§ 1611. Native land selections

(a) Acreage limitation; proximity of selections and size of sections and units; waiver

(1) During a period of three years from December 18, 1971, the Village Corporation for each Native village identified pursuant to section 1610 of this title shall select, in accordance with rules established by the Secretary, all of the township or townships in which any part of the village is located, plus an area that will make the total selection equal to the acreage to which the village is entitled under section 1613 of this title. The selection shall be made from lands withdrawn by section 1610(a) of this title: *Provided*, That no Village Corporation may select more than 69,120 acres from lands withdrawn by section 1610(a)(2) of this title, and not more than 69,120 acres from the National Wildlife Refuge System, and not more than 69,120 acres in a National Forest: *Provided further*, That when a Village Corporation selects the surface estate to lands within the National Wildlife Refuge System or Naval Petroleum Reserve Numbered 4, the Regional Corporation, for that region may select the subsurface estate in an equal acreage from other lands withdrawn in section 1610(a) of this title within the region, if possible.

(2) Selections made under this subsection (a) shall be contiguous and in reasonably compact tracts, except as separated by bodies of water or by lands which are unavailable for selection, and shall be in whole sections and, wherever feasible, in units of not less than 1,280 acres: *Provided*, That the Secretary in his discretion and upon the request of the concerned Village Corporation, may waive the whole section requirement where—

(A)(i) a portion of available public lands of a section is separated from other available public lands in the same section by lands unavailable for selection or by a meanderable body of water;

(ii) such waiver will not result in small isolated parcels of available public land remaining after conveyance of selected lands to Native Corporations; and

(iii) such waiver would result in a better land ownership pattern or improved land or resource management opportunity; or

(B) the remaining available public lands in the section have been selected and will be conveyed to another Native Corporation under this chapter.

(b) Allocation; reallocation considerations

The difference between twenty-two million acres and the total acreage selected by Village Corporations pursuant to subsection (a) shall be allocated by the Secretary among the eleven Regional Corporations (which excludes the Regional Corporation for southeastern Alaska) on the basis of the number of Natives enrolled in each region. Each Regional Corporation shall, not later than October 1, 2005, reallocate such acreage among the Native villages within the region on an equitable basis after considering historic use, subsistence needs, and population. The action of the Secretary or the Corporation shall not be subject to judicial review. Each Village Corporation shall select the acreage allocated to it from the lands withdrawn by section 1610(a) of this title.

(c) Computation

The difference between thirty-eight million acres and the 22 million acres selected by Village Corporations pursuant to subsections (a) and (b) shall be allocated among the eleven Regional Corporations (which excludes the Regional Corporation for southeastern Alaska) as follows:

(1) The number of acres each Regional Corporation is entitled to receive shall be computed (A) by determining on the basis of available data the percentages of all land in Alaska (excluding the southeastern region) that is within each of the eleven regions, (B) by applying that percentage to thirty-eight million acres reduced by the acreage in the southeastern region that is to be selected pursuant to section 1615 of this title, and (C) by deducting from the figure so computed the number of acres within that region selected pursuant to subsections (a) and (b).

(2) In the event that the total number of acres selected within a region pursuant to subsections (a) and (b) exceeds the percentage of the reduced thirty-eight million acres allotted to that region pursuant to subsection (c)(1)(B), that region shall not be entitled to receive any lands under this subsection (c). For each region so affected the difference between the acreage calculated pursuant to subsection (c)(1)(B) and the acreage selected pursuant to subsections (a) and (b) shall be deducted from the acreage calculated under subsection (c)(1)(C) for the remaining regions which will select lands under this subsection (c). The reductions shall be apportioned among the remaining regions so that each region's share of the total reduction bears the same proportion to the total reduction as the total land area in that region (as calculated pursuant to subsection (c)(1)(A))¹ bears to the

total land area in all of the regions whose allotments are to be reduced pursuant to this paragraph.

(3) Before the end of the fourth year after December 18, 1971, each Regional Corporation shall select the acreage allocated to it from the lands within the region withdrawn pursuant to section 1610(a)(1) of this title, and from the lands within the region withdrawn pursuant to section 1610(a)(3) of this title to the extent lands withdrawn pursuant to section 1610(a)(1) of this title are not sufficient to satisfy its allocation: *Provided*, That within the lands withdrawn by section 1610(a)(1) of this title the Regional Corporation may select only even numbered townships in even numbered ranges, and only odd numbered townships in odd numbered ranges.

(4) Where the public lands consist only of the mineral estate, or portion thereof, which is reserved by the United States upon patent of the balance of the estate under one of the public land laws, other than this chapter, the Regional Corporations may select as follows:

(A) Where such public lands were not withdrawn pursuant to section 1610(a)(3) of this title, but are surrounded by or contiguous to lands withdrawn pursuant to section 1610(a)(3) of this title, and filed upon for selection by a Regional Corporation, the Corporation may, upon request, have such public land included in its selection and considered by the Secretary to be withdrawn and properly selected.

(B) Where such public lands were withdrawn pursuant to section 1610(a)(1) of this title and are required to be selected by paragraph (3) of this subsection, the Regional Corporation may, at its option, exclude such public lands from its selection.

(C) Where such public lands are surrounded by or contiguous to subsurface lands obtained by a Regional Corporation under subsections² (a) or (b), the Corporation may, upon request, have such public land conveyed to it.

(D)(i) A Regional Corporation which elects to obtain public lands under subparagraph (C) shall be limited to a total of not more than 12,000 acres. Selection by a Regional Corporation of in lieu surface acres under subparagraph (E) pursuant to an election under subparagraph (C) shall not be made from any lands within a conservation system unit (as that term is defined by section 3102(4) of title 16).

(ii) An election to obtain the public lands described in subparagraph (A), (B), or (C) shall include all available parcels within the township in which the public lands are located.

(iii) For purposes of this subparagraph and subparagraph (C), the term "Regional Corporation" shall refer only to Doyon, Limited.

(E) Where the Regional Corporation elects to obtain such public lands under subparagraph (A), (B), or (C) of this paragraph, it may select, within ninety days of receipt of notice from the Secretary, the surface estate in an equal acreage from other public lands withdrawn by the Secretary for that purpose. Such selections shall be in units no smaller than a whole section, except where the remaining entitle-

ment is less than six hundred and forty acres, or where an entire section is not available. Where possible, selections shall be of lands from which the subsurface estate was selected by that Regional Corporation pursuant to subsection (a)(1) or section 1613(h)(9) of this title, and, where possible, all selections made under this section shall be contiguous to lands already selected by the Regional Corporation or a Village Corporation. The Secretary is authorized, as necessary, to withdraw up to two times the acreage entitlement of the in lieu surface estate from vacant, unappropriated, and unreserved public lands from which the Regional Corporation may select such in lieu surface estate except that the Secretary may withdraw public lands which had been previously withdrawn pursuant to subsection 1616(d)(1) of this title.

(F) No mineral estate or in lieu surface estate shall be available for selection within the National Petroleum Reserve—Alaska or within Wildlife Refuges as the boundaries of those refuges exist on December 18, 1971.

(5) Subparagraphs (A), (B), and (C) of paragraph (4) shall apply, notwithstanding the failure of the Regional Corporation to have appealed the rejection of a selection during the conveyance of the relevant surface estate.

(d) Village Corporation for Native village at Dutch Harbor; lands and improvements and patent for Village Corporation

To insure that the Village Corporation for the Native village at Dutch Harbor, if found eligible for land grants under this chapter, has a full opportunity to select lands within and near the village, no federally owned lands, whether improved or not, shall be disposed of pursuant to the Federal surplus property disposal laws for a period of two years from December 18, 1971. The Village Corporation may select such lands and improvements and receive patent to them pursuant to section 1613(a) of this title.

(e) Disputes over land selection rights and boundaries; arbitration

Any dispute over the land selection rights and the boundaries of Village Corporations shall be resolved by a board of arbitrators consisting of one person selected by each of the Village Corporations involved, and an additional one or two persons, whichever is needed to make an odd number of arbitrators, such additional person or persons to be selected by the arbitrators selected by the Village Corporations.

(f) Combining entitlements and reallocations

(1) The entitlements received by any Village Corporation under subsection (a) and the reallocations made to the Village Corporation under subsection (b) may be combined, at the discretion of the Secretary, without—

(A) increasing or decreasing the combined entitlement; or

(B) increasing the limitation on selections of Wildlife Refuge System land, National Forest System land, or State-selected land under subsection (a).

(2) The combined entitlement under paragraph (1) may be fulfilled from selections under sub-

section (a) or (b) without regard to the entitlement specified in the selection application.

(3) All selections under a combined entitlement under paragraph (1) shall be adjudicated and conveyed in compliance with this chapter.

(4) Except in a case in which a survey has been contracted for December 10, 2004, the combination of entitlements under paragraph (1) shall not require separate patents or surveys, to distinguish between conveyances made to a Village Corporation under subsections (a) and (b).

“(a) The purpose of this section is to provide for the settlement of certain claims, and in so doing to consolidate ownership among the United States, the Cook Inlet Region Incorporated (hereinafter in this section referred to as the ‘Region’), and the State of Alaska, within the Cook Inlet area of Alaska in order to facilitate land management and to create land ownership

patterns which encourage settlement and development in appropriate areas. The provisions of this section shall take effect at such time as all of the following have taken place:

“(1) the State of Alaska has conveyed or irrevocably obligated itself to convey lands to the United States for exchange, hereby authorized, with the Region in accordance with the document referred to in subsection (b);

“(2) the Region and all plaintiffs/appellants have withdrawn from Cook Inlet against Kleppe, numbered 75-2232, ninth circuit, and such proceedings have been dismissed with prejudice; and

“(3) all Native village selections under section 12 of the Settlement Act [section 1611 of this title] of the lands within Lake Clark, Lake Kontrashibuna, and Mulchatna River deficiency withdrawals have been irrevocably withdrawn and waived.

The conveyances described in paragraph (1) of this subsection shall not be subject to the provisions of section 6(i) of the Alaska Statehood Act (72 Stat. 339) [set out as note preceding section 21 of Title 48, Territories and Insular Possessions].

“(b) The Secretary shall make the following conveyances to the Region, in accordance with the specific terms, conditions, procedures, covenants, reservations, and other restrictions set forth in the document entitled ‘Terms and Conditions for Land Consolidation and Management in Cook Inlet Area’, which was submitted to the House Committee on Interior and Insular Affairs on December 10, 1975, and clarified on August 31, 1976, the terms of which, as clarified, are hereby incorporated herein and ratified as to the duties and obligations of the United States and the Region, as a matter of Federal law.

“(1) title to approximately 10,240 acres of land within the Kenai National Moose Range; except that there shall be no conveyance of the bed of Lake Tustumena, or the mineral estate in the waterfront zone described in the document referred to in this subsection;

“(2) title to oil and gas and coal in not to exceed 9.5 townships within the Kenai National Moose Range;

“(3) title to Federal interests in township 10 south, range 9 west, F.M., and township 20 north, range 9 east, S.M.;

“(4) title to township 1 south, range 21 west, S.M.: sections 3 to 10, 15 to 22, 29, and 30; and rights to metalliferous minerals in the following sections in township 1 north, range 21 west, S.M.: sections 13, 14, 15, 22, 23, 24, 25, 26, 27, 28, 32, 33, 34, 35, 36;

“(5) title to twenty-nine and sixty-six hundredths townships of land outside the boundaries of Cook Inlet Region: unless pursuant to the document referred to in this subsection a greater or lesser entitlement shall exist, in which case the Secretary shall convey such entitlement;

“(6) title to lands selected by the Region from a pool which shall be established by the Secretary and the Administrator of General Services: *Provided*, That conveyances pursuant to this paragraph shall not be subject to the provisions of section 22(l) of the Settlement Act [section 1621(l) of this title]: *Provided further*, That conveyances pursuant to this paragraph shall be made in exchange for lands or rights to select lands outside the boundaries of Cook Inlet Region as described in paragraph (5) of this subsection and on the basis of values determined by agreement among the parties, notwithstanding any other provision of law. Effective upon their conveyance, the lands referred to in paragraph (1) of this subsection are excluded from the Kenai National Moose Range, but they shall automatically become part of the range and subject to the laws and regulations applicable thereto upon title thereafter vesting in the United States. The Secretary is authorized to acquire lands formerly within the range with the concurrence of the Region so long as the Region owns such lands. Section 22(e) of the Settlement Act [section 1621(e) of this title], concerning refuge replacement, shall

apply with respect to lands conveyed pursuant to paragraphs (1) and (2) of this subsection, except that the Secretary may designate for replacement land twice the amount of any land conveyed without restriction to a native corporation.

“(7)(i) Until the obligations of the Secretary and the Administrator of General Services under section 12(b)(5) and (6) of this Act [subsec. (b)(5), (6) of this note] are otherwise fulfilled: (a) Cook Inlet Region, Incorporated, may, by using the account established in subsection 12(b)(7)(iv) [subsec. (b)(7)(iv) of this note], bid, as any other bidder for property as defined in subsection 12(b)(7)(vii) [subsec. (b)(7)(vii) of this note], [sic] wherever located, in accordance with the applicable laws and regulations of the Federal agency or instrumentality offering such property for sale. No preference right of any type will be offered to Cook Inlet Region Incorporated, for bidding on property under this section 12(b)(7) [subsec. (b)(7) of this note]. There shall be no advertising other than that ordinarily required by such sale. [sic] (b) the Administrator of General Services may, at the discretion of the Administrator, tender to the Secretary any surplus property otherwise to be disposed of pursuant to 40 U.S.C. 484(e)(3) [now 40 U.S.C. 545(b)] to be offered Cook Inlet Region, Incorporated for a period of 90 days so as to aid in the fulfillment of the Secretary’s program purposes under the Alaska Native Claims Settlement Act [this chapter]: *Provided*, That nothing in these subsections 12(b)(7)(i)(b) or (ii) [subsec. (b)(7)(i)(b) or (ii) of this note] shall be construed to establish, enlarge or diminish authority of the Administrator or the Secretary within the State of Alaska. Prior to any disposition under subsection 12(b)(7)(i)(b) [subsec. (b)(7)(i)(b) of this note], the Administrator shall notify the governing body of the locality where such property is located and any appropriate state agency, and no such disposition shall be made if such governing body or state agency, within ninety days of such notification formally advises the Administrator that it objects to the proposed disposition.

“(ii) Subject to the exceptions stated in section 12(b)(9) [subsec. (b)(9) of this note], and notwithstanding the foregoing subsection 12(b)(7)(i) [subsec. (b)(7)(i) of this note] and any provision of any other law or any implementing regulation inconsistent with this subsection, until the obligations of the Secretary and the Administrator of General Services under section 12(b)(5) and (6) [subsec. (b)(5) and (6) of this note] are otherwise fulfilled:

“(A) concurrently with the commencement of screening of any excess real property, wherever located, for utilization by Federal agencies, the Administrator of General Services shall notify the Region that such property may be available for conveyance to the Region upon negotiated sale. Within fifteen days of the date of receipt of such notice, the Region may advise the Administrator that there is a tentative need for the property to fulfill the obligations established under section 12(b)(5) and (6) [subsec. (b)(5) and (6) of this note]. If the Administrator determines the property should be disposed of by transfer to the Region, the Administrator or other appropriate Federal official shall promptly transfer such property;

“(B) no disposition or conveyance of property under this subsection to the Region shall be made until the Administrator, after notice to affected State and local governments, has provided to them such opportunity to obtain the property as is recognized in title 40, United States Code and the regulations thereunder for the disposition or conveyance of surplus property; and

“(C) as used in this subsection, ‘real property’ means any land or interests in land owned or held by the United States or any Federal agency, any improvements on such land or rights to their use or exploitation, and any personal property related to the land.

“(iii) If the Region accepts any conveyance under section 12(b)(7)(i) or (ii) [subsec. (b)(7)(i) or (ii) of this note], it shall be in exchange for acres or acre-equivalents as provided in subparagraph I(C)(2)(e) of the document referred to in this section, except that, after the obligation of the Secretary and the Administrator under subparagraph I(C)(2)(g) of that document has been fulfilled, the acre-equivalents under subparagraph I(C)(2)(e)(iii)(A) shall be one-half the valued increment therein stated. The entitlement of the Region under section 12(b) of this Act [subsec. (b) of this note] shall be reduced by the number of acres or acre-equivalents attributed to the Region under this subsection. The Secretary and the Administrator are directed to execute an agreement with the Region which shall conform substantially to the ‘Memorandum of Understanding Regarding the Implementation of Section 12(b)(7)’, dated September 10, 1982, and submitted to the Senate Committee on Commerce, Science, and Transportation. The Secretary, the Administrator and the Region may thereafter otherwise agree to procedures to implement responsibilities under this section 12(b)(7) [subsec. (b)(7) of this note], including establishment of accounting procedures and the delegation or reassignment of duties under this statute.

“(iv) The Secretary of the Treasury shall establish a Cook Inlet Region, Incorporated property account, which shall be available for the purpose of bidding on property, as defined in subsection 12(b)(7)(vii) [subsec. (b)(7)(vii) of this note], or paying for the conveyance of property pursuant to subsections 12(b)(7)(i) or (ii) [subsec. (b)(7)(i), (ii) of this note]. The balance of the account shall be the sum of (1) the acre-equivalent exchange value established by paragraph I(C)(2)(e)(iii)(A) of the document referred to in this subsection, of the unfulfilled entitlement of Cook Inlet Region, Incorporated, [on] December 2, 1980, to acre or acre-equivalents under paragraph I(C)(2)(g) of the document referred to in this subsection 12(b) [subsec. (b) of this note] and (2) one-half the acre or acre-equivalent exchange value under subparagraph I(C)(2)(e)(iii)(A) of seven townships fewer than the unfulfilled entitlement of the Region on the same date to acres or acre-equivalents under paragraph I(C)(1) of the document referred to in this section. The balance of the property account shall be adjusted in accordance with subsection 12(b)(7)(iii) [subsec. (b)(7)(iii) of this note] to reflect transfers or successful bids under section 12(b)(5) and (6) of this section [subsec. (b)(5) and (6) of this note] or payments of forfeited deposits, penalties, or other assessments imposed under a valid bid or sales contract on Cook Inlet Region, Incorporated.

“(v) The amount charged against the Treasury account established under subsection 12(b)(7)(iv) [subsec. (b)(7)(iv) of this note] for sales or transfers of property made pursuant to the Federal Property and Administrative Services Act of 1949, 40 U.S.C. sec. 471 et seq. [see chapters 1 to 11 of Title 40, Public Buildings, Property, and Works, and division C (except sections 3302, 3307(e), 3501(b), 3509, 3906, 4710, and 4711) of subtitle I of Title 41, Public Contracts], or any legislative or executive delegation under that Act, shall be treated as proceeds of dispositions of surplus property for the purpose of determining the basis for calculating direct expenses pursuant to 40 U.S.C. 485(b) [now 40 U.S.C. 572(a)], as amended.

“(vi) The basis for computing gain or loss on subsequent sale or other disposition of lands or interests in land conveyed to Cook Inlet Region, Incorporated, under this subsection, for purposes of any Federal, State or local tax imposed on or measured by income, shall be the fair value of such land or interest in land at the time of receipt. The amount charged against Cook Inlet’s entitlement under I(C)(2)(e) of the document referred to in subsection (b) of this section [subsec. (b) of this note] shall be prima facie evidence of such fair value.

“(vii) Notwithstanding the definition of ‘property’ found in the Federal Property and Administrative

Services Act of 1949, as amended [see 40 U.S.C. 102(9)], as used in this section 12(b)(7) [subsec. (b)(7) of this note], ‘property’ means any property—real, personal (including intangible assets sold or offered by the Federal Deposit Insurance Corporation or the Resolution Trust Corporation, such as financial instruments, notes, loans, and bonds), or mixed—owned, held, or controlled by the United States (including that in a corporate capacity or as a receiver or conservator, or such other similar fiduciary relationship), and offered for sale by any agency or instrumentality of the United States, including but not limited to the General Services Administration, Department of Defense, Department of the Interior, Department of Agriculture, Department of Housing and Urban Development, the United States Courts and any Government corporation, agency or instrumentality subject to chapter 91 of title 31, United States Code; real property means any land or interest in land or option to purchase land, any improvements on such lands, or rights to their use or exploitation.

“(viii) Any charge against the property account and any transfer of funds from the property account heretofore made for the purpose of consummating any prior sale or making a deposit or other payment to bind any contract of sale or paying any forfeiture of deposit, penalty or assessment is hereby authorized, ratified and affirmed.

“(8) Subject to the exceptions stated in section 12(b)(9) [subsec. (b)(9) of this note], and notwithstanding any provisions of law or implementing regulation inconsistent with this section:

“(i) The deadlines in subparagraphs I(C)(2)(a) and (g) of the document referred to in this section shall be extended until the Secretary’s obligations under section 12(b)(5) and (6) [subsec. (b)(5) and (6) of this note] are fulfilled: *Provided*, That:

“(A) the obligation of the Secretary under subparagraph I(C)(2)(a) of such document shall terminate on such date, after July 15, 1984, that the Secretary has fulfilled his obligation under subparagraph I(C)(2)(g) of that document: *Provided*, That the obligation of the Secretary under subparagraph I(C)(2)(g) of such document shall be fulfilled at such date, after July 15, 1984, that the sum of the acres or acre-equivalents identified for and placed in the pool and the acres or acre-equivalents used by the Region in purchasing property under section 12(b)(7) [subsec. (b)(7) of this note] equals or exceeds 138,240 acres or acre-equivalents;

“(B) the authority of the Secretary under subparagraphs I(C)(2)(b) and I(C)(2)(g)(ii) of such document to contribute to the pool created under subparagraph I(C)(2)(a) of such document shall terminate (a) on July 15, 1984, if, by that date, the Secretary has fulfilled his obligation under subparagraph I(C)(2)(g), or (b) if not, on such date after July 15, 1984 as such obligation is fulfilled, or (c) if such obligation remains unfulfilled, on July 15, 1987;

“(C) the concurrence by the State as described in subparagraphs I(C)(2)(a)(vi) and I(C)(2)(c) of the document referred to in this section shall be deemed not required after the Secretary has fulfilled his obligation under subparagraph I(C)(2)(g) of that document, but in no event after July 15, 1987. In lieu of such concurrence, after 1984 as to military property, and after the Secretary has fulfilled his obligation under subparagraph I(C)(2)(g) of that document or July 15, 1987, whichever is earlier, as to any other property, except property of the Alaska Railroad which is governed by subsection 12(b)(6)(i)(D) of this Act [probably means subpar. (i)(D) of this paragraph], the Secretary shall not place any lands in the selection pool referred to in subparagraphs I(C)(2)(a) and (g) of the document referred to in this section without the prior written concurrence of the State. Such concurrence shall be

deemed obtained unless the State advises the Secretary within ninety days of receipt of a formal notice from the Secretary that he is considering placing property in the selection pool, that the State, or a municipality of the State which includes all or part of the property in question, requires the property for a public purpose of the State or municipality; and

“(D) notwithstanding section 606(a)(2) of the Alaska Railroad Transfer Act of 1982 [section 1205(a)(2) of Title 45, Railroads], the Secretary may include property of the Alaska Railroad in the pool of lands to be made available for selection to the extent that he is authorized to do so under a provision of section 12(b) of this Act [subsec. (b) of this note] if the State consents to its inclusion, which consent is not subject to any limitation under subsection 12(b)(8)(i)(C) herein: *Provided*, That, while the Alaska Railroad is the property of the United States, the Secretary shall obtain the consent of the Secretary of Transportation prior to including such property: *And provided further*, That, if the transfer of the Alaska Railroad to the State does not occur pursuant to the terms of the Alaska Railroad Transfer Act of 1982 [see Short Title note set out under section 1201 of Title 45] or any amendments thereto, the State’s consent shall be deemed obtained unless the State advises the Secretary in writing, within ninety days of receipt of a formal notice from the Secretary that he is considering placing such property in the selection pool, that the State, or a municipality of the State which includes all or part of the property in question, requires the property for a public purpose of the State or the municipality.

“(ii) In addition to the review required to identify public lands under section 3(e) of the Alaska Native Claims Settlement Act (43 U.S.C. 1602(e)), the Secretary shall identify for inclusion in the pool all public lands (as such term is used under section 3(e) of the Alaska Native Claims Settlement Act (43 U.S.C. 1602(e)), as described in subparagraph I(C)(2)(a)(v) of the document referred to in this section, and shall, in so doing, review all Federal installations within the boundaries of the Cook Inlet Region whether within or without the areas withdrawn pursuant to section 11 of the Alaska Native Claims Settlement Act (43 U.S.C. 1610) or by the Secretary acting under authority contained in that section: *Provided*, That no such additional review under such subparagraph shall be required of military installations or of such other installations as may be mutually excluded from review by the Region and the Secretary: *And provided further*, That the Secretary shall not review any property of the Alaska Railroad unless such property becomes available for selection pursuant to subsection 12(b)(8)(i)(D) [subsec. (b)(8)(i)(D) of this note].

“(iii) The concurrence required of the State as to the inclusion of any property in the pool under subparagraph I(C)(2)(b) of the document referred to in this section shall be deemed obtained unless the State advises the Secretary in writing, within ninety days of receipt of a formal notice from the Secretary that the Secretary is considering placing property in the selection pool, that the State, or a municipality of the State which includes all or part of the property in question requires the property for a public purpose of the State or the municipality.

“(iv) The deadlines in subparagraph I(C)(1)(b) of the document referred to in this section shall be extended for an additional twenty-four months beyond the dates established in the Act of July 17, 1980 (Public Law 96-311; 94 Stat. 947) [amending this note].

“(v) On or before January 15, 1985, the Secretary shall report to the Congress with respect to:

“(A) such studies and inquiries as shall have been initiated by the Secretary and the Adminis-

trator of General Services, or have been prepared by other holding agencies, to determine what lands, except for lands held by the Alaska Railroad or the State-owned railroad, within the boundaries of the Cook Inlet Region or elsewhere can be made available to the Region, to the extent of its entitlement;

“(B) the feasibility and appropriate nature of reimbursement of the Region for its unfulfilled entitlement as valued in subsection 12(b)(7)(iv) of this Act [subsec. (b)(7)(iv) of this note];

“(C) the extent to which implementation of the mechanisms established in section 12(b)(7) [subsec. (b)(7) of this note] promise to meet such unfulfilled entitlement;

“(D) such other remedial legislation or administrative action as may be needed; and

“(E) the need to terminate any mechanism established by law through which the entitlement of the Region may be completed.

“(9) No disposition or conveyance of property located within the State to the Region under section 12(b)(6), 12(b)(7) and 12(b)(8), as amended [subsec. (b)(6) to (8) of this note], shall be made if the property is subject to an express waiver of rights under the provisions of subparagraph I(C)(2)(f) of the document referred to in this section, or if such disposition or conveyance violates valid rights, including valid selections or valid authorized agreements, of Native Corporations (as such term is used in section 102(6) of the Alaska National Interest Lands Conservation Act (16 U.S.C. 3102(6)) or the State existing at the time of such disposition or conveyance under section 6 of Public Law 85-508, as amended [set out as a note preceding section 21 of Title 48, Territories and Insular Possessions] (excepting section 906(e) of the Alaska National Interest Lands Conservation Act [section 1635(e) of this title]), sections 12(a), 12(b), 16(b) or 22(f) of the Alaska Native Claims Settlement Act [subsec. (a) or (b) of this section or section 1615(b) or 1621(f) of this title, respectively], section 12(h) of the Act of January 2, 1976 (Public Law 94-204; 89 Stat. 1154) [subsec. (h) of this note], or sections 1416, 1418 through 1425 (inclusive), 1427 through 1434 (inclusive), or 1436 of the Alaska National Interest Lands Conservation Act [not classified to the Code]: *Provided, however*, That nothing within this subsection 12(b)(9) [subsec. (b)(9) of this note] shall diminish such rights and priorities as the Region has under section 12(b) of the Act of January 2, 1976 (Public Law 94-204; 89 Stat. 1151), as amended by section 4 of the Act of October 4, 1976 (Public Law 94-456; 90 Stat. 1935), section 3 of the Act of November 15, 1977 (Public Law 95-178; 91 Stat. 1369), section 2 of the Act of August 14, 1979 (Public Law 96-55; 93 Stat. 386), the Act of July 17, 1980 (Public Law 96-311; 94 Stat. 947), and section 1435 of the Alaska National Interest Lands Conservation Act [subsec. (b) of this note].

“(10) For the purpose of its incorporation into this section, paragraph I(C)(1) of the document referred to in this section is amended as follows: (1) by striking ‘withdrawn’ and inserting in lieu thereof ‘withdrawn or formerly withdrawn’; (2) by striking ‘17(d)(1)’ and inserting in lieu thereof ‘17(d)(1) and (2)’; and (3) by striking the last sentence of subparagraph I(C)(1)(a) and inserting in lieu thereof the following: ‘Cook Inlet Region, Incorporated shall not nominate any lands within the boundaries of any conservation system unit, national conservation area, national recreation area, national forest, defense withdrawal, or any lands that were made available to the State for selection pursuant to sections 2 and 5 of the State-Federal Agreement of September 1, 1972.’

“(11) Notwithstanding the provisions of section 906 of the Alaska National Interest Lands Conservation Act [section 1635 of this title] and section 6(i) of the Alaska Statehood Act (72 Stat. 339) [set out in a note preceding section 21 of Title 48, Territories and Insular Possessions];

“(i) The State is hereby authorized to convey to the United States for reconveyance to the Region,

and the Secretary is directed to accept and so reconvey, lands tentatively approved for patent or patented to the State, if the State and the Region enter into an agreement that such lands shall be reconveyed to the Region to fulfill all or part of its entitlement under paragraph I(C)(1) of the document referred to in this section: *Provided*, That the acreage of lands conveyed to the United States under this provision shall be added to the State's unfulfilled entitlement pursuant to section 6 of the Alaska Statehood Act, and the number of townships to be nominated, pooled, struck, selected and conveyed pursuant to paragraph I(C)(1) of the document referred to in this section shall be reduced accordingly.

“(ii) The Secretary is directed to convey to the Region lands selected by the State prior to July 18, 1973 or pursuant to sections 2 and 5 of the State-Federal Agreement of September 1, 1972, if the State relinquishes such selections and enters into an agreement with the Region that such lands shall be reconveyed to the Region to fulfill all or part of its entitlement under paragraph I(C)(1) of the document referred to in this section, and the number of townships to be nominated, pooled, struck, selected and conveyed pursuant to paragraph I(C)(1) of the document referred to in this section shall be reduced accordingly.

“(iii) The Secretary, in the Secretary's discretion, is authorized to enter into an agreement with the State and the Region to implement the authority contained in this section 12(b)(11) [subsec. (b)(11) of this note], which agreement may provide for conveyances directly from the State to the Region. Conveyances directly conveyed shall be deemed conveyances from the Secretary pursuant to the Alaska Native Claims Settlement Act (43 U.S.C. 1601 et seq.).

“(c) The lands and interests conveyed to the Region under the foregoing subsections of this section and the lands provided by the State exchange under subsection (a)(1) of this section, shall be considered and treated as conveyances under the Settlement Act [this chapter] unless otherwise provided, and shall constitute the Region's full entitlement under sections 12(c) and 14(h)(8) of the Settlement Act [sections 1611(c) and 1613(h)(8) of this title]. Of such lands, 3.58 townships of oil and gas and coal in the Kenai National Moose Range shall constitute the full surface and subsurface entitlement of the Region under section 14(h)(8) [section 1613(h)(8) of this title]. The lands which would comprise the difference in acreage between the lands actually conveyed under and referred to in the foregoing subsections of this section, and any final determination of what the Region's acreage rights under sections 12(c) and 14(h)(8) of the Settlement Act [sections 1611(c) and 1613(h)(8) of this title] would have been, if the conveyances set forth in this section to the Region had not been executed, shall be retained by the United States and shall not be available for conveyance to any Regional Corporation or Village Corporation, notwithstanding any provisions of the Settlement Act [this chapter] to the contrary.

“(d)(1) The Secretary shall convey to the State of Alaska all right, title, and interest of the United States in and to all of the following lands:

“(i) At least 22.8 townships and no more than 27 townships of land from those presently withdrawn under section 17(d)(2) of the Settlement Act [section 1616(d)(2) of this title] in the Lake Iliamna area and within the Nushagak River or Koksetana River drainages near lands heretofore selected by the State, the amount and identities of which shall be determined pursuant to the document referred to in subsection (b); and

“(ii) 26 townships of lands in the Talkeetna Mountains, Kamishak Bay, and Tutna Lake areas, the identities of which are set forth in the document referred to in subsection (b).

All lands granted to the State of Alaska pursuant to this subsection shall be regarded for all purposes as if

conveyed to the State under and pursuant to section 6 of the Alaska Statehood Act [set out as a note preceding section 21 of Title 48, Territories and Insular Possessions]: *Provided, however*, That this grant of lands shall not constitute a charge against the total acreage to which the State is entitled under section 6(b) of the Alaska Statehood Act.

“(2) The Secretary is authorized and directed to convey to the State of Alaska, without consideration, all right, title, and interest of the United States in and to all that tract generally known as the Campbell tract and more particularly identified in the document referred to in subsection (b) except for one compact union of land, which he determines, after consultation with the State of Alaska, is actually needed by the Bureau of Land Management for its present operations: *Provided*, That in no event shall the unit of land so excepted exceed 1,000 acres in size. The land authorized to be conveyed pursuant to this paragraph shall be used for public parks and recreational purposes and other compatible public purposes. An area encompassing approximately sixty-two acres and depicted on the map entitled ‘Native Heritage Park Proposal’ and on file with the Secretary shall be managed in accordance with the generalized land use plan outlined in the Greater Anchorage Area Borough's Far North Bicentennial Park Master Development Plan of September 1974.
