Crafted from natural wood, these sofa sets and daybeds bring a touch of the indoors to the outdoors. The collection features a rich, dark volcanic rock finish that dominates the design, while crisp white limestone accents add a sense of lightness and airy sophistication.

Sink into the luxurious cushions that will envelop you in pure relaxation. Create a truly stunning outdoor living space where design and functionality seamlessly come together.

YOUR PERSONAL OASIS: THE MAJLIS COLLECTION

Inspired by the traditional Arab Majlis, the Majlis Collection by GYMKHANA brings the essence of Arabian hospitality to the outdoors. Traditionally a welcoming space where friends and family gather to socialise and relax, the Majlis—meaning "sitting room," —has been reimagined in this outdoor living collection to bring comfort, style and heritage into contemporary outdoor living spaces.

The Majlis range offers 1-, 2- and 3-seater armchairs and modular seating solutions, designed for versatility within a variety of spaces. Think patios, verandas, pergolas and balconies. The collection features two distinct backrest and armrest styles: one with a sleek aluminium structure with ornate rope detailing, and the other fully upholstered in a crisp-soft fabric. The low-profile design is complemented by a selection of scatter cushions that serve as both back and armrests to ensure ultimate comfort while fully relaxing al fresco.

Capturing the warmth and vibrancy of traditional settings to bring a touch of the Middle East to your space, the range features a palette of neutral and pastel hues in four distinct colorways—beige stripes, blue stripes, plain beige, and aquamarine & pink stripes. Cabana stripes, Herringbone-style stripes and geometric designs can be mixed and matched to make a one-of-a-kind seating plan.

The Majlis collection gifts any outdoor setting the perfect concoction of comfort and style to welcome guests. To enhance the home comforts outside, incorporate GYMKHANA rugs to layer up the patterns and textures.

PENTHOUSE COLLECTION

The Penthouse collection by GYMKHANA turns any outdoor space into a cosmopolitan retreat you can escape to and enjoy, any time of day. Sleek, strong lines form the foundation of a less-is-more design language that pairs well with softer, more natural shapes and foliage for a pleasing contrast. Crafted for those seeking relaxation and entertainment in a sophisticated setting, Penthouse is oh-so-chic and reassuringly comfortable.

Designed for ultimate lounging in style, the collection comprises of modular sofas with high-depth cushions, generously wide single and double sunbeds and coffee tables to place the essentials, ensuring every moment of restoration is a luxurious one. In a calming colour palette of neutral beige and grey tones, the furniture is crafted from weather-resistant materials, durable outdoor fabrics, and quick-dry foam—promising enduring quality, no matter the elements. A tactile mix of materials adds appeal, with teak frames imparting a touch of the organic.

Choose your modular seating plan and mix and match back and seat cushions for a tonal look that is uniquely your own. For the pool area, reclining sunbeds are perfect for sunning during the day or for stargazing at night.

Whether you are enjoying sunset views of the skyline or unwinding by the ocean on the salty, sea-swept patio, the Penthouse collection offers a seating plan that advocates for a relaxed and mindful approach to enjoying the great outdoors.

For a unique al fresco dining experience, our bespoke service enables you to curate your outdoor space to suit your individual style. For an ultra-stylish dining, coffee and side table, simply choose from a range of durable porcelain slab tops in different colour tones, textures and sizes, then opt for a matching frame in a teak, white or black aluminium finish: team timeless terrazzo to teak for an on-trend biophilic feel, white marble works with white aluminium for a sleek, monochrome look or, for an urban industrial edge, style grey concrete with black aluminium.

CARE & MAINTENANCE

LEARN HOW TO EXTEND THE LIFE
OF YOUR FURNITURE

Teak is a highly durable hardwood prized for its natural oil content, making it ideal for outdoor use. Over time, teak develops a silvery-gray patina. To preserve its original golden hue, regular application of teak sealant and water-based non-oil teak protector are recommended. As a natural material, teak may exhibit slight variations such as small cracks or warping.

Long-lasting Protection

Regular sealing helps maintain the wood's natural color and protects against weathering.

Cleaning & Care

Consistent cleaning helps remove dirt and prevent buildup.

Avoid Harsh Chemicals

Using harsh substances can damage the wood's finish.

Additional Protection

Covering furniture when not in use can help extend its life.

Maintenance

How often the treatment is needed depends on the climate and whether the furniture is placed at a sheltered position. As a general rule, teak surfaces should be cleaned and treated at least once a year.

Apply teak sealant to help maintain the natural colour.

After the teak sealant is applied, a water based non-oil teak protector will maintain the golden colour.

Clean regularly with mild soap and water. We also recommend using any of our dedicated teak cleaners.

Use a lukewarm cloth or soft sponge.

Avoid harsh chemicals and abrasive materials.

Avoid using a power washer as this may erode the soft surface and leave it rough to the touch.

Strong, lightweight, versatile, and corrosion-resistant. Available in a wide range of finishes, including powder coating and anodizing.

Long-lasting Protection

Offers excellent durability due to the protective coatings. Powder coating provides a thick, coloured layer, while anodizing creates a hard, oxide surface. Both protect against corrosion and wear.

Low Maintenance

Generally requires minimal care to maintain appearance.

Cleaning & Care

Regular cleaning with mild soap and water is recommended. Avoid harsh chemicals and abrasive materials. For coastal areas, rinse with fresh water to remove salt deposits.

Additional Protection

Using coasters and felt pads can help prevent scratches and stains. Applying wax or specialized products can enhance the anodized finish.

Maintenance

Clean regularly with mild soap and water.

Dry thoroughly to prevent water spots.

Avoid abrasive cleaners and scouring pads.

CARE & MAINTENANCE

ALUMINIUM

Our powder-coated aluminium is a versatile, rust and weather-resistant choice for outdoor furniture in a variety of colours. Regularly clean with multisurface cleaner or mild detergent and water, using a dry cloth to prevent water spots. Avoid abrasive products or tools that can cause scratches in the coating.

Store or shelter products during extended periods of non-use as prolonged UV exposure can alter the characteristics of the coloured coating.

TEAK

Teak has excellent weather-resistance and natural variation in colour and texture. To retain its colour, treat the surface with a teak cleaner and protector at least twice a year.

If wood is delivered untreated, treat before use. Without care, teak can develop a silver patina. To restore, sand, polish with a jute cloth, and apply the teak cleaner. Clean minor stains with a soft, lukewarm cloth. If needed, sand the affected surface, polish with the cloth, and apply the teak cleaner.

CERAMICS/PORCELAIN

Ceramic is low-maintenance, resistant to stains, and very hygienic due to its low porous surface. Spills are easy to clean with a damp cloth and mild detergent or multi-surface cleaner. Avoid strong chemicals like abrasive cleaning products. Less maintenance means more time to relax!

FABRICS AND ROPE

Since fabric and ropes are made of fibres, gentle cleaning is advised. Brush off any dirt and use a non-abrasive cloth with a mild detergent and lukewarm water. For fabrics, wash at 30 degrees °C. Avoid the use of harsh detergents or solvents. Rinse with soft pressure water and/or a soft cloth to protect from deterioration. Dry with a cloth or air dry.
