Author's response to reviews:

Dear editor!

I have now made the changes concerning:

- 1) By way of a section ?Acknowledgements? We have added thanks and sources
2. Please reformat the title page at the front of your manuscript file. DONE
3. page 11/12: the sentence "Furthermore, the force used was at a considerably lower percentage relative to their maximum force than when the tests were performed by patients with arthritis. " is repeated twice. DONE

All the best Sofia Brorsson
