The Fully Managed Service

This service is recommended for Landlords who live away from the area so cannot be easily available to their Tenants or for Landlords who do not wish to have to worry about the constantly changing legislation involved in letting a property and would rather safely leave it to the professionals.

This service includes everything listed under 'Let Only' plus we:

- Register the deposit with The Dispute Service (www.thedisputeservice.co.uk) in line with the Tenancy Deposit Schemes introduced on the 6th April 2007.

- Visit the property at regular intervals to ensure it is being properly looked after and to keep an eye out for any maintenance issues you may need to be aware of.
