Welcome to More Than Music!

Thank you for joining us at TENG's fundraising gala concert – More Than Music! This stunning evening will showcase the research which underpins TENG's musical aspiration, highlighting our emphasis on education and our programmes working with young people – ranging from projects with students with special needs to scholarships for the underprivileged, as well as TENG's impact on the community – centered on the healing power of music.

The TENG Company

The TENG Company is a leading not-for-profit Singaporean arts company that re-imagines the possibilities of Chinese music. Founded in 2004, the company comprises a collective of music educators, scholars and award-winning instrumentalists. TENG's work draws its influence from the East and the West; and the traditional and the contemporary. 龔 (pronounced 'tēng') – as one of the most complex characters in the Chinese language – is an ancient Chinese representation for the sound of a drum. It is a symbol of TENG's aspiration to bring cultures together and empower future generations of musicians and audiences in, and beyond, Singapore.

The TENG Ensemble

The TENG Ensemble is a critically acclaimed Singaporean Chinese fusion music group that bridges between cultures East and West, boasting musical influences from both the traditional and the contemporary. As a collective of music educators, scholars and award-winning instrumentalists, the Ensemble's performances have been a staple in Singapore's arts scene since 2009. At the 2015 National Day Rally, The TENG Ensemble was described by Prime Minister Lee Hsien Loong as 'creating something uniquely Singapore'. The group has performed at events such as the ASEAN Tourism Forum, TEDxPetalingStreet, Youth Olympic Games,

The TENG Ensemble

Shanghai World Expo, Singapore Day in Melbourne, George Town Festival and Singapore International Jazz Festival. The Ensemble's two full-length albums were both rated 4.5 out of 5 stars by The Straits Times and their second album *Stories from an Island City* peaked at #1 on Hong Kong's iTunes World Music Chart. In 2018, the group was awarded the CHT International Award for Musical Performance and Education. In 2019, TENG released their 3rd full length album and was rated 4 out of 5 stars.
