

Cookiebot by Usercentrics for Google Customers

Founded in 2012, Usercentrics stands at the forefront of consent, with a decade plus of expertise in crafting robust and highly scalable cross device CMPs (web, app and others), evidenced by products like the Usercentrics CMP and Cookiebot CMP. Managing over 1.8B consents a month and trusted by almost a million global businesses in 180 countries, Usercentrics is the global market leader. In addition, we are proud to boast 99.9% gross retention so you can feel confident that Google customers that sign up with our platforms will stay with our platform.

Value Proposition

Website: www.cookiebot.com

Why should customers choose Cookiebot CMP

- Cookiebot CMP is the leading European CMP that offers **an automated and easy** to use consent solution compliant with GDPR and ePrivacy Directive. **Designed for businesses of all sizes to streamline website data privacy compliance across various tech stacks**, it leverages the latest tech innovations and legal expertise to help you gain control of your website compliance. Cookiebot CMP is the best fit for small and medium size customers, seeking the easiest implementation.
- **Benefits:** Easy to use and worry free | Fully customizable and scalable | Reliable and comprehensive
- **Features include:** Comprehensive compliance with GDPR, ePrivacy, and more through automated features| User-friendly cookie/tracker management and customizable banners (47 languages) | Advanced integrations including Google Consent Mode and Tag Manager | Patented scanning technology for tracking elements identification
- **Case studies:** [Upblue](#), [SoBold](#), [CookieInfo](#), [Hinto](#)
