

# SUDDEN SERVICE<sup>®</sup> ADVANTAGE

## UNMATCHED LEAD-TIMES

Innovative Programs & Systems Enable Deliveries in Days, Not Weeks.

# Reserve<sup>™</sup>

SHIPS TOMORROW

This designation allows customers to quickly and easily identify availability of over 200,000 of Samtec's most popular connectors and cables - guaranteed to ship in 1-day.

Look for the **Reserve** badge throughout [samtec.com](http://samtec.com) to quickly determine if your part number is eligible, along with current availability, quantity breaks and pricing. Hundreds of part numbers are being added daily!

The image displays three overlapping screenshots of the Samtec Reserve program interface. The top screenshot shows a configuration page for part number FTSH-105-01-L-DV-K, with various options like 'On/Off', 'Lead Type', and 'Packaging Option' being selected. The middle screenshot shows a pricing table for the same part number, with columns for 'Part Number', 'Ship To Lead Time', 'Packaging Type', 'Min', 'Mult', and 'Difference'. The bottom screenshot shows a 'Check Availability' dialog box with a 'Reserve' button.

Part Number	Ship To Lead Time	Packaging Type	Min	Mult	Difference
