# Tool Storage

## Finding the right tool has never been so fast

Having a storage solution for your tools will simplify your life by saving you time, trouble and frustration before starting your project. Securely store your everyday items while keeping your workspace clear.

## A work surface is the key to any workshop

Add a work surface to your space without taking up floor space. When pairing our metal shelf with Heavy Duty Wall Panels you will get the strength needed for all your tough jobs.

## Customize your tool storage with accessories exclusively designed for your tools:

- Handheld Power Tool Hook
- Vertical Tool Hook
- 12" Shelf with Cord Holder
- 6" Shelf with Cord Holder
- Magnetic Bars
- 12" Power Tool Bracket
- Tripod Tool Hook
- Power Strip Set
- Tool Organizers
- Heavy Duty Cradle Hook

# Lawn & Garden Storage

## Make time to admire your garden

Spend more time enjoying your garden then working in it. Neatly store all your gardening equipment so there is no more time wasted looking for your garden items. Get everything you need in one place so you can get back to doing the things you love when the sun comes out.

## Your space your way

Adding organization to a garden space is more than a dream! Whether you are transforming a full garage or a shed into your dream garden space, our Accessory Bundles make shopping easy.

## Storage with a gardener in mind:

- Angle Hook - Designed to dry out your boots.
- Heavy Duty Tool Hook - Safely store multiple large items together.
- Heavy Duty Box Hook - Perfect for clippers.
- Heavy Duty Utility Hook - An easy way to store hoses.
- Heavy Duty Baskets - Have the strength needed for heavy pots and bags of soil.
- Vertical Tool Hook - Get your power equipment hanging vertical to save space.

# Bike Storage

## Storage to get you on the road faster

Whether you are a competing cyclist, one who just loves being on the road, or a family with bikes for everyone, we have the perfect storage solution for you. storeWALL has partnered with Steadyrack to create the best space saving storage bike system out there!

Watch Steadyrack in action

## Bike Storage that rotates has never been better

- Compact space saving storage that pivots and folds away, giving you more space in your garage.
- Installed with our CamLok technology so you know it's strong.
- If your bike collection has out grown your space, storing vertically with any of our rotating accessories allows you to fit more bikes in less space.
- No matter the type of bike you have, there is a rotating storage option for you.

# Sports Storage

## For those who love adventure

Finding your next adventure takes on a whole new meaning when it takes seconds to find your equipment. If you love the water, the snowy slopes, a quiet stream or a dangerous cliff, make organizing easy so you can add more spontaneity to your life!

Get out and have more fun! Our adventurous collection of accessories will fit your outdoor lifestyle.

- Kayaks
- Surfboards
- Ski equipment
- Snowboards
- Fishing gear
- Tennis
- Golf
- Rock climbing
- Camping and hiking

# Home Gym Storage

## Create a space that motivates you!

We all know that exercise is important, so let us help you build a home gym that makes you feel excited about working out in the convenience of your own home. You can create a fitness environment that fits your needs! Whether you prefer cardio, weight-lifting, spin or yoga, a customized home gym is sure to keep you motivated.

Storage for everyone where there are endless opportunities for your organization

### Weight-Lifters

Wall mounted weight storage allows you to make any spaces larger by freeing up floor space, giving you more space to move! When using our Heavy Duty Wall panels with hidden fastener installation you will have a holding capacity of 300 lbs per square foot.

### Cardio-Enthusiast

We know you like to spend time on your cardio equipment! However, you may still have some strength training items near by. Build a showcase fitness room you want to be in.

### Yoga Studio

Your space needs to be serene and mindful. With our many color options you will find peace during your session. By adding wall storage you will be able to easily store your mats, blocks and blankets easily giving you more comfort and time.

## A wall for every project

This is where home organization gets FUN! We have color options that bring your style to your space. Don't forget to think outside the garage, our panels go great with interior spaces too. From pantries, to basements, to kids spaces. You can design and organize any space!

### Heavy Duty

Top of the line and the strongest on the market. Produced with a high density industrial grade PVC compatible with our hidden fastener installation system. Providing a holding capacity of 300lbs per square foot at the surface.

### Standard Duty

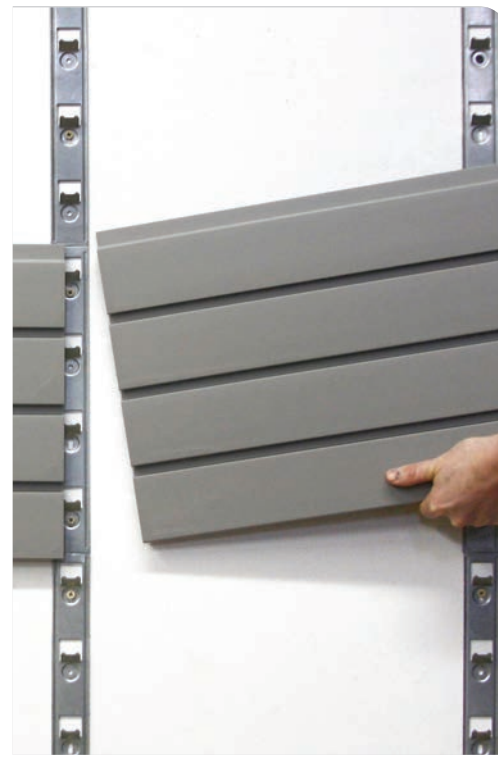

Includes many of the same features as our Heavy Duty option, but is slightly smaller. It has a compatible hidden fastener installation process and still yields high holding capacities at 250 lbs per square foot at the surface.

### Basic Duty

This is our basic line for those who want budget friendly options. Installed with a color matching screw only.

## Final touches

You picked out the perfect wall color and the exact accessories you need to make your space your own. Don't forget about the final details to finish your space!

### Trim Details:

Our trim is designed to give your project a finished look at the seams, edges, around outlets, switches, and corners. It will seamlessly match your wall panels and make your space feel complete.

# CamLok

**Exclusive CamLok**  
Keeps accessories locked in place.

**Heavy Duty Backplate**  
Engineered tough for the most demanding applications.

**STW 10 Powder Coat Finish**  
Extra heavy coating to prevent damage and protect against rust.

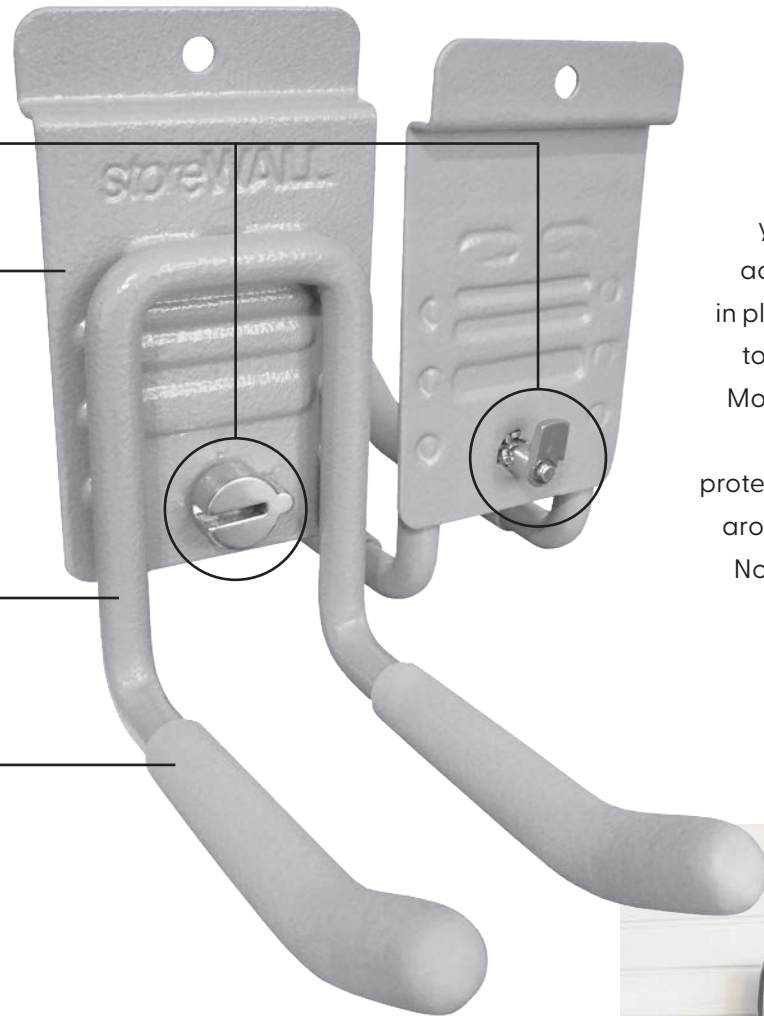

**Industrial Grade Steel**  
Engineered strong to hold your most valuable equipment.

**Rubberized Grip**  
For extra grip and to prevent damage to your items.

**storeWALL's 10 Year Warranty**  
Performance guaranteed to last 10 years. No questions asked!

## Safe Accessories Features and Options

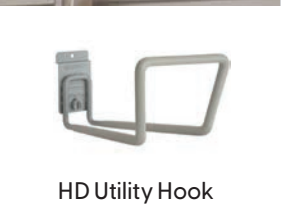

- Anti-slip Accessories
- Lock in place
- Large, heavy items stored safely
- **HD Box Hook** - Store axes, crowbars, and more.
- **Closed Loop Hook** - Keeps large items from tipping.
- **Cradle Hook** - Great for fire extinguishers.

## Storage with flexibility

Your life changes and so does your storage needs. storeWALL accessories are designed to lock in place yet are completely flexible to change with you and your life. Moving an accessory is easy, with a quick turn they lock in place protecting your items and the space around them. Need to move them? No problem turn the CamLok and your hook releases giving you complete flexibility.

# Heavy Duty Storage

## Best in market

Our accessories are the best in the market. Not only do they protect your items but our CamLok keeps the accessory from falling off the wall protecting your possessions and family.
