Japandi

Fusion of Japanese & Scandinavian minimalist design

NARA

Collection

East meets West with the versatile Nara collection. Drawing inspiration from Japandi interior design, Nara embodies a tranquil and functional aesthetic for bathroom spaces.

Influenced by the ancient city of Nara, Japan - where Edo architecture, enchanting temples and immaculate gardens merge tradition, nature and spirituality - the range epitomises bathroom design at its most elegant and serene. Japanese simplicity and appreciation for nature pairs with Scandinavian practicality, beauty and comfort for a relaxing and beautiful scheme.

Integrated with clever storage space, Nara offers a complete solution; from brassware and accessories to basins, BAGNOQUARTZ bathtubs, furniture, mirrors, tiles, and lighting.

Clean lines provide the balance for a practical interior, while earthy tones and natural textures such as wood, bamboo, and stone infuse a richness that could be extracted from nature itself, fulfilling the desire for organic elements to channel a spa-like setting. Iconic Japanese wood slat detailing appears on freestanding basins and furniture, and ultra-modern wall and pendant lights make a Scandi-style statement.

Achieve a bright and light Scandinavian aesthetic with opulent PVD Oyster, chic Chrome or muted Brushed Nickel brassware to complement white sanitaryware and oak wood furniture. Or opt for Matt Black accents and walnut wood for a sultry, Japanese-inspired vibe.
