STURM, RUGER & CO., INC.

SOUTHPORT, CONNECTICUT 06890 U.S.A.

FOR IMMEDIATE RELEASE

STURM, RUGER & COMPANY, INC. REPORTS SECOND QUARTER EARNINGS OF 43¢ PER SHARE AND DECLARES DIVIDEND OF 10¢ PER SHARE

SOUTHPORT, CONNECTICUT, July 28, 2010--Sturm, Ruger & Company, Inc. (NYSE-RGR), announced today that for the second quarter of 2010, the Company reported net sales of \$64.4 million and earnings per share of 43¢, compared with sales of \$72.4 million and earnings per share of 46¢ in the second quarter of 2009.

For the six months ended July 3, 2010, net sales were \$132.7 million and earnings were 86¢ per share. For the corresponding period in 2009, net sales were \$135.9 million and earnings were 76¢ per share.

The Company also announced today that its Board of Directors declared a dividend of 10.0¢ per share for the second quarter, for shareholders of record as of August 13, 2010, payable on August 27, 2010. The amount of the dividend was based on a percentage of Operating Profit after adjustment for certain items, the same approach used by the Company since 2009. Under this approach, the amount of the quarterly dividend fluctuates directly with certain operating results of the Company.

Chief Executive Officer Michael O. Fifer made the following comments related to the Company's results of 2010:

- New product introductions remain a strong driver of demand and represented \$42 million, or 32% of sales, in the first six months of 2010.

- The estimated sell-through of the Company's products from distributors to retailers in the first half of 2010 increased 1% from the first half of 2009, despite a reduction in National Instant Criminal Background Check System (NICS) background checks of 2% during this period.
- Cash generated from operations during the first half of 2010 was \$17.8 million. At the end of the second quarter of 2010, our cash and equivalents totaled \$58.7 million. Our current ratio is 4.0 to 1 and we have no debt.
- During the first half of 2010, capital expenditures totaled \$12.6 million, much of it related to tooling and equipment for new products. We expect to invest approximately \$18 to \$20 million for capital expenditures during 2010.
- At the end of the second quarter of 2010, stockholders' equity was \$109 million, which equates to a book value of \$5.68 per share, of which \$3.05 per share was cash and equivalents.
- For the third consecutive year, a Ruger handgun has been named the Shooting Industry Academy of Excellence "Handgun of the Year". The Ruger SR9c is the compact version of the SR9 striker-fired pistol, one of the slimmest and most ergonomic 9mm pistols on the market today.

The Company filed its Quarterly Report on Form 10-Q for the second quarter of 2010. The financial statements included in this Quarterly Report on Form 10-Q are attached to this press release.

The Quarterly Report on Form 10-Q is available on the SEC website at www.sec.gov and the Ruger website at www.ruger.com/corporate/. Investors are urged to read the complete Form 10-Q to ensure that they have adequate information to make informed investment judgments.

About Sturm, Ruger

Sturm, Ruger was founded in 1949 and is one of the nation's leading manufacturers of high-quality firearms for the commercial sporting market. Sturm, Ruger is headquartered in Southport, CT, with manufacturing facilities located in Newport, NH and Prescott, AZ.

The Company may, from time to time, make forward-looking statements and projections concerning future expectations. Such statements are based on current expectations and are subject to certain qualifying risks and uncertainties, such as market demand, sales levels of firearms, anticipated castings sales and earnings, the need for external financing for operations or capital expenditures, the results of pending litigation against the Company including lawsuits filed by mayors, attorneys general and other governmental entities and membership organizations, the impact of future firearms control and environmental legislation, and accounting estimates, any one or more of which could cause actual results to differ materially from those projected. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date made. The Company undertakes no obligation to publish revised forward-looking statements to reflect events or circumstances after the date such forward-looking statements are made or to reflect the occurrence of subsequent unanticipated events.
