

# **EXPOSITION**

## **Purpose:**

*To argue a particular point of view, providing evidence to convince others.*

## **Structure:**

### 1) Statement of Position:

*Statement that gives a point of view on a topic.*

### 2) Arguments:

*Series of arguments and evidence that backs up each point.*

### 3) Reinforcement:

*A concluding statement that summarizes the arguments and restates the author's point of view.*
