daddy Parker Williams has Oliver come to his place to work on his extensive boot collection. While he's cleaning, Trey Casteel comes over in a horny mood. Soon Trey is chewing on Parker's beefy cock and Oliver can't help sneak a peek at the action and soon he's on his back getting it in both ends. Then he switches and pounds Trey's ass. The scene fades with a big kiss between boy Oliver and daddy Parker. Is this the start of something beautiful?

# Hustling on the Strip

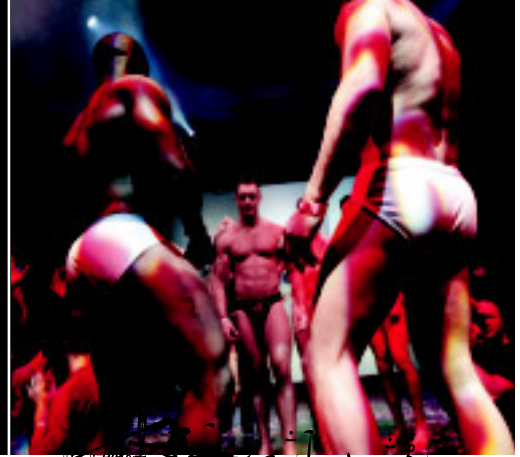

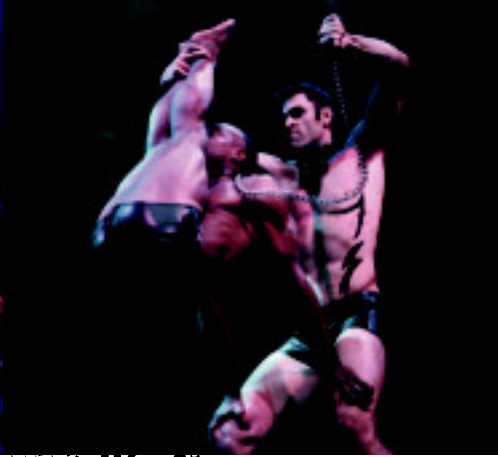

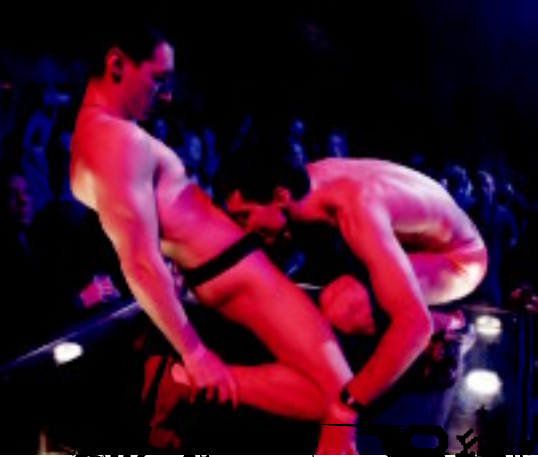

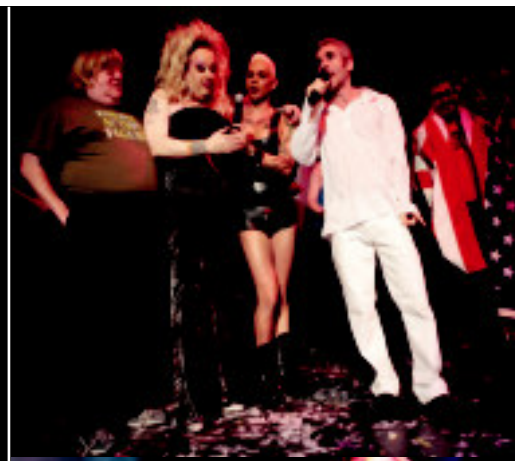

## Sin City hosts the third Las Vegas Hustlaball.

In the middle of January the infamous Hustlaball returned to Sin City, Las Vegas for the third in an annual succession of parties, right at the famous Strip, Las Vegas Boulevard. The wild weekend kickstarted with a party at the legendary Gipsy, Vegas' oldest gay club, with performers and guests from around the world. Each Hustlaball, whether in Europe or the States, has a host hotel. This party's choice, the all-suites Alexis Park Resort, hosted a wet and wild pre-event pool party, that took place the night before the main party. DJ Jack Chang did London proud on the decks while the Hustlaball stars were there in full force, proudly showing off their best assets. However Sin City had some surprises for Hustlaball this year when about seven undercover police officers and an ATF (Alcohol, Tobacco and Firearms) Office showed up and the party, disappointingly seemed over. One of the pre-party guests from the Mayor's office was

outraged by this unnecessary "raid," and literally told the officers to leave. Vegas clearly had an eye on the Hustlaball! It was not until the following night that it became apparent that the crew and performers of Hustlaball were indeed ruling the city for one major night. The main event at club Krave launched with a pre-VIP reception and red carpet interviews with Angel Benton and a huge crowd of onlookers. At the main event DJ Brett Henrichsen and DeMarko kept the main floor throbbing, while Jack Chang provided a sexy aural backdrop in the VIP lounge. Celebrity guests included Bruce Vilanch, porn impresario ChiChi LaRue, Joey Arias, the cast of the Celine Dion show and Frank Marino. Soon it was showtime - well playtime for many of the porn stars - and the rest of the night was taken up with a never ending cast of performers including stars from Hot House, FabScout and Rentboy.com. In addition there were shows from MC Raven O from Zumanity fame, singer and songwriter Ari Gold, erotic dance

duo Kenimattix, Diamondback Annie from GayStockroom.com, Tony Dancer and CJ Madison from Studio 2000 and, of course the hottest dancers and gogos. The one thing Berlin's Hustlaball has on the Vegas event is that in Europe performers can get naked and literally fuck on stage. In Vegas, total nudity is not allowed and sex acts are simulated.

However this did not deter the performers from giving their all, despite the stifling restrictions, went hell for leather, putting the "sin" back into Sin City. The party continued well into the early hours of the morning. The After Party at the fabulous Piranha club was mindblowing. Even Britney Spears swung by at 2am to party with the

boys. Top transgender performer Shequida, brought the house down with an amazing show which included newcomer Shiko Aviance. (Any relation to club legend Kevin Aviance we wonder?). Four long nights, almost busted for some minor sins, glamour and showtime, Britney in panties... phew! Hustlaball returns to Berlin later on in the year, but returns to New York, the birthplace of Hustlaball in August 2007. For more info on this world renowned party for "hustlers, hookers, pimps, streetwalkers, flesh-peddlers, porn stars and other scandalous sorts," check out [www.hustlaball.com](http://www.hustlaball.com).

# Viva Las Vegas!

**Performer Jasper Emerald reports back from the first HustlaBall of 2007.**

Flying to Las Vegas was an experience, that's for sure. I was invited as a performer for the 2007 HustlaBall sponsored by Rentboy.com. I attended the Berlin Hustlaball last October and as my fetish performance went down well, I was invited back by Tom Weiss, President for of Boy.com.

For those of you that don't know, the HustlaBall is a big event with horny sexual performances from escorts, drag queens, porn stars. This is where fans meet to celebrate the best of the gay porn industry. For me, this was my first trip working in Vegas. I was greeted at the airport by a long limo which whisked me off to the Alexis Resort where porn stars, crew and cast stayed during the festival. First up was the opening pool party with DJ Jack Chang on the decks overlooking hung, toned boys in a welcoming hot tub. Later on the pool party was flanked by the Vegas police. I think this was due to complaints that it was getting a little too hot and horny for the employees of the hotel! At the Piranha Club, ChiChi LaRue and Channel1 Releasing were holding their annual bash. I mingled with the porn stars of Hot House and Maleflixx.com. The stylish layout of the club contained glowing toilet sinks and seats and a tank of piranha fish. A friendly, welcoming crowd sipped cocktails, just off the dance floor. Wearing just underwear and cowboy boots, gogo boys like Benjamin Bradley pleased the crowd by flexing their muscles and posing.

Vegas is liberal with all the gambling done there but this is not the case when it come to public performance sex. I was told by the promoters that we could not show cocks and ass holes, so our routine was somewhat tamed down in the rehearsal.

After the opening party the rent-boy limo took me back to the resort where I meet Bobbi Cruz of Boyhunt.us. It turned out they were promoting at the adult porn convention and brought some hot hung studs to accompany him to the gig. I have never been blown in the back of the limo going down the strip in Las Vegas - that was a first!

The main porn party at Club Krave was quite a large event with loads of fans and a great crowd who turned up to see Chi Chi LaRue host the acts. There was a great line up of international porn stars including Pierre Fitch, Mark Williams, Collin O'Neal and many muscled studs from Hot House and Titan Men. I was lucky enough to meet the Sin City Sisters of Perpetual Indulgence, with their make up and glamour they certainly made an impression on everyone in the VIP lounge that night. Sexy routines and music performances came from Pierre Fitch, Foxx from New York, Tommy Ritter, Tony Mecelli of Hothouse and Ronald Laska, a cute young hung European lad from Mans Art.

My performance was simple, Akos Piros, (the Austrian porn star and escort) and I were doing a domination routine on stage at the main party. Wearing my US naval uniform, I asked my Akos to be submissive on stage and clean my boots with his tongue and scrub the stage with a borrowed mop and bucket. After hitting his backside with my belt he would give in to my demands and be rewarded with a simulated bum rim for the crowd - Nice. It all seemed to go down well. I can't wait till the next one!

**26 year old Jasper Emerald is a successful adult performer in the UK. He has worked for Pistol Media's Sex Games series, for Fresh X movie 'The Second Cumming' and for Queer Britannia. Today he works as a porn star for Fetishlad.com and he can be seen performing live shows all over the UK. Jasper also enjoys work as a model and presenter for GAY TV. Jasper is also available for escorting. Check him out as QXMEN's Escort of the Month on page 64.**

# Get hard with Deckard

GayVn Nominee as Best Newcomer in 2006 and Raging Stallion's

Man of the Year for 2007, QXMEN chats to

**JAKE**

**DECKARD**

On his website [www.jakedeckard.com](http://www.jakedeckard.com), Jake confesses that he became interested in porn from a very early age. He admits to beating off over six times a day to guys like Lyle Wagner and legendary donkey-dicked John Holmes. He says he even learnt to use his left hand to wank off with so he could hold them magazines (from his Dad's collection and his step-Mother's Playgirl collection) with his right hand. To this day he's still ambidextrous when it comes to bashing his bishop. Later on Jake discovered Jim French and the classic Colt Man. Guys like Rick Wolfmeier, Jake Tanner and Pete Kuzak – "big, hairy and easy on the eyes" – molded Jake's idea of what men should look like and aspire to.

"So now I'm one the guys making the jerk-off material", says Jake proudly. "After making several videos I've signed with a studio that really gets what man-on-man sex should look like. Being named Raging Stallion's Man of The Year is a real honour. I hope that one day 20 years from now some guy in a bar brings me up in conversation. Something like: "Remember that Deckard- something guy, he was hot, I used to beat off watching his videos." Now that would be cool."

**HOW DID YOU GET**

**STARTED IN THE PORN INDUSTRY?**

Colton Ford helped me make a connection with Chi Chi LaRue

**WHEN DID YOU**

**REALISE YOU WERE**

**GAY?** When I tried to sneak a peek at my uncle taking a shower under the crack of the bathroom door. He looked like Harrison Ford back then. Now he's a born again Christian – not so hot.

**DO YOU HAVE A PARTNER?** Yes, Very much so. His name is Mark. He's an amazing guy. We've been together ten years.

**WHAT WAS THE LAST GOOD PORN YOU WATCHED?** Anything with Alex Corsi/Beresi getting his big hairy Italian ass nailed.

**WHAT DO YOU HATE MOST ABOUT THE INDUSTRY?** I hate working with "gay for pay" guys. It's insulting that anyone even finds a "straight guy" hot for just being "straight".

**HOW DIFFICULT IS IT TO PERFORM ON CUE?** I'm used to the crew now, and slowly it's become a turn on for me.

**WHAT'S IT LIKE WATCHING YOURSELF ON SCREEN?** It's fun. I actually wanked off while watching myself in 'Omega'. It was a little weird though.

**AND WHEN YOU'RE NOT IN FRONT OF THE CAMERA, WHAT DO YOU DO?** I do massage in my real life. I've also started doing some more behind-the-scenes work at Raging Stallion.

**FAVOURITE FANTASY?** To fuck and be fucked into oblivion in a sex club. It hasn't happened in a long time though.

**WHAT DO YOU DO TO RELAX?** I love hopping on my bike and just cruising around. I've also recently started learning how to play the guitar.

**DO YOU THINK THE PORN INDUSTRY HAS CHANGED MUCH OVER, SAY, THE LAST DECADE?** Porn has become mainstream enough that there is a larger audience and more guys willing to get in front of the camera than there has been since the early 80s. I'd like to see rugged type guys become more of a standard. Raging Stallion type of guys for instance.

**AND HAS YOUR OUTLOOK ON SEX CHANGED SINCE**

**YOU'VE BECOME A PORN STAR?** I think it's changed more with my age. I used to be uneasy with the idea that people are still animals, and that I was indeed having butt-sex. Now the more primal the sex feels and looks to me, the better. There's nothing like seeing long greasy hair around your cock when you are fucking ass.

**FAVE PORN IDOLS?** Any guy in old Colt magazines.

**TELL US A BIT ABOUT YOUR ROLE IN 'LORDS OF**

**THE JUNGLE':** We wash up on the shore and fuck like wild animals. I'm the asshole who thinks he's in charge.

**HOW MANY SCENES ARE YOU IN?** Two. I flip-fuck with Matt Cole and I top Marc LaSalle. The first scene with Matt Cole we shot on some sharp rocks out in the back woods of Hilo. With Marc, we shot in some cool lava tubes.

**WHAT DOES JAKE HAVE IN THE PIPELINE?** I've got a couple of big releases coming up: 'Mirage', which is the sequel to 'Arabesque'. Then you'll be seeing me get behind the camera. I'm hoping I can really bring some of my own smutty thoughts to the masses.

**See Jake Deckard in 'Lords of the Jungle'. Available from [www.ragingstallion.com](http://www.ragingstallion.com). Check out the DVD review on page 16-17.**

[www.bangbangboys.com](http://www.bangbangboys.com) / [www.sexgaymes.tv](http://www.sexgaymes.tv) / [www.rearstable.com](http://www.rearstable.com) / [www.hotbarebacking.com](http://www.hotbarebacking.com)

I know it's a cliché and, I can hear the moaning from here, but at [bangbangboys.com](http://bangbangboys.com) you can get more bang for your buck! A nice looking website, [bangbangboys.com](http://bangbangboys.com) offers a website that streams porno straight onto your computer. Naturally, there is a subscription to get this service; at the moment they are offering one month free with a 2 months membership. So what kind of cock is going to rock your cock dock? The site has plenty of 'free preview' videos to give you a good taste of what the site is about, the type of models used and the type of sex. There is nothing too nasty on here, in fact, the models are quite tasty. The stream rate is excellent and the quality is good. Each model has their own profile with pics, and you can rate them accordingly. Joining this site also give you access to other affiliates such as [www.sexgaymes.tv](http://www.sexgaymes.tv), [www.rearstable.com](http://www.rearstable.com) and [www.hotbarebacking.com](http://www.hotbarebacking.com). If [bangbangboys.com](http://bangbangboys.com) don't do it for you, the men on [sexgaymes.tv](http://sexgaymes.tv) are more masculine looking, you know, the chest hair type. These types of men are also featured on the [rearstable.com](http://rearstable.com) affiliate that's an offshoot of porn producers Raging Stallion. On this site you can actually buy the videos instead of just streaming them. The associated site [hotbarebacking.com](http://hotbarebacking.com) pretty much says it all, so please, no moral judgments here! It's between consenting adults. This site also has various free trailers, raw sex and some juicy cock... and that is what it is all about!

[www.euroboysonline.com](http://www.euroboysonline.com)

Twink alert! If you like them young, hung and, of course, full of cum, then [Euroboyonline.com](http://euroboysonline.com) will have it all for you. The boys vary from sultry Mediterranean looks to the Polish boy next store type. Although most are fit looking, a couple look in the need of a few burgers and maybe an hour or two down the gym. How do the Euro boys line up where it counts? Well, there's acres of cock on here. It comes in different formats such as movie clips and photo shoots. By clicking on a models thumbnail you come up with a profile that contains information on each model, including cock size, and what they appear in. The 'new content' version takes you to all the updated stuff and there's plenty of free video previews to entice you into a membership, although you still need to register to see the previews.

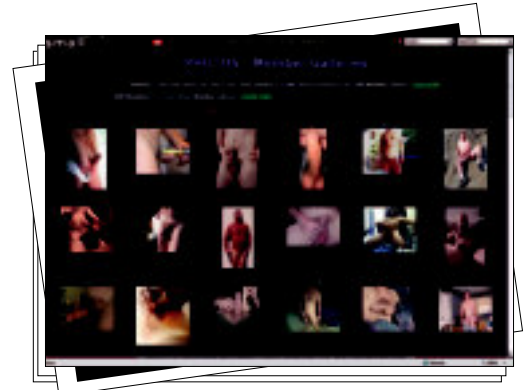

[www.nextdoormale.com](http://www.nextdoormale.com)

This website claims the guys on it are 100% straight, 100% amateurs and 100% studs. While the last two may be right, what 'straight' boy gets it out for the lads? However, if that fantasy roasts your chicken, then this website is the oven to cook it in. It has to be said the preview pics are really lame, mostly soft-core and are stills from the large collection of clips this site has. Signing up gives you video with a lot of wanking involved. There was no 'gay' sex as far as we know, but some hot college type guys. One thing we did like was what we call the 'stalker option' or better known on the website as 'viewer request'. Here you are asked 'Are you mesmerized with one of our Next Door Males?' Then goes on to explain how you get them do you a special video or get into contact with one of them for 'special projects'. Tempting, mmmm?

[www.smalldickmagazine.com](http://www.smalldickmagazine.com)

Size Queens be aware! This site contains a collection of small cocks and those who admire them. It's like Gaydar with one criterion, you must have a small penis. Far from having any prejudice against cock size, I took a dip into this Canadian-based website. The average penis was exactly as the web address suggested, but there was no embarrassment or shame here. A whole page of pics revealed men posing with their chipolatas as if they possessed bratwurst. The sites strap line is quite clever: 'where inches count, but bigger does not mean better'. You can view members' profiles, where it's literally all about the cock (or is that chicken little?) There is even video action. You, however, must be a member to get full access to members' pics and videos.

If you have a website that would be suitable for this page, please let me know by dropping me an email at [brent@brentnicholls.com](mailto:brent@brentnicholls.com). Commercial site, personal homepages, free galleries are all welcome.

# recon'S BIG BANG

Recon's events over the last few months have spanned the globe. Being the world's largest fetish photo personals website, the Recon name ensures that when they throw a party you can bet your best chaps that the horniest, sleaziest, kinkiest guys turn up to party. Toronto, Berlin, San Francisco, New York, Chicago, Ft. Lauderdale, and of course London, have all hosted super successful Recon sponsored events over the last year. The fifth Full Fetish party, held at The Hoist on Saturday 30th December, saw the venue rammed to the rafters with a capacity crowd keen to show off their best gear and their best assets. From shiny rubber enthusiasts to leather lovers in full kit and caboodle, from

young hooded slaves to stogie-chomping daddies, the great mix of guys meant every taste, every type and every kink was catered for. DJ Roberto Varano spun sexed-up sleazy, dirty house: the perfect aural backdrop for such an event. Stripper Leo and Willy the Kid put on a blistering show, prompting testosterone levels to go through the roof. When the lights came on at 4am most guys were still at it! Recon's Events Manager, Antoin Strachan, had this to say, "Saturday night was a fantastic success for **recon**. Our expectations of members and other horny and sexy, kitted-up guys from the public, were far exceeded, but it was good to see everyone having such a good time and literally ending their year with a good bang".

# SQUADDIES @ CENTRAL STATION

by Private Simon McDermot

London's Central Station in Kings Cross is known the world over for its weekly fuck fests, and the latest instalment of Squaddies – its filthy army fetish night – didn't fail to disappoint. Taking place upstairs from the main Central Station bar, in the intimate MA1 bar, a squadron of horned up guys decided to leave their civvies at home and buckle up in their finest army gear, ranging from parade chic to fresh from fighting combats. Very fuckable indeed. Wall to wall army porn made sure that everyone was feeling the horn, thrusting many troops to engage themselves deep behind enemy lines. A QXMEN patrol unit under-covered some very mucky goings-on, many of which Sergeant Major would most definitely not approve of. One group of horny soldier boys made full use of the facilities with a mutual suck, fuck and wank session that left one combatant's boots shining with hot steaming spunk, which was then hastily gobbled up by his willing lieutenant. Meanwhile, the arrival of another troop in his finest parade wear certainly got tongues wagging – and not only in their mouths. After catching the eye of another combat soldier, he lopped out his

thick veiny cock, which the now shirtless soldier instinctively gobbled up. A few quick slaps of it across the soldier's face later, meant that the blacked-out windows of the MA1 got very steamy indeed. Tough looking, a face that could fuck you by just by a glance of his deep blue eyes, and thighs that looked like they'd done plenty of 50K runs, proved this soldier was most definitely the cock of the unit. Promoter Alan, dutifully bedecked in his finest regalia, kept charge of proceedings ordering many new recruits to get down on their knees and keep Sergeant's helmet shined. A no-nancy atmosphere and pumping tech-house also kept proceedings firmly blokes only, meaning no fanning around with chat about work or fashion. Punters knew most definitely what they were there for, making Squaddies one of London's horniest fetish palaces. Cruisy, manly, tough, yet still friendly and welcoming – make Squaddies a date for your diary.

## Stonewall & Riot

Go on, admit it, you just love comic book heroes. All those bulging muscles and protruding packets held in place by the flimsiest bits of lycra...

In the eponymous film, comic artist Joe Phillips sends his super hero duo 'Stonewall & Riot' into an erotic battle for Eros City. 'Stonewall & Riot' is a film for gay men who have always hoped that Batman & Robin are much more than a crime-fighting team.

Excellent images, astounding details, rapid 'tracking shots' and a large colour spectrum keep you entertained for a full 60 minutes. The plot: Diabolical queen 'French Tickler' is menacing the city with a sperm tsunami that she plans to shoot from Dr Van Fockincock's orgasm cannon (seriously!). Can our heroes save the city in time? Cameos from Dr. Dick Cockopolis a former plastic surgeon who terrorises the world with metre-long willies and Analconda, with his deadly anal balls, and other villainous characters provide high camp and kinky fun.

Check out [www.stonewallandriot.com](http://www.stonewallandriot.com).

## Recon Sponsor Footie Team

Fetish website Recon.com have just signed a 3 year sponsorship deal with the Village Manchester Football Club (VMFC), a gay football club. The deal makes Recon the primary club sponsor for the VMFC 1st and 2nd teams, and will see the club abandon their traditional blue shirts in favour of a sexy new red one emblazoned with the Recon logo.

## Steven Scarborough Singled Out in X-Factor Hard Choice Awards

The 13th annual Hard Choice Awards announced this week that Steven Scarborough had been named Best Director for his body of work in 2006, singling out 'Justice', 'Black-N-Blue' and 'Trunks 2' for exceptional notice. This marks the second time this year that Scarborough, the president of Hot House Entertainment, has taken Best Director nod, winning earlier this year at the FICEB award show in Barcelona.

*Justice*, the biggest production to date for Hot House, was also credited with a Best Sex Award for Shane Rollins and Trevor Knight's jailhouse revenge sequence and Best Music for Rock Hard's moving soundtrack (in a rare 3-way tie.) Hot House Exclusive Kent North also took Best Solo for his eye-popping dildo performance in 'At Your Service'; and another unusual nod was given to the entire 21-man cast of 'Black-N-Blue' who took an honorable mention in the Best Oral Sex category. The Hard Choice Awards, the product of lead reviewer Onan The Vulgarian and X-Factor Magazine, a gay publication based out of Phoenix Arizona, are the third longest-running award showcase in the gay adult industry behind the Grabby's and GAYVN Awards.

## Rush in Directorial Debut

Falcon Lifetime Exclusive, Matthew Rush, gets behind the camera with an all-sex homage to Bounce (Rush's debut film for Falcon), cheekily titled 'Bounce Back', due for release in the US on May 29th. Rush has performed in 25 films for Falcon (20 Falcon, 3 Jocks, 1 Mustang) and has become a worldwide name in the industry. Rush said, "The opportunity to direct for Falcon is an honour and a big responsibility. I now have a new respect for all the directors I've worked with. To sit in the director's chair was a big eye-opener for me. This was an exciting experience and I'm already looking forward to directing my next film."

Did you know Rush also acts? He's toured the US, appearing in three of playwright Ronnie Larson's productions, 'Making Porn', 'Ten Naked Men' and 'My Boyfriend The Stripper'. He's also appeared in this year's critically acclaimed comedy 'Another Gay Movie' and has appeared in gay thriller, 'Third Man Out'.

## **MALE BONDAGE BY VAN DARKHOLME**

### **Art Deserves A Witness**

**“Whether you realised it or not, we are all in some form of bondage. What are you tied to? And why?”**

One of the few Asian American gay pornstars, Van Darkholme is of Vietnamese descent. Van Darkholme is a screen name, his birth name is not public knowledge. For a time, Darkholme was a fashion and photographic model. Fascinated by photography, he immersed himself in this hobby during his 20s.

In 2004, Darkholme began to be less interested in bondage in general and became an aficionado of shibari, the Japanese art of bondage and knot tying. Most of his bondage and photographic work today utilises shibari.

Darkholme has performed live on stage with as many as fifteen 'submissive' bondage partners. His bondage shows draw thousands of fans, roped and tied, strung up or suspended. Muscles strain, veins bulge and sweat glistens. Intense, dark and overwhelmingly powerful, these consensual visions of domination are captured in exquisite and passionate detail. 'Male Bondage' transcends mere titillation and we are urged to consider the spiritual subtext and appreciate inherent beauty of this art form.

**Male Bondage is published by Bruno Gmünder.**

# LEATHER INSIDE

PRODUCTION: **Man-Size**  
DIRECTED BY: **Susi Medvsa**  
RUNNING TIME: **100 mins**

Vilem Cage plays a leather-clad assassin. His boss requests that he track down a young rent boy that has run off with his precious briefcase containing his treasured kinky fetish gear. The boss wants his stuff back at all costs and the perpetrator severely punished. Vilem intends to do the punishing with his cock!

In pursuit of the elusive briefcase Vilem is plunged into an underworld of depraved fetishism, where guys get off by dressing up in the kinkiest of leather, denim and uniform, indulging in their perviest fantasies and love of hot male ass. This twisted collective live in a world where every waking minute revolves around domination and submission. Masked slaves, masters in military gear, whips, bootworship and a stable of young, insatiable boy whores fuel this vice den, as one after another they're bent over and fucked rigid.

In the final climactic scene, Vilem finally tracks down the missing briefcase and in a narcissistic solo he opens himself up to his repressed leather fetish. In a ritualistic act he surrounds himself with candles, opens the briefcase and discovers the Leather Inside!

Written and directed by Susi MedVsa, the world famous director of the Pirate Fetish Machine line, she breaks all the rules by creating her first gay movie for Man-Size.

See the trailer and free clip from the movie at [www.man-size.com](http://www.man-size.com).

# AND LUBE

BY DR ALEX VASS

## Condoms

There are many popular duo's, Dolce & Gabbana, Abercrombie & Fitch, Ben & Jerry's, but condoms and lube must be one of gay men's favourite. Used properly, they can protect you against picking up or passing serious sexually transmitted infections like HIV and hepatitis. So why is it so hard to always practice safer sex and use condoms? Maybe it's because we don't know enough about them or find them uncomfortable to use? However, being more informed might mean you are happier to use them, and use them safely.

First off, condoms, like dicks, come in all different shapes and sizes. Too many men use condoms that don't fit well so it's not surprising that they're not comfortable. Differences in the girth of condoms vary by up to 1.5 cm. Too small, and it's likely to spilt, and too big, and it will simply fall off. You can get charts that will match your dick to a particular condom so make sure you're using the right one for you.

Condoms also come in different materials. Most are made of latex and are hypoallergenic. But it is still possible to have a latex allergy that will cause blotches on your dick or make you feel sore after sex. Some types of condom, like one called Avanti, are made from polyurethane. These are thinner, don't have a rubbery smell and have the benefit that you can also use oil-based lubes with them as oils don't damage polyurethane they way they can latex. Another type of condom is made from a resin. One brand called Unique is made by Pasante. It's a very thin and strong condom and can be used with any type of lube. They come rolled up in a credit card sized packet. They unroll over your dick like other condoms but don't have a ring at the end to secure them in place. So with all this choice, experiment and choose one that suits you.

## Lube

Lube is a condom's essential bed partner. The arse does not produce enough natural lubrication so, without it, being fucked can be uncomfortable and can damage your rectum. Not using enough lube can also increase the chances of condoms splitting. Don't rely on the lubrication that comes on condoms because it is just not enough.

For most condoms, use water or silicone based lubes. Silicone based last longer and can be used with sex toys and as a massage oil. But the downside is that it can stain your sheets! Oil based lubes, and that includes massage oil, moisturiser, hand cream or margarine, weakens condoms and can make them spilt.

### Split?

Condoms do split but usually only for good reason. The most common ones are not getting the right size, not using enough or the right kind of lube, not changing your condom often enough, stretching it when you put it on or trapping air in it as you unroll it.

### Where from?

Condoms and lube are on sale almost everywhere nowadays from high street chemists to public toilets. They're also free from GU clinics and GPs. Gay saunas and pubs often have free condoms and lube too.

**A good website to check out sizes, shapes and latest types is [www.freedoms-shop.com](http://www.freedoms-shop.com)**

**Dr Alex Vass is a practicing GP and has worked in the fields of sexual health and HIV. He is author of 'Gay Sex, Gay Health' (Vermillion).**

## Condom myths:

### 1: 'Extra strong' condoms are safer than regular condoms.

Not true. Research shows that regular condoms are as safe as extra strong ones.

### 2: Doubling up doubles my protection.

Not true... Doubling up is never a good idea because two condoms worn together actually increase the chances of condoms splitting.

### 3: They're good for as long as I last!

Not true... Condoms are good for about 45 minutes of anal sex. So once it gets to 30 minutes change it for a new one.

### 4: Lube inside the condom is safe:

Not true... Putting lube inside the condom will make it more likely to slip off or split.

### 5: Any old condom will do.

Not true... Condoms, like food, have a shelf life (of about 5 years) so check the 'best before' date on the back. Also check for a CE mark and a British Standard kitemark. Condoms need to be stored in cool, dry and dark places - not the windowsill!
