## Fishing For More

- 1.) Why do you think the original *Jurassic Park* has such a lasting legacy?
- 2.) Have you ever truly experienced awe? Tell the story. How did you feel?
- 3.) Do you agree with Ian Malcolm that 'life finds a way'? Why/why not?
- 4.) Do you think the dinosaurs in the film should be saved from disaster? What responsibilities do you think man has towards nature?
- 5.) Where do you think true power comes from? Science? Nature? God? How does man fit in to this picture?
