NO COMPUTER? NO PROBLEM!

Create a Keyboard Station at Home

- No need to have a computer, just an old, unplugged keyboard. Your school may have some old computers that are no longer in use, and if you ask maybe they'll let you have the keyboard!
- Practice finger placing with the keyboard.
- Remember where each letter is located.
- Practice using the punctuation marks and numbers too.

OTHER IDEAS...

Online Diary with Word Online

- Summer break can bring lots of exciting days of exploring other places, our town, or even our backyard with all the free time we have! Set up a word document to journal your adventures.
- Make a goal to type at least one paragraph daily. You will see how much faster you type each day.
