NARA

East meets West with the versatile Nara collection. Drawing inspiration from Japandi interior design, Nara embodies a tranquil and functional aesthetic for bathroom spaces.

Influenced by the ancient city of Nara, Japan – where Edo architecture, enchanting temples and immaculate gardens merge tradition, nature and spirituality – the range epitomises bathroom design at its most elegant and serene. Japanese simplicity and appreciation for nature pairs with Scandinavian practicality, beauty and comfort for a relaxing and beautiful scheme.

Integrated with clever storage space, Nara offers a complete solution; from brassware and accessories to basins, BAGNOQUARTZ bathtubs, furniture, mirrors, tiles, and lighting.

MEZZANINE

Experience the ultimate in modern and stylish bathroom design with the Mezzanine collection. Boasting an ultra-contemporary design style that puts emphasis on deliberately crisp, clean lines.

New vanity units feature a unique fluted surface that adds an Art Deco-inspired touch of glamour to the bathroom. Warm brassware finishes like Soft Bronze and PVD Soft Burgundy add a touch of sophistication while Chrome, Brushed Nickel, and Matt Black add a cool and contemporary vibe. With the added opportunity to choose sanitaryware in Matt Black, Matt White and White, you can personalise the bathroom to suit your style.

For a luxurious pampered feeling, consider adding a statement heated towel rail to warm towels and bathrobes after a bath, shower or pool swim.
