

MEDIA RELEASE

JIO INTRODUCES NEW UNLIMITED PLANS CONTINUES TO PROVIDE BEST VALUE TO CUSTOMERS

- **India's best network Jio, continues to provide the best plans and the best experience to its users**
 - **Jio users enjoy truly unlimited 5G data across India, on its leading plans**
 - **JioBharat/JioPhone value proposition remains unchanged and industry-best**
- **Jio cares & reaffirms customer-first commitment through new plans**
- **New plans to be available from 3rd July 2024**

Mumbai, 27th June 2024: Furthering its commitment to **strengthen a sustainable telecom industry**, where every Indian is empowered with a true digital life and India is transformed into a **Premier Digital Society**, Jio today announced its new unlimited plans.

Upholding the Jio promise of providing the **best-quality service at the most affordable prices globally**, Jio customers will continue to be the biggest beneficiaries.

With Jio True 5G - the fastest-ever 5G rollout of this scale anywhere in the world, India now leads the world in 5G. Nearly 85% of the total 5G cells operational in India are by Jio. With India's only Stand-Alone True 5G network, Jio continues to provide **superlative 5G experience with truly unlimited 5G data on its leading plans at no additional cost to its users.**

Even today, 250 million feature phone users in India remain stuck in the 2G era, unable to access digital services. To empower these users with a Digital Life, 4G-enabled JioBharat/JioPhone was introduced. **JioBharat/JioPhone users will continue to enjoy the existing tariffs.**

Speaking on the occasion, Sh. Akash M Ambani, Chairman, Reliance Jio Infocomm Limited, commented, *"The introduction of new plans is a step in the direction of furthering industry innovation and driving sustainable growth through investments in 5G and AI technology. Ubiquitous, high-quality, affordable internet is the backbone of Digital India and Jio takes pride in contributing to this. Jio will always put our country and customer first and will continue to invest for India."*

NEW SERVICES:

Building on Jio's core principle of leveraging the power of technology to deliver the best value and services to its users, Jio Platforms Limited is introducing two new applications:

1. **JioSafe - Quantum-secure** communication app for calling, messaging, file transfer and more (priced at Rs 199 per month)
2. **JioTranslate - AI-powered** multi-lingual communication app for translating voice call, voice message, text and image (priced at Rs 99 per month).

Jio users will get both these applications (**worth Rs 298/month**) **absolutely free for a year.**

About Reliance Jio Infocomm Limited:

Reliance Jio Infocomm Limited, a subsidiary of Jio Platforms Limited, has built a world-class all-IP data-strong future-proof network using 4G LTE and 5G technologies. It is the only network conceived as a Mobile Video Network from the ground up. It is future-ready and can be easily upgraded to support even more data, as technologies advance to 6G and beyond.

Jio has brought transformational changes in the Indian digital services space to enable the vision of Digital India for 1.4 billion Indians and propel India into global leadership in the digital economy. It has created an eco-system comprising of network, devices, applications and content, service experience, and affordable tariffs for everyone to live the Jio Digital Life.
