Ignite

your
imagination
with Toko Flavours
brassware.

This tantalising new collection spices up the existing Toko brassware range with six mouthwatering finishes: Sage, Cocoa, Truffle, Blueberry, Mandarin and Lip Gloss. Designed to add a pop of colour, the collection comes complete with taps, showering solutions and accessories to mix and match.

For those drawn to an organic aesthetic, the earthy tones of Cocoa, Truffle and Sage present the opportunity to create nature-inspired colour palettes, complementing natural materials like wood, stone and porcelain tiles for a calming atmosphere. In contrast, Blueberry, Mandarin and Lip Gloss bring a burst of exotic fruitiness and infuse energy into the interior, making a bold statement that is sure to impress. They can also be designed with other stimulating finishes to create a unique visual impact.

Pair with colourful BAGNODESIGN basins to serve up a true style statement. Made in Italy and plated in Dubai, this brassware collection is crafted using Armour technology, a finish that is highly resistant to corrosion and chemicals. Designed to stand out and endure, Toko Flavours is backed by a 10-year guarantee, making the full range suitable for high-traffic areas.
