PRESIDENT'S REPORT

Season 2016 showed another step forward for our Club toward our goal to return to the position of 'top rugby club in Australia'. Some may question this claim, given that we played in only two grand final matches this year, compared with four in season 2015. But ... this season we won two from two; last season we lost all four.

We aim to be the best of the best, and that means winning premierships.

We aim for other achievements also - maybe we'll never be completely satisfied and this, indeed, could be our fate.

We aim for quality of play, predominately with the ball in hand.

We aim to be tough, accurate and relentless.

We want the most representative players and coaches.

We want a lot.

Season 2016 took us further along this path and we continue to get closer to our traditional game – OK critics, I know we're not there yet, but we continue to make progress in the right direction and we will get there.

So I say "Well done to all of you in 2016 and I look forward to many more steps along that path in 2017."

I congratulate our players who this year have graduated to the Wallabies, the Waratahs, the NSW and Australian U20 teams – indeed into all elite level teams.

I congratulate Morgan Turinui on his appointment to the Melbourne Rebels coaching staff. Painful though it has always been for us to lose quality players and coaches to representative roles, this has always been at the very forefront of our focus as a Club. And, in reality, we don't really lose them. Once you become 'a Randwick man', you are always 'a Randwick man'.

Dare I say that this focus has always served us very well and has always provided opportunity for others to step up to the task – and others always have.

As always, I look forward to next season and to the next game.

Life Members Association Report

Life Members were prominent spectators at both the Grade matches and Colts games during the season, particularly at Coogee Oval and had the opportunity of observing the Rugby and the contribution of the players.

The Association acknowledges the achievements of the Club during 2016 in having three Grade sides and three Colts sides compete in the major premiership series Reserve Grade and Colts Seconds were premiers and are to be congratulated.

The Club is also worthy of commendation for running third in the Club Championship.

Association Activities

During 2016 the Association held meetings on 6 April and 22 September. The Association is a sub-committee of the Randwick Rugby Board. The Association carries out such tasks as the Board may direct from time to time.

A particular role of the Association is to identify and recommend to the Rugby Board members who the Association considers appropriate nominees for the Club's prestigious awards including Life Membership, the Wally Meagher Trophy, Meritorious Service Awards and Inductees to the Randwick Hall of Fame. The Board is the final arbiter.

Life Members were guests of the Board in the Sponsors Area for the last home game for which those Life Members who attended are very appreciative.

For almost 20 years Paul was an understudy to fellow Life Member, Dr Joe Casamento, the Club Doctor and in recent seasons Paul has been elevated to the role of Club Doctor.

Paul served a period on the Club's Board. He is a welcome addition to the Life Members Association.

**For his outstanding service to the Club, the following member was recommended by the Life Members Association and approved by the Randwick Rugby Council for presentation as a Life Member nominee to the Annual General Meeting Wednesday, 25 November 2015. He is

John played 85 games for the Club including 65 in 1st grade. He subsequently coached Colts and Reserve Grade. John served on the Rugby Board and was Deputy President from 2002 to 2004. John was also a very active member of the Life Members Association. He will be missed. Vale John Murray.

Conclusion

On behalf of all our Life Members I acknowledge and appreciate the support and recognition the Life Members receive from the Rugby Council.

As a segment of the Randwick Rugby community, the Association expounds the philosophy of a past commentator of the Club:

“Here is a Club that primarily enjoys its football, enjoys the freedom and creativity of spinning a rugby ball from one pair of hands to another, relishes the chance to race pell mell from one side of the field to the other until suddenly the opposition goal line is breached and plundered.”

The Association extends its best wishes for 2017 to the Director of Rugby, Nick Ryan, the First Grade Head Coach, Shannon Fraser, and the Colts Coaching Director and Club Administrator, Travis Partridge.

From the RDRUFC Chaplain

It is a privilege to serve as Club Chaplain at Randwick Rugby and especially after a number of years of knowing the support staff and longer-term players. The arrival of baby number three for our family in April means we're outnumbered and onto drift defence, which made it harder for me to be around as much this season as I would have liked (on the upside, we're swelling Randwick's future ranks)!

There have still been many opportunities to support the players through the ups and downs of the season, to sit with players until the ambulance arrives and listen to the struggles with recovery, as well as helping newer players to settle in. I'm looking forward to next year, to improving some structures around supporting players, and continuing to help our Club develop not only better players but better people.

I hope everyone in the Galloping Greens community has a safe and special time this Christmas.

Dave Rogers, Club Chaplain

Director of Rugby Report

Season 2016 was another step in the right direction in the Club reclaiming the mantle as the 'Destination Club' in Australian Rugby and to the players, staff and sponsors who contributed to the achievements on and off the field goes a huge thank you.

As a rugby program we look to three values that drive our behaviours:

- Performance
- Learning
- Legacy

Our academic, welfare and rugby programs have shining examples across these areas which have seen many of our players and staff achieve great team and personal success. In particular I would like to acknowledge our two premierships teams.

Congratulations go to 2nd Grade, superbly led by Hadley Jackson, Richard Stanford, Phil Green and David Parsons. To avenge last year's defeat says plenty about the depth and quality we are building in the Club.

Premiership winning 2nd Colts coaches Tom Kellaway and Tim Clifford along with the player leadership team of Jum Woodhill and Sam Horwitz created a great environment for young players to learn and develop their rugby. The future of the Club is very bright with these quality coaches and players coming through.

We see our Club and rugby program as a pathway to higher honours and it was great to see so many of our people make their mark in representative rugby and I would like to acknowledge a few:

- David Horwitz, Ned Hanigan, Andrew Kellaway, Reece Robinson and Lukhan Tui making their Super Rugby debuts.
- Henry Hutchison storming on to the World 7s scene and winning Rookie of the Year.
- Harry Chapman, Vuni Fifita and Simon Kennewell for representing Australia at the IRB Junior World Cup U20 Championships.
- Morgan Turinui securing an assistant coaching role with the Melbourne Rebels.

To the Board, which is tireless behind the scenes and has been instrumental in plotting this new direction for our Club, goes a huge thank you. To call on the calibre of people like Bob Dwyer and Simon Poidevin let alone their fellow board members announces to our players that we possess representative standard administration, as much as on field prowess.

Although we are pleased with 2016 we are not satisfied and we have taken the opportunity to reflect upon the areas we need to improve and identify the people, the skills and the resources we need to help us go to another level in 2017.

Looking forward to sharing a successful 2017 with you all.

First Grade Report

Coach:	Shannon Fraser
Assistant Coaches:	Morgan Turinui and Jayson Brewer
Managers:	Saxon Bowles and Brad Bishop
Captains:	Mark Baldwin and Andrew Deegan

The 2016 campaign began in early November 2015 on the unmarked and slightly overgrown top field at Latham Park. We assembled a group of aspirational men whose appetite for success was enhanced by the season just past and the desire to achieve greater things in 2016.

Well before we were to be judged by our weekly performances, a culture of improvement and accountability was germinating within this group of myrtle men, as was the galvanization of a positive team identity, as well as the reinstating of a true love of the game and Club.

The pre-season offered a significant opportunity to further enhance the technical skill application of the group and broaden the tactical understanding of the modern game and Randwick playing style.

The season started with a rather confronting realisation that while significant gains had been made in the pre-season there was certainly a need for continued growth if our appetite for success was to be satisfied. A narrow escape in round one against a physical Parramatta team was enough to suppress any complacency that may have surfaced through the pre-season and trials.

The weeks that followed not only produced the desired wins but also unearthed a confidence within the group that with focus and hard work anything is possible. The systems and structure put in place appeared to be working and the establishment of a work hard culture evident through the team's defensive efforts – none more evident than the final 10 minutes against Sydney University, at University with only 14 players.

As we approached the back half of the first round, our performances remained strong and reasonably consistent, however the results not as flattering with losses to Manly, Warringah and Norths, all of which by less than seven points and snatched on or after the full-time siren. We were now acutely aware that the 1-2 percenters of performance really matter.

The second half of the season saw our performances fluctuate as a result of not only personnel changes but a loss in set piece dominance. What was strength was quickly becoming vulnerability and a new challenge for us to overcome.

The 'final act' in this production was not a true reflection of the effort, the commitment and the raw talent of this group and as our season ended prematurely, the stature of this group and this Club remain elevated and of strong moral fibre.

I'd be lying if I said I wasn't disappointed in our final three performances, however I am also extremely proud of what this young group has achieved and excited at the prospects of 2017. Our year is close.

The only way to convert inexperience into experience is by gaining the opportunity to learn on the run and through a willingness to risk failure to achieve success. Throughout 2016 the Club provided 17 players the opportunity to play their first 1st grade game while a total of 53 players represented first grade throughout the season.

The leadership of new co-captains Mark Baldwin and Andrew Deegan provided stability and consistency in an environment that unavoidably kept changing.

A special mention must go to our fourteen players who were selected to play NRC. These include David Horwitz, Andrew Kellaway, Ned Hanigan, Reece Robinson, Sam Figg, Mark Baldwin, Andrew Deegan, Will Munro, Mitch Short, Sonny Satuala, Kuki Ma'afu, Andrew Tuala, Harrison Goddard and Sam Croke.

I'd like to acknowledge also those players who wear jerseys 16 – 23 and who standby weekly to support and contribute to the success of the first grade team. The role they play is significant and a vital component to the team's performance. Thank you.

Off the field there has been a great team working to get the players in a position to perform. To my fellow coaches, Jayson Brewer and Morgan Turinui, thanks go for your highly valued assistance throughout the season. I'd also like to acknowledge the fantastic job Michael Stephens has done in getting the players physically prepared on a weekly basis. Additionally, the support provided by second grade coaches Hadley Jackson, Phil Green and Richard Stanford along with lower grade coaches Matt Buckland, Joe Picone and Jeffrey Sayle has been outstanding.

Thank you also to Managers Saxon Bowles and Brad Bishop and also our gear steward and photographer Ric McLellan

Last but certainly not least, I'd like to acknowledge and thank Director of Rugby Nick Ryan for his passion, energy and support throughout the season.

“Culture eats any form of forward planning for breakfast - ”Ben Ryan - Fiji Olympic 7s Coach - Gold Medalists

What a year was had with a fantastic group of players, support staff, friends and family. All of whom are now lifelong friends! To get to the point of having more than 30 players putting their hand up to play in the GF, and continuing to train throughout the finals with no promise of game time, to then getting 30 or more turning up to our Thursday night dinners at different Eastern Suburbs venues every week shows what a group we had.

This group didn't just have camaraderie; these boys have bucket loads of talent, drive and commitment that can only be shown to its potential if they come together as a group. Our job as coaches was then to play to the group's strengths, to keep them confident and fresh and to then analyse what we needed to do to beat the Opposition on a weekly basis.

I said to the boys, “there is no luck involved at the Business End of the year”. Each unnoticed effort from the players, coaches and staff all came together and culminate when the pressure is at its greatest and come together they did on the final day of our season. I was calm on Grand Final Day because I knew the team had done everything in their power to put the best performance on the park. In sport though, you can plan all you like, but you never know how the opponent has prepared and will front up on the day. For us, Easts showed they had not put in the same effort that we had, and we were rewarded with our best Performance of the Year and a trophy to take back to Coogee Oval!

The way this group bounced back at times throughout the year when the chips were down, says a lot about who they are as men. We learned a harsh lesson or two throughout the round robin games, but always managed to keep a smile on our face, learn from it and come back better the next week. Halfway through the year we had a rising injury toll and put our trust in two extremely talented teenage Indigenous boys who are by nature quiet boys, but led our team around the park from 9 and 10 with maturity beyond their years. These two have a bright future in our game. To be down 20 - 0, in a preliminary final against the old foes Sydney University and to come back and win 42 - 27 shows what character and belief in a team can transfer to on the field.

We were led superbly throughout the season, firstly by Jack Johnson, who puts his body on the line the same way he does surfing 15ft waves off Bronte so the boys can do nothing but follow his lead, and secondly to David Parsons, who led us to victory the best way he knows how, by example. This was never

more evident than on Grand Final day, when he showed that no one would stand over him or any one of our other 21 mates out there and try to bully us (perhaps the fact we were up 28-0 at the time eased the pain on me that we were then down to 14 players).

He showed the way and we all went with him!

There wasn't one member of the team this year who put himself above anyone else, and if they wanted to be they were flushed out pretty quickly. We had 4th grade players who would sit on our bench week in week out, and we had no hesitation in putting them on the field when they were needed, because we knew that we would all lift each other out there to get the job done, and they were needed on quite a few occasions but always stood up for us!

To my main man Richard Stanford, he showed what an extremely good coach he is by single handedly taking apart the Easts set piece, and this played a major role in us winning the premiership. The way he not only knew on paper what we needed to do, but relayed it to the boys and got them to follow it to a tee was a testament to how well he did his job!

Also a huge thank you goes to Peter Meagher, Phil Green and the rest of the Medical and Performance Staff; thank you for your time and effort with the boys this year as well as the friends, families and partners of our team who supported us throughout the year.

To the Club, from the board to the full time staff and everyone else involved, thank you for the continued support and opportunity to lead a great group, we trust you all enjoyed us putting that trophy in the Cabinet.

It was a season of 'what might have been'. We started the year full of hope as the boys really ripped in during pre-season and got off to a flyer winning all three of our trial games, the last of which was an outstanding performance to beat Sydney University at University – the perfect way to begin the season proper. Our first assignment was away at Parramatta – the boys got off to a nervous start but our class showed and we pulled away over the last 20 minutes running out 34-7 winners. We backed this up with a win at Gordon and the boys were feeling good.

Round 3 saw us travel back to Sydney Uni..... They came flying out of the blocks and stunned us, we were 20-0 down before we even blinked but the boys didn't panic and reeled them in to lead 28-25 with 5 mins to go however a late penalty and last minute try snatched the game from our grasp – our first loss for the year, 36-28.

Two wins against Manly and Penrith with a loss to Eastwood meant we reached round 7 sitting on a 4 and 2 win/loss record. Round 7 saw us beat West Harbour 45-7 but we backed that up with a disappointing loss away to the Rats which then brought us to round 9 – a home game versus Eastern Suburbs, our local rivals – unfortunately we blew this game – we were 20-14 up at half time but didn't return swinging at all allowing Easts to run over the top of us and take the victory.

A great win against Northern Suburbs the following week soothed the pain but we again backed it up with a shocking performance at home versus Southern Districts the week after losing 3-0! A coach killer!

At this point we lost five of our starting 15 who had planned overseas trips – this left the side a little battered and bruised and meant we only managed three wins out of the remaining games beating Parramatta 43-0, Southern Districts 34-12 and West Harbour 41-12 – we had two heartbreaking losses to Uni 15-14 (penalty kick on the bell) and to Easts 25-22.

We finished the season with 9 wins and 9 losses and missed out on a finals berth by 4 points on the competition ladder – 1 win was all we needed to have made it to the finals..... There were a lot of positives from the season and we will see almost all of this very young side return next year with more experience and a better idea of what is needed to make the top four in a very competitive grade across all clubs.

Marty Kiernan decided to step aside due to family commitments this year and I thought it would be a nice time for me to step in and continue the strong foundations which he has laid down. Over this year I have gained a greater appreciation of Marty's hard work.

Dealing with, at times, 50 plus players and only having a 60 minute game to provide them with was quite the challenge. However, the team got on with it and trained hard to improve their fitness and skills which had us early front runners with significant victories over Sydney University and arch enemy Eastern Suburbs.

As the season went on we dropped our guard and let in some losses which therefore resulted in us dropping down the ladder to 5th place. A potential spot in the finals for the first time in two years saw the players regroup and show the courage that's within them to bounce back to take on Sydney Uni in what can only be described as rubbish conditions. The game itself was of the highest order with lots of courage displayed and an ample supply of adventurous rugby with the heartbreaking loss in the last minute. I was never more proud of them on that day as they exemplified the characteristics of what it means to play for this Club. With Tom Weber's inspirational leadership (Thanks Tom for your efforts this season and one more year around the block for you "Captain my Captain") we all now know we can match and defeat the best in this competition. We have them in our sights and we will be coming after them in 2017.

Congratulations go to Jerry Morkos for best and fairest and Valerio Ricci on the Barbarian award.

It's my pleasure to announce the Dick Quinlan award for best clubman in 4th grade which is Luke Roughton. His play was of the highest standard and was a pleasure to coach

Many thanks go out to Ian Holder for his non-stop dedication to the team. Mate, you are a great Randwick man. Thanks also to my other manager Allen Stutchbury who is a good mate of mine and of the players. When Big Show suffered what at the time looked like a catastrophic neck injury the one person he wanted by his side was Allen. This shows the degree of affection the players have towards Allen. All wish him well for his global gallivanting and hope to see him down at the games next year.

Thanks go to Nick Ryan for all the hard work put in for players. The shape and skills drilled into them worked like a charm, thank you.

Further 'thank you's go to many people who gave their time and efforts to the players in 2016. A particular shout out goes to Clarissa; her support (including the biscuits and cakes) is what binds a club. To Dan Dowe, thank you for the million and one things that you do for this Club. I get tired just looking at what you get up to! Thanks also go to Chris Fraser and Mike Lewis (with strange match day hats), for their much appreciated efforts.

A hearty congratulations goes out to both 2nd grade and 2nd grade colts on their victories this year. Well done gents!

Finally to my co-coach Jeff Sayle and patron of the Club. A man whose knowledge and passion is not matched anywhere. Thank you Jeff, your wisdom is invaluable.

Thank you all and best wishes, **Joe Picone**

Director of Colts Report 2016

This year the Randwick Colts continued to take steps in the right direction. 3rd Colts placed Minor Premiers, 1st and 2nd Colts placing second, with each team only losing three games in a long grueling regular season. We have taken the right steps in terms of depth and quality across our program. Finishing 2nd in the Colts Club Championship was a great achievement. However winning the 2nd Colts Premiership was the biggest achievement of 2016. Led by coaches Tom Kellaway and Tim Clifford the 2nd Colts boys achieved a huge success in bringing home a Premiership that has been dominated by Sydney Uni for the past 12 seasons.

From November through to August 70 boys gave 110% week in and week out.

From our Australian 20s representative players to the young local players on the bench in 3rd grade Colts, each player had a common goal, to work hard for their mates and wear the myrtle green with pride. Our program continued to provide pathways for our representative players with Harry Chapman, Vuni Fifita, Sepesa Tarogi, Tom Molloy and Tom Pirrodi all exposed to the Australian 20s in 2016. Our 1st Colts Captain Jack Hayson captained NSW 20s through the Super 20s along with eight of his team mates in the 20s squad.

The year would not have been so successful if it wasn't for our volunteer coaches and support staff. Our rugby coaching staff of Rod Cutler, Tom Hart, Tom Kellaway, Tim Clifford, James Lancaster and Michael Clarke were a great staff to work with. The time they put into their roles went above and beyond what was expected and they were the reason we were so successful.

Adam Herbert led our S & C program superbly well, providing a program that kept fit and strong players available to the coaching staff all year. Our managers were brilliant through the year, led by 1st Colts manager Sam Williamson, Sean Cooney ran our 2s and Graham Neville superbly in charge of our 3s. A big thank you goes to the staff at Eastside Physio and additionally to valued Club Doctor Dr Paul Raftos for their contribution through the year.

2016 proved to be an interesting year for Randwick's 1st Colts. Missing eleven players through the early part of the season to representative duties provided the opportunity for our depth to be truly tested. Our squad was a great group of young players who worked incredibly hard throughout the year but struggled to reach their full potential. Injuries to key personnel, representative duties and a change to the coaching staff were all factors that affected the team. However they never offered any excuses and just always pushed harder to get better and improve. Finishing outright 2nd with 15 wins from 18 games is a tremendous effort by all accounts; however this team knew they had more. A loss against local rivals Easts in week 1 of the finals put us in a tough semi-final against Sydney University, and we were not good enough on the day.

The team was led by lion-hearted skipper Jack Hayson with support from Tom Molloy both leading by example all year. The two senior leaders were given solid support from 1st year players Lochie Simpson, Pesa Tarogi, Harry Chapman and Nath Gittoes. Best and fairest Justin Cooper was inspirational through the year and will return in 2017 together with fresh faces to give the competition a real shake!

A special thanks to assistant coach Tom Hart and the rest of the coaching staff for all their support through 2016.

Season 2016 saw Randwick out to topple arguably the longest currently standing hold on a premiership trophy in Sydney Grade Rugby. Sydney University had held the Shell Trophy for the past 15 seasons, defeating a gallant Randwick in a nail biter in 2015.

After a bumper season of recruitment and development of our existing players, the Coaching team entered the season highly enthused about the potential of this team, but were cautious of the scenario, knowing how temperamental a second grade side can be, being affected by injuries and player movement's week on week.

Season 2016 started with a solid, albeit uninspiring win against Parramatta in some rather extreme heat at Latham Park, what followed somewhat pushed the team up against the walls. A 28-0 loss to Gordon in round 2 and a 39-10 loss against reigning premiers Sydney University in round 3 set the team on a desperate soul searching mission. After a couple of long discussion with the wider playing group, and a refocused attitude at training, the team bounced back to record a 129-0 win against Penrith in round 4.

From round 4 until round 14, the 2nds side charged forward unbeaten, including a tense 31-27 victory over Southern Districts at Forshaw park, with 24 points coming in the final 11 minutes of play from Randwick, and a 1 point victory over norths with a penalty from Dion Narayan after the full time siren.

The purple patch of form saw the side take wins against Eastern Suburbs at Woollahra Oval, in a dominant display and in the return fixture, as well as wins over Manly in the bucketing rain, Eastwood at TG Millner and Warringah at Coogee.

Round 14 saw the team take on Sydney University, and in a case of Groundhog Day syndrome, Sydney University led 24-0 at half time, with the final score ending 24-7 to Sydney University. This would be the final time we would have exposure to Sydney University, knowing that a premiership would need to find something special to topple the reigning premiers, and collect a first victory over the students.

The side recomposed themselves and dispatched Southern Districts, got out of jail against Eastwood and beat Warringah comprehensively to enter the finals 2nd on the ladder after a long and gruelling season.

The Club presentation night saw Elliot Robbins our star flanker capped as the Best and Fairest for the side, recording 14 votes, including 4 man of the match performances. He was closely followed by inspirational captain Jum Woodhill, hardworking backrowers Ryan Kenny-Wilson, who missed half the season with injury but polled strongly in the opening 8 weeks of competition, hardworking centre Steve Gibson and big running lock Alec Corcoran.

Round one of the finals saw the side take on Southern Districts at Forshaw Park. Despite a week of rain, miserable weather, a raft of injuries, resulting in the side fielding a make shift backline with players tacking the field well under 100%, the boys were able to come out the other side with a 1 point win. This was arguably the game that turned the season. After having been shown up by Souths earlier in the season in the scrum, the side dug deep to produce a display that drastically reduced the impact of the souths pack, this including taking 2 penalties at scrum time. Despite incurring a late penalty try due to the strong

pressure applied by the Souths scrum, it was largely this determination to fight at the set piece that gave the backs the platform to attack Souths out wide, causing them grief all over the park.

The Souths victory pinned Randwick against Norths at Chatswood Oval. Having the chance to watch Sydney University remove a subpar Gordon outfit in the first semi-final, Norths now stood in the way of Randwick having one final shot at setting the record straight and ending the unbeaten run. However, Norths were no easy beat side, coming off the back off a 50 point flogging of Gordon a week earlier.

It was this display that set the side up for what was to come. On a sunny winters afternoon in Chatswood, Randwick completely annihilated Norths, taking the semi-final 48-26. Every aspect of the game was as good as it could be, with the forwards setting a dominant platform, playing field position well and the backs running riot, led by playmakers Dion Narayan and Pat Pellegrini. Dan Boardman was immense in the centres causing a type of grief Norths hadn't before experienced.

When the siren went following the semifinal victory, the celebration was short lived, as the boys grouped together and set the target. One week from this point, they would be champions. No other result would suffice.

A week of training came and went, despite the weather doing its best to throw everyone off, with both sessions taking place in torrential rain.

The Grand Final would be played at Forshaw Park, the home of Southern Districts, whom Randwick had beaten in the 1st round of the finals. Buoyed by the victory of the 2nd grade side the day before, and backed by the words of the 2nd grade captain Dave Parsons at training on Thursday evening, the boys prepared for the game as well as they had all season. Something about this day was different. A largely undeserved sense of favouritism, a feeling of calm emanated from the entire squad, and from them all a sense of complete confidence that they had the tools to do the job.

The game started poorly with Sydney University crossing for a soft try 10 minutes into play. Despite the setback, the boys returned to the centre to start over again, as they had so many times before. Within 5 minutes of the restart, Lock Alec Corcoran was over for the first of his 5 points after brilliant lead up work from Jum Woodhill, Jack Harrison and Dan Boardman. Shortly after the restart, Corcoran was over again from close range, taking Randwick to a 14-7 lead. The students looked shaky, and it finally broke 10 minutes from half time with the university scrum completely disintegrating under the immense power of the Randwick tight 5 of DJ Tifa, Will Anderson, Keiran Bonnin, Esei Ha'angana and Alec Corcoran. With the final play of the half winger Gus Simpson turned on the footwork to crash over out wide, sending Randwick into the sheds 19-10 in front, the first time in the season Randwick had led Sydney University at any point.

Following oranges, the boys set about taking charge, marching down into the University 22. For the next 15 minutes, the team battered the line with backrowers Lewis Allen and Joe Whitelock trying every trick in the book and Sam Horwitz marshalling the troops over and over. After what seemed like an eternity, the gap appeared and classy fly half Pat Pellegrini waltzed through the gap to score to the right of the up rights.

University would reply with a try of their own shortly thereafter, but needing something to put the game beyond doubt, the forwards marched the ball deep into University territory and after repeated raids at the line, like so many times before, Dion Narayan crossed to give Randwick what felt an unassailable lead with under 4 minutes to play.

University would score almost from the kick off to bring it back to a 7 point game, however from the final restart and final play of the game, the University fullback was unable to take the ball cleanly, losing it forward, and just like that, the run was over. Randwick had gone in as the under dogs, trained through storms the week of the game, had endured team changes week on week, with the same 15 taking to the field once all season, being the major semi-final and grand final, and those were the two games in which it

mattered. The 15 year streak was over; Sydney University would lose only its second grand final attempt of six for the weekend.

The second grade colts side this year was blessed to have had so many players of such quality, but also so many boys capable of leading the side around the park. Jum Woodhill, Sam Horwitz, Jack Harrison, Keiran Bonnin and Rory Williams all provide a huge level of input to the team this year as leaders, and with such a young side, their contributions were invaluable. We had a number of school boys play with us this year in DJ Tifa, Michael Midson, Esei Ha'angana, Josh Noonan, Pat Pellegrini, Will Harrison, Callum Quinn, Sione Thomas and Fui Gibson. The fact we were able to blood so many young men bodes extremely well for the future of Randwick rugby, and the colts program.

What we achieved this year was entirely down to the dedication and commitment of this group of men to achieve something history said they shouldn't be able too. Their resolve was second to none, their attitude was exceptional and they should all be extremely proud of what they were able to achieve.

Special thanks goes to the colts coaching group of Travis Partridge, Tom Hart, Rod Cutler, James Lancaster and Michael Clarke for their support and help in getting the boys to the pinnacle, and special mention to Travis Partridge on his legendary water boy skills on grand final day lifting the boys every time he was able to get on the pitch. To Adam Herbet the genius S & C specialist who kept the battered bodies on the park. To our colts team managers Sean Cooney and Sam Williamson, thank you for your continued time and patience. To the Second Grade side for their time and kind words during grand final week, especially to Declan O'Donohue, Dave Parsons and Hadley Jackson for being a constant source of support and guidance. Lastly thank you to Randwick Grade players Mitch Short, Ned Hanigan, Andrew Deegan, Nick Kellaway and Andrew Kellaway for spending the final Thursday training session training with and against the boys for the night. Your input and time was so unbelievably valuable to the boys, we truly believe we couldn't have achieved what we did if not for your time and help.

Season 2017 will see us defend what took us 15 years to claim. The Shell Trophy isn't going anywhere in a hurry!

3rd grade Colts was heavily subscribed to this year and as a result Clarkey and myself had the pleasure of juggling a bench most weeks of 10+ boys.

Never the less in typical Wicks fashion and dedication our bench players approached training and match days with the same intensity as that of the first grade Colts boys. They are a credit to the Club and if it wasn't for those fringe players we wouldn't have won the Minor Premiership this year.

At one point we had about nine wins on the trot but couldn't take out Uni the two times we met during the season even after taking the lead in both games. In the Semi Final against Uni (after a disappointing loss to Norths the previous week) Uni managed to come from behind in the last minute of the game to steal victory thanks to subbing on a 1st Grade player who helped get them over the line. Subsequently the following week they won the Premiership against Easts. Am I still bitter? You bet I am haha! but nothing detracts from a very successful season with a champion bunch of young blokes, some of whom are still at school in Year 11 and year 12. The future looks great for these Wicks boys and Clarkey and myself look forward to Season 2017.

Special thanks from all the 3rd Grade Colts family goes to:

- Manager Graham Neville
- Adam Herbert for his excellent work and commitment to the team not just in training but on match days.
- Peter Dumbleton for training the backs twice weekly throughout the season
- All the Colts coaches for being legends.
- Kai L and Harry C for their awesome ball boy skills

Reports from Randwick Junior Village Clubs

Clovelly JRFC Report

The 2016 season saw twenty-two teams enjoying their rugby experience in the blue and white of the mighty Eagles. From our brand new U6s exploring their first touch of the game to the now skillful and seasoned U12s, I hope all 300 of our young players have continued to gain from being part of this Club.

In addition to the development benefits that the physical side of our game brings, I'm a great believer that participation in team sport opens up opportunities for kids to learn to be part of something bigger than themselves. Our Coaches carry the responsibility of having the greatest influence on the way our kids experience those opportunities and so, foremost, our thanks as parents goes to all who took on that role again this season.

Our fourteen magnificent minis teams, from U6s to U9s, acquitted themselves well at the carnival like mayhem that makes up a Saturday morning at Nagle Park during winter. The Club has amassed a particularly strong age group in this year's U9s and I'm looking forward to seeing their transition into the more competitive Friday night competition next year.

In the Sydney Juniors Competition, for our U10s to U12s, our eight teams experienced mixed results. Whilst most were competitive, some had a long season on the wrong end of the scoreboard and full credit must go to the players and Coaches who hung in there for some serious 'character building'.

Whether our current U12 teams continue next year with the Eagles, be part of the Myrtle Green Warriors or concentrate on school sport we wish them all the best and hope they carry some great memories from their time at the Club. Their time on the recently completed, and always successful, NZ tour will have added to those memories.

Congratulations to our players in the U10s, 11s and 12s who were selected for representative duties with Randwick. From trialling to training and travelling, it's no small commitment and from all reports they were a credit to the Club. Good luck to those who've put their hands up for the Academy activities across the summer months and a big thanks to our Coaches and Managers, past and present, who volunteer to help with both of these programs under the seasoned hand of Jim Dubos.

This season saw a first for the Club with the establishment of the position of Club Coaching Coordinator. This position has been discussed at Committee level for the past couple of seasons and the intent is for the role to provide support for the team coaches and some consistency in approach to skills development across the teams. It was determined that we would trial it this year and we were fortunate enough to gain the services of Craig Morrison who brought with him both a high level of relevant experience and a knowledge of, and connection with, the Club. Reports the Committee have heard have been positive as we review how to make the role as effective as possible next season.

As always, we are thankful for the ongoing support of our sponsors whose contributions take some of the burden from the many duties of any volunteer run entity.

Many may not realise that both Randwick Juniors and Sydney Juniors are, largely, volunteer run organisations, without which we would not have a competition to play in, so we thank them for their efforts.

To the, often unsung, work horses who are our Team Managers, thanks for your efforts. It's probably only another Manager who knows how much work you do and we are fortunate enough to have some great ones.

Lastly, for everyone who helped make the Eagles' Social Night, once again, the hottest ticket on the Eastern Suburbs' social calendar, take a bow. From the organisers on the Committee to our Treasurer, Richard Schall, and the

Hummers, who donated their time and talent, to all who made an incredible effort to dress up and get into the spirit - many thanks. I can't wait to see how we top it next year.

Wishing everyone a great summer and safe return in 2017.

Go the Eagles.

Coogee Junior Rugby Report

Well that caps off another great season for Seahorse Rugby, highlighted by our Mighty Minis (6-9s) and Tenacious Juniors (10-12s). This year saw some great ball sharing and slick support play from all our teams, coupled with great tagging, tackling and cleaning out. Improved scrummaging, rucking and mauling should also get a mention.

Thank you to all the Coaches and Managers for all of your endless support and guidance for our young Wallaby Wannabes. The level of skills and preparation, behind the scenes, was a real credit to you all this year. Several Junior teams made the 'B' and 'C' Grand Finals, but special mention should be made regarding Kelly and John Kennedy's U11 Whites for being undefeated all season, although sadly defeated by arch enemy South Coogee in the 'A' division Grand Final. Watch for the Seahorse revenge in 2017!!

Thanks to all of the parents who navigated their way around Sydney, in a trance, to the smell of coffee, bacon, eggs and BBQ! Your positive encouragement and passionate support made sure that all our teams lifted to their potentials.

A great big thanks to our fundraising committee this year, including Jacquie Folsom, Jo Habler, Natasha Byrd, Rachelle Scott and team; an awesome achievement from the team, with special mention to Bec Waugh for helping secure the Coogee Bay Hotel for our raffles each week. These girls made this year's Brisbane Tour much more accessible for the U10s and 11s, top effort!

A very special mention must be made of The Wrap editor Mark Elizondo, who patiently encouraged teams to enter their weekly input about their games. Without Mark's efforts our great magazine would have sadly fallen away, after 50 years of tradition. Mark has had his own private battles with health recently and we wish Mark and his family all the best.

Thanking you to Marianne Perrottet who was able to tidy up our website. That whole web design language is so foreign, we don't know how Marianne does it, so well done. Great support too was offered by Gary Chen as our kit manager, in what can be a confusing and tricky role at times.

Well done and thanks also goes to Phil Elkington too for always being present at the Club. Phil's words of wisdom to the players is always valued.

To Rachelle Scott, our Registrar, who managed to fit SJRU's program, 'My Rugby' into her new life as a mum, deserves a round of applause! An incredible effort with a difficult program and minimal support, taking multi-tasking to a new level. Go easy gents!

Many thanks go to Coaching Coordinator, Simon Thorp for his tireless efforts, input and support. Simon's ideas for the Club have always been full of merit, and worthy of discussion.

To Alison Garratt, many, many thanks for your unwavering support these past two years. Alison always gave her heart and soul for our Club and nothing was ever a problem, even in difficult times. Thanks also to your family support from Jack and Phil, who were ever present. That said, thanks to all the families who supported their committee members this year.

That brings us to the South Brisbane Magpies Tour at the end of the year. Yet another great success after 42 years of tradition. The Brisbane Tour Committee picked up where the General Fundraising Committee left off raising a little extra to ensure all players went for free.

The team comprising of Kelly Kennedy, Patricia O'Keefe, Chloe Sawyer, Karen and Mark Elizondo, Belinda Sullivan, Andy Prior, Simone Smith, Mark Doull and Coaches, took our U10s and 11s teams slipping and sliding around Wet N Wild before dropping the players off to their billets and families. We were then hosted by the Souths Committee and parents to some real Aussie cuisine with beverages. Thank you to all the tour sponsors also, couldn't have done it without you.

On Saturday, parents chose to see the sights, visit family or join Panda's Tour and Pub Crawl, led by the famous Panda himself, allowed out of the zoo for the day. Everyone made it home to sleep safely in bed (or cafe) with Sunday's excitement of four great games of Rugby between the two brother clubs to follow.

Parents continued to remain well hydrated thanks to the brilliant hospitality and it was 'Happy Birthday Warwick Waugh', who continued to challenge loving brother-in-law, Owen Finegan, to Olympic style events...A Birthday Boy victory!

As the sun faded, the presentation saw all the boys get Souths beanies, whilst we presented the Dargin family with a framed, assorted, tribute to the great Richard 'Dick' Dargin, who coached both of our black

and white clubs. Coogee then boarded the bus with the Richard 'Dick' Dargin Memorial Shield for a very lazy and snoozy trip home.

The feedback from the hosting billet families was nothing short of excellent, highlighted by the good manners shown by our boys. The joy on the faces of our own parents was also great to see, as they had all had such a relaxing time away from the rat race of Sydney. Planning has already started for our hosting duties next year when Souths come to Sydney with their U11s and 12s.

Special thanks go out to our sponsors, below, as we could not function without your support:

Craig Sewell - Mint 360 Property;

Patrick Lyons - Coogee Bay Physio;

Dease Henwood - FI-TA ;

AMart Sports Randwick;

Little Jack Corner Coogee;

Champ Mouthguards.

A big thanks to Craig Sewell for going around again in 2017.

Sincere apologies if I have forgotten any 'thank yous' to anyone.

Thanks to my wife Kass and the kids for your patience supporting my role with the club.

Time for all to get out the sunscreen, hat and swimmers and hit the beach.....

Have a wonderful, safe, Happy Christmas and Festive New Year and see you all in 2017.

Best of luck to all of our current U12s boys who will be heading off to other ventures next year. Thank you for all of your contributions and commitments to the Club.

Remember...

Once a Seahorse, Always a Seahorse !!

Maroubra Juniors Report

The Maroubra Missiles Junior Rugby Union Club enjoyed a fun and successful 2016 season fielding six teams in the U6, U7, U8, U10 and U12 age groups. That's an increase of two teams which has been a great result for the Club.

Our players had a fantastic season with two U6 teams having a fun time making friends and learning the sport, the U7 and U8 sides winning more than they lost, the U10 side finishing 7th and getting through to the Plate semifinals and the U12s finishing a well-deserved third and playing in the finals series.

The Minis teams had some great experiences running out for the pre-match entertainment at the mighty Wicks at Coogee Oval. The boys loved the attention and hopefully we'll see some of them go on to play for the Galloping Greens!! The Minis also had a wonderful day of rugby at the Dukes Gala Day at the end of the season – special thanks goes to Billy Hodgetts!

The U10s played their first year of junior rugby with home and away games across Sydney. They also had their opportunity to try out for representative rugby. The boys did very well with Jacob Edwards, Conor Joyce and Jonas Dowling all making the U10 rep sides and doing the Randwick district proud.

Like all clubs, sponsorship is extremely important and allows the Club to buy player uniforms, provide training gear such as balls and tackle pads, train parents to be effective coaches and to provide an equity fund for low income families. We are particularly proud of the equity fund as it ensures that cost is not a barrier for local kids to participate in rugby. A big thank you goes to our sponsors Benny and The Pets, Eastern Suburbs Smash Repairs, TrophyLand, BH Ducting and NSW Contracting.

Last, but not least, a big thank you goes to our committee and parents who have attended meetings, staffed barbecues, sold endless raffle tickets and more importantly bringing their kids to training and games each week.

All are looking forward to a bigger and better, mighty Maroubra Missiles in 2016!!!

South Coogee Junior RUFC “Red Devils” Report

Firstly I would like to thank the South Coogee Committee. The support they have given the Club and myself over the year has been amazing, this is not just limited to canteen duty and game days but all that is involved in running a successful junior rugby club.

A big thankyou also to the Coaches, Managers and helpers of all our teams from U6s to U12s inclusive, who have helped make this year a success It is such a rewarding experience being able to help our up and coming sporting superstars.

This year we had four of our teams make the final series with our U11s Red team taking out the premiership in a wet hard fought game against Coogee Seahorses, it was a great game from both sides and I was very happy to be there to watch our boys all come together as a team and take out the cup.

I would also like to say a big thankyou to our two major sponsors this season who were Marnie Seinor McGrath Real Estate and Don Small Goods, we are very thankful for your continued support over this year and all the previous years also. We look forward to having you on board next year.

I am looking forward to another great season in 2017 and I am sure that our little club will keep growing and building in numbers.

Randwick Myrtle Green Warriors

Randwick Myrtle Green Warriors (MGW) is a relatively new club targeting U13-U16 players who want to continue playing club rugby on the 'Pathway to Randwick Colts'.

In what was an outstanding result in only our 3rd season all MGW U13s made the finals and the U15 and U16s took part in Grand Finals.

Our MGW U13s coached by Craig Bell and Stu Donaldson also reached the Semi Finals however went down to a pretty handy Southern Barbarians side. The 13s really developed as a squad this season, with Wallaby and Wicks legend Simon Poidevin running the water and leading the boys in McNamara's band after each win. They also took part in the "Coffs 10s" which was a great rugby tour and bonding experience for the boys.

The U15s coached by Keiron O'Byrne and Mark Mellick and mentored by Jeff Sayle, showed true guts as they found themselves down 29 nil playing a super-sized Canterbury outfit. In true Randwick spirit they dug in as a team to win the 2nd half convincingly 3 tries to 1. Our 16s coached by Lancelot Tasipale came up against a strong and disciplined Lane Cove outfit, but can still hold their heads up on a good season including making the GF. Whilst GF results didn't go our way, there was true Randwick club spirit and courage on display by the bucketload at Rat Park. To see the MGW 16s form a tunnel for their 15s club mates as they left the field is what Wicks rugby is all about.

Sincere appreciation also goes to our Foundation Sponsor Mellick Wealth Management, Coogee Sports Club and Mitre 10 Kingsford for sponsorship this season. The valued support went a long way in getting the kids on the field. Special thanks also go to Jim Dubos and David Caple and family for their tireless efforts in keeping the Randwick MGW junior rugby dream alive.

Lastly the Senior Club is now offering our MGW U16s a "Transition to Colts" program providing the opportunity for the boys to go through a full Colts off-season, training with the senior club then playing in the Sunday SJRU Opens competition. This program will allow players to upskill and access vital strength and conditioning, the direct result should be more local players delivered into the senior system "Wicks ready". I would like to thank Ian and Tom Kellaway and Travis Partridge for supporting this very important retention initiative.

That's the MGW report for this year; the pathway to Randwick Colts will continue in 2017!

Randwick Juniors Report

2016 saw once again an amazing number of juniors take the fields in a variety of competitions across age groups 6 to 16 years. Randwick Juniors are extremely appreciative of every volunteer across all village clubs who man the BBQ each week. Without their generous support the clubs would need to find other means to raise funds to help get our kids on the field each week. Special thanks is sent out from all junior village clubs, parents and players to the **Randwick Rugby Foundation**. Without this ongoing support we would not have any kids playing rugby in this district.

Minis

The Randwick / Easts combined minis comp was once again a fantastic success. All age groups from U6 through to U9 were well represented.

U6 had 12 teams, U7 had 10 teams, U8 had 14 teams and U9, 13 teams. We experimented a little this year and allowed each age group to have up to two more players on the field at any time which in turn gave all of the players more game time and most teams took up the opportunity (all teams were still forced to match the opposition numbers so there were no advantages). A big thanks goes to the SJRU team for facilitating the draw for the competition. We ended at v.4 so that tells you what a great job they did for us.

Juniors

The juniors compete in a Sydney-wide competition consisting of a Friday night and Sunday fixtures. The Friday competition is mostly conducted at Latham and Nagle Parks as both locations have two grounds.

- **Friday comp**

This competition consists of teams from the Randwick, Easts, Canterbury, West Harbour and Petersham areas and most age groups consisted of more than eight teams allowing for both cup and plate finals. Quite a bit of silverware was kept in the Randwick District once again this year, setting us up for a strong future.

- **Sunday Competition**

Unfortunately for junior rugby last year saw the end of the all-conquering Clovelly Eagles U16 team. This left the Randwick Myrtle Green Warriors flying the solo flag for the Randwick Juniors area. With a slow start to registration Jamie Johnson advised we were lucky to get any teams signed up which is a great concern to all in the catchment area. Two weeks prior to the competition start however we saw a huge turn out to training in the U13, 15 and 16 age groups thanks to the mighty efforts of the coaching staff. If it were not for the coaches there would not have been any junior teams to enter into the Sunday comp from Randwick juniors. Well done to all concerned. After a great year for the Club they ended up with two teams runners up and one making the first round semis.

Representative

We were fortunate enough to again submit two U10 and two U11 teams to this year's development competitions. All four teams went through their respective comps almost undefeated. If we can keep these players in rugby we will have strong prospects ahead. With Jim Dubos' hard work and the current crop of talented coaches coming through we are very excited for the future.

At the championships on the June long weekend we were only able to field teams in the U12 and U16 age groups. The U12s went deep into the comp but were not fortunate enough to go all the way after a strong showing. Our U16 team was our MGW U16 team. With no other clubs carrying a team the boys switched gear from MGW to Randwick and although beaten by obvious representative teams in all games the boys put up a mighty effort putting points on otherwise undefeated teams. With the boys backing up to play in the opens competition next year hopefully they will go a little further at the championships.

Randwick Junior Rugby Academy

Now in its 5th year the Academy is a benchmark for all other districts. None can compete with ours and we have received requests from Easts players to participate at our academy this year. As a result of Jim Dubos' commitment and strategic approach we have a range of coaches from clubs to ex-Wallabies coaching our kids on the finer points of rugby. The real mark of success for this development program is having academy members graduate to all levels of the colts program and also to the Australian Schools Barbarian team in 2016. Keep an eye out for Will Harrison to be in the Australian School Boys 1st XV in 2017.

2016 sees the introduction of our girls into the Academy training alongside the boys. We look forward to some future representatives coming out of this group.

There are a number of people and businesses that have contributed to the Juniors this year and I would like to acknowledge their support as without it we would not have this opportunity for our junior players
Thanks go to:-

- Chris Dunn, Juniors Treasurer for keeping us afloat and the books balanced. Also for his liaison with the Foundation and seniors.
- The Randwick Foundation for the ongoing investment in our juniors with every cent going directly into running costs for the juniors participation.
- Our young band of junior referees turning up every Saturday morning to give our minis the best experience possible. Some of our referees come down to referee just one game and then go off to play school sports. Without that effort more coaches would be refereeing in addition to coaching their teams on a Saturday morning.
- Our generous sponsors including Bakker Built, Traffic Plan Professionals, Mambo, Baby Boxes and Phoenix Broodmares. Without this valuable support we wouldn't have training grounds and rep gear.
- Jim Dubos for his tireless efforts with our representative and development program, and also for his work with the Junior Academy.
- And last but not least to all the Village Clubs and their band of merry volunteers for making the season such an easy one for me.

Roscoe Fay Trophy - Highest Pointscorer

Andrew Deegan (Randwick - 210 points) with Ken Catchpole

This year's Roscoe Fay Trophy winner was Randwick flyhalf Andrew Deegan, who suitably received his award from NSW Waratahs assistant coach and kicking aficionado Chris Malone. The prolific Wicks boot closed out his season as the competition's highest point scorer with seven tries, 53 conversions, 20 penalty goals and three field goals for a total of 210 competition points. A former Australian U20s representative, Deegan played a crucial role in navigating his team's on-field performance throughout the year and demonstrated a good sense of tactical play as well as prowess in both attack and defence.

Randwick District Rugby Union Football Club Inc

2016 Treasurers Report

The attached Profit & Loss report and Balance Sheet for 2016 shows a significantly improved and satisfying operating profit of \$15,664 (2015 Loss (\$68,234)).

The Club produced a Net Financial Profit after depreciation (\$10,000) of \$5,664 (2015 Loss (\$78,234)) The Club remains in a strong financial position with cumulative retained funds including reserves, now standing at \$174,834.

The Club's improved performance in 2016 is the culmination of increased revenues from sponsorships and net fundraising activities including the newly established Scholarship Fund introduced at the corporate breakfast in April thus assisting to alleviate our reliance on the Rugby Foundation over the last 3 years.

	2016	2015	2014
Sponsorship - cash	\$342,500	\$274,000	\$159,640
Foundation	\$65,000	\$100,000	\$200,000
Grants ARU/NSWRU	nil	nil	\$39,000
Net Fundraising profit	\$73,119	\$57,759	\$31,847

On-field performance continues to improve and this was reflected in our increased crowds and subsequent income from gate and concessions (food & beverage). This year saw the Club partner with Field to Fork to provide a much demanded improvement in our food offering. Net income from gate and concessions improved by 24.5% and 68.5% respectively. The rebuild and use of the Senior Citizen Centre on the western side of Coogee Oval provided the Club with a first rate facility to entertain and service its sponsors for the first time. We thank the Randwick Council for its ongoing support both on and off the field.

Increased costs associated with the hiring of this facility and the servicing of sponsors will prove to be invaluable in attracting new and maintaining existing sponsors.

Costs generally have been held and are in line with previous years. Some timing differences relating to receipt of invoices for Latham Park actually even costs out over 2015/16 (\$16,682 v \$16,073). Coaching costs while elevated this year are in line with the costs of 2014 and are the norm for a club operating 7 teams in the SRU Shute Shield / Colts competitions while using part time consultants. As foreshadowed in last year's report scholarship costs have increased but total player operation costs are down following tight budget controls put into place by the Director of Rugby. The Club continues to lead the way in player welfare with the introduction of ground breaking medical analysis of on and off field head trauma incidents. Next year will see the introduction of further advancement in analysing and controlling player soft tissue injuries with the introduction of the IT supported Baseline monitoring system. Costs associated with these programs are and will be beneficial to the welfare of players and the reduction in long term injury incidents.

We thank the Rugby Foundation for its continued support and contribution throughout the district in 2016 in what has been a difficult year for financial investment. The RRF provided the seniors with \$65,000 and the junior body with \$30,000.

The Board thanks our loyal sponsors and donors for their continued financial support. Special thanks go to those who contributed monies to the scholarship fund and individually donated money to the Club's newly established **tax deductible** "Randwick Rugby Development Fund" through the administrative vehicle "Australian Sports Foundation".

Without this ongoing support the Club would not be able to invest in the rugby youth of the future and continue with our new found success on the field. The club also receives unreserved support from its many loyal volunteers and supporters, representative players, coaches, support staff and other well-wishers internal and external to the club. Thanks go to ALL for your support, as this great Club would not be able to function without its many volunteers and supporters.

I recommend to you for approval the attached Profit and Loss report, Balance Sheet and Annual report for the 12 months, financial year ending 30th September 2016.

Notes to the Financial Statements for the Year Ended 30 September 2016

Note 1 Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act New South Wales.

The committee has determined that the association is not a reporting entity. The financial report has been prepared in accordance with the requirements of the Association Incorporation Act New South Wales and the following Australian Accounting Standards:

AAS 5 : Materiality

AAS 8: Events Occurring After Reporting date

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Income Tax

The Association is a tax exempt body

(b) Fixed Assets

Plant & Equipment are measured on the cost basis. The carrying amount of plant and equipment is reviewed annually by the Association to ensure it is not in excess of the recoverable amount from those assets.

The depreciable amount of all fixed assets are depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

(c) Investments

Non-current investments are measured on the cost basis.

The carrying amount of investments is reviewed annually by the Committee to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value for shares in listed companies, if applicable, or such other criteria as determined by the Committee.

(d) Employee Entitlements

Provision is made for the Associations liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements.

Contributions are made by the Association to an employee superannuation fund and are charged as expenses when incurred.

Try Scoring Feats in First Grade over a Career:

Only two Randwick players, Terry Ryan and Cyril Towers, scored 100 or more First Grade tries.

Terry Ryan (1970 to 1975) scored 106 tries in his 6 seasons as a winger with the Randwick Club.

Cyril Towers (1925 to 1942) played at outside centre and scored 104 tries in his 18 seasons.

Tries Scored in First Grade in a Season:

Terry Ryan (1970 and 1971) established in 1970 a new competition record by scoring 24 tries in 17 games. In 1971 he broke his own record for a season by scoring 25 tries in 20 games.

Jack Gray-Spence (1936) was the first Randwick player to establish a competition record. His achievement stood at 23 tries scored in 20 games until broken by T Ryan in 1970.

Tries in a First Grade Game:

Michael Cleary (1961), established a new record of 7 tries in a match against Eastwood on 19 August 1961 at Coogee Oval. This record stands today but was later equalled by a Gordon player. The previous record of 6 tries was held by two Randwick wingers: Owen Crossman (1924) and Len Slattery (1945).

First Grade Games:

John Maxwell (1972 to 1992) In his 21 seasons as a back row forward J Maxwell played 323 First Grade games, by far a Club record. He also played 428 Club games, the second highest total for Randwick. He appeared in 14 First Grade Grand Finals and was on the winning side 10 times.

John Weber (1960 to 1973) A lock and mainstay of the pack J Weber played 234 games over his 14 seasons, breaking the record set by C Towers.

Cyril Towers (1925 to 1942) Best remembered as one of Australia's greatest outside centres C Towers played in 233 First Grade games, then a Club record.

Most Club Games:

Bill Outterside (1952 to 1976) The Club record for the most matches played for Randwick is held by W Outterside at 432 games, of which, 205 were played in First Grade. Unlikely to be surpassed, his record was established over 25 seasons.

Randwick Rugby Club Awards

The following information is supplied for the benefit and interest of players, officials and members. Each entry is accompanied by a citation which spells out the criteria on which each award is based and a brief statement of the process by which each award is determined.

Honorary Life Member

The guidelines for the consideration and the recommendation as a Member worthy for election as a Life Member of the Club shall be:

- (a) The nominee must have had a lengthy and distinguished career at the Club either as a player, coach, manager, volunteer worker or Council Member;
- (b) The nominee must have made a considerable contribution to the game of Rugby at the Club;
- (c) The nominee must have enhanced their personal reputation and the ethos of the Club through their ability, endeavour, sportsmanship and courage;
- (d) The nominee must have accrued ten (10) points before consideration;
- (e) Criteria points shall be allocated in the following manner:
 - * fifty (50) First Grade games for the Club 2 points
 - * one hundred (100) First Grade games for the Club 4 points
 - * two hundred (200) games for the Club 4 points
 - * one hundred (100) games for the Club 2 points
 - * twenty-five (25) Colt games for the Club 1 point
 - * fifty (50) Super Rugby games inclusive while a registered Randwick Club player 2 points
 - * selected in twenty (25) Tests for Australia while a registered Randwick Club player 2 points
 - * coach Super Rugby in Australia for each year 2 points
 - * coach Australia (Wallabies) for each year 2 points
 - * performing the role of Coach for the Club for each year 1 point
 - * performing the role of Team Manager for each year 1 point
 - * service to the Club or service to the Council for each service year 1 point

Comments: The above guidelines can be found in By-law 6 of the Club's By-laws. The Life Members Association must vet and make recommendations to the Council of members considered worthy for election as a Life Member pursuant to Rule 5(4) of the Club Rules. This Rule refers to the power of the Club to elect Honorary Life Members. The Association is aided by its own Awards Subcommittee which carries out preparatory work and reviews nominees for consideration as Life Members. The Subcommittee, where possible, makes its recommendations to the Life Members Association which, in turn, forwards its advice to the Randwick Rugby Council. The Council then decides, based on a three fourths majority vote of Councillors, which names, if any, are put to the Annual General Meeting for election by Members where, again, a three-fourths majority is required by secret ballot.

The Wally Meagher Memorial Trophy

The recipient shall be a player possessing the qualities of sportsmanship, courage and modesty. He should display a willingness to subordinate his personal interest to those of his Fellows and his Team and generously others along the pathway of Rugby and along the broader highway of life.

Comments: Any member may nominate a player for this award though, in practice, such nomination usually comes from a group of senior players referred to as the Player Committee. The nomination(s) are put to the Life Members Association which makes a recommendation to the Randwick Rugby Council. The Council is the final arbiter with respect to this award and does so based on a three fourths majority vote by Councillors. As with the Life Member nominations the Association's Awards Subcommittee plays an intermediary role in terms of preparatory work and reviews with respect to nominees for this award. The Wally Meagher Memorial Trophy is not necessarily awarded annually.

Randwick Rugby Hall of Fame

The criteria for consideration and inclusion in the Randwick Rugby Hall of Fame are:

- The inductee must have been a distinguished Randwick First Grade Player
- The inductee must have made a considerable contribution to the game of Rugby and to Randwick
- The inductee must have enhanced his and Randwick's reputation by his ability, sportsmanship and character

Comments: Any member may nominate a potential inductee. In practice, however, such nominations are usually considered by the Life Members Association and forwarded to a Hall of Fame Committee comprising the Club President, a Convener appointed by the Randwick Rugby Council, the Club Archivist and two other Council appointees. The final decision regarding inductees rests with the Council. The inductees are selected by a vote supported by three fourths of the Councillors.

Meritorious Service Award

The criteria for the presentation of the Meritorious Service Award are that the recipient should be a non-playing member who has rendered outstanding service to the Randwick Football Club.

Comments: Any member may nominate another member for this Award. Nominations are then put to the Life Members Association which makes recommendations to the Randwick Rugby Council. The Association is assisted by its Awards Subcommittee which gathers information on the nominees and conducts preliminary reviews. The Council makes the final decision on this Award based on a vote by Councillors requiring a three fourths majority. The Award is not necessarily presented annually.

The WT (Bill) Outterside Memorial Trophy

The recipient shall be a player acknowledged by his team-mates for his commitment to fitness, willingness to learn, loyalty to his fellows and to his Club and dedication to mastering the fundamentals of the Randwick Brand of Rugby.

Comments: Unlike all other awards this trophy is judged by the Player Committee and not by the coaches or other Club officials. The Committee includes the Club Captain and the Player Representative on the Randwick Rugby Council. The Trophy is awarded annually.

The Ron Don Memorial Trophy

The Ron Don Memorial Trophy is awarded to the most improved player in the Club.

Comments: This Trophy was introduced in 1967 to honour Ron Don for his dedicated service to the Club and his continuous support of the players. He was Honorary Timekeeper 1955-59 and Assistant Honorary Secretary from 1957 until his death in April, 1967. Ron Don served in both positions 1957-59. Each year the winner of this Trophy is decided upon by the Club Coach and Assistant Coaches.

The Dick Quinlan Trophy

The Dick Quinlan Memorial Trophy is awarded to the best clubman in Fourth Grade.

Comments: Presented to the Club by Dick Quinlan in 1962 this Trophy is awarded annually.

The donor did this in order to focus attention on the players in the, then, lowest grade. He, himself, never played above this level but was proud to be a former Randwick player. Following his retirement Dick Quinlan gave many years of service to the Easts-Randwick JRU as a coach with the Randwick Central Club and later as its President. The recipient of this Trophy is decided upon by the Fourth Grade Coach and Manager. Dick Quinlan passed away in 1975.

The Laurie Argue Memorial Trophy

The Laurie Argue Memorial Trophy is awarded to the Grade Team that scores the most number of tries in a season.

Comments: Promoted by the Life Members Association, the establishment of the Laurie Argue Memorial Trophy was endorsed by the Randwick Rugby Council. The Trophy serves to perpetuate the memory of Laurie Argue, a long-time and enthusiastic devotee of the running game. It is designed to recognise the team(s) that scores the most tries in a season and the respective coach(es). The selection of the team(s) is determined from the Team Sheets completed by the Managers and the cumulative records of the Club Statistician.

The Aiden Wilson Memorial Trophy

The Aiden Wilson Memorial Trophy recognises the best Colts Clubman of the year.

Comments: This Trophy was designed to honour the memory of Aiden Wilson, a talented inside centre who played in the Randwick Under 19 Colts Team of 2006. Tragically, he was killed in an unfortunate incident on Sydney Harbour on 25 November 2006. The recipient is decided annually by a joint decision made by the Colts Coordinator and Colts Coaches.

The remaining Club Awards are determined on the basis of the following two criteria:

Statistics kept on Manager Team Sheets and the records of the Club Statistician

Committees: the Club Coach and Assistant Coaches for Seniors and the Colts Coordinator and Team Coaches for the Colts.
