§ 5871. Transitional provisions

(a) Lapse of agency or other body from which functions or programs have been transferred and positions or offices therein

Except as otherwise provided in this chapter, whenever all of the functions or programs of an agency, or other body, or any component there-

of, affected by this chapter, have been transferred from that agency, or other body, or any component thereof by this chapter, the agency, or other body, or component thereof shall lapse. If an agency, or other body, or any component thereof, lapses pursuant to the preceding sentence, each position and office therein which was expressly authorized by law, or the incumbent of which was authorized to receive compensation at the rate prescribed for an office or position at level II, III, IV, or V of the Executive Schedule (5 U.S.C. 5313-5316), shall lapse.

(b) Continuation of orders, determinations, rules, etc.

All orders, determinations, rules, regulations, permits, contracts, certificates, licenses, and privileges—

(1) which have been issued, made, granted, or allowed to become effective by the President, any Federal department or agency or official thereof, or by a court of competent jurisdiction, in the performance of functions which are transferred under this chapter, and

(2) which are in effect at the time this chapter takes effect,
