A top-down photograph of a dark, speckled ceramic bowl filled with a lentil soup. The soup consists of small, round, yellowish-brown lentils, diced onions, and a clear broth. To the left of the bowl, three sprigs of fresh thyme are laid out. A silver spoon with an ornate handle is placed diagonally across the bottom right of the bowl. The background is a dark, textured surface.

A top-down view of several ground spices. A large wooden mortar in the center is filled with a dark brown powder, with a wooden pestle resting inside. Surrounding it are five small white ceramic bowls, each containing a different shade of ground spice: a medium brown powder, a light tan powder, a dark brown powder, a reddish-brown powder, and a dark brown powder. The entire scene is set against a light-colored, textured background.
