## Dunnrite Inflatable SUPs StandUp Inflatable Paddle Boards

Length	Width	Thick	Volume	Weight	Capacity
11'	32"	6"	238 L	22 LBS	275 LBS

Highest Quality Inflatable SUP-Constructed with Military Grade PVC for ultimate performance and durability.

Innovative design emphasizing quality, durability and functionality. Dunnrite's SUP are slightly wider than most other boards to ensure increased stability. With a thickness of 6 inches, our boards have more volume which increases weight capacity and keeps the boarder gliding on top of the water with ease. In addition, this board has front and rear storage straps and has extra tie points to enable easy addition of kayak seat.

**Wider Design  
For increased  
Stability**

Includes light and durable Carbon Fiber adjustable paddle, heavy duty carry backpack with padded straps, high pressure pump, coil leash and three heavy duty plastic fins.

# DUNN *Rite* Pool Stool

- Designed for in-pool or on-deck use
- Two size options to account for variable pool depth
- Easily adjustable feet for leveling on any surface
- Built to withstand sun, weather, and chemicals of any pool or outdoor environment
- Compatible with all pool types, including vinyl

## Pool Stool

### Portable Pool Stool

Tired of standing in the pool all day? Take a load off and relax on the comfort of our new Pool Stools. Our Pool Stool line comes in two size options; a 24" and 30" high stool. The 30" height model has a circular footrest allowing for 360-degree comfort. Both 30" & 24" stools are made of rugged polyethylene and feature 4 adjustable leveling feet to accommodate sloped pool floors. Both Pool Stools come complete with pre-filled weighted sand cavities which allows for simple installation by placing the stool in your pool. This allows the stool to effortlessly self-fill while settling to the bottom of the pool. The Pool Stools also can be used for extra outdoor seating at your bar or table.
