Publishing Schedule		
Process		Time Frame (Changeable depending on the project)
Initial Review	Office of Shonan Meeting announce to all organizers that we are inviting book proposals before the meeting. We ask organizers to submit necessary information and wait for a direct contact from Springer, if the publishing idea is interesting.	1-2 months
Publishing Agreement	Once your proposal has been approved, a publishing agreement is prepared between the author and Springer.	
Submission of the Draft Manuscript	First draft is submitted to editors.	3-4 months
Peer Review and Revision		2-3 months
Submission of the Final Manuscript	Final manuscript is submitted to Springer	
Typesetting and Proofreading	After re-typesetting by Springer, authors and editors are asked to proofread their manuscripts.	
Publication (Digital Version)		Around 4 months after the submission of the final manuscript
Publication (Paper Edition)		Around 6 months after the submission of the final manuscript
