# NEWSLETTER

## YOUR FOUNDATION TEAM

EMILY, DAVE, JENNIFER, EVELYNN, JASON & BARB

We enjoy creating a culture of philanthropy essential to fulfilling the fundraising requirements necessary to support all of the Hospital's vital equipment and renovation needs.

Did you know...the government funds the Hospital to operate and they DO NOT fund medical equipment purchases or Hospital renovations?

That's our job at the Foundation!

## UPCOMING EVENTS:

### ANNUAL CHARITY GOLF CLASSIC

This annual charity golf classic is one of the Foundation's signature events. Proceeds will go to support the Department of Diagnostic and Cardiopulmonary Imaging in honor of John P. Larche.

## TIMMINS DISTRICT 50/50 NEWS

WE DID IT!

We can't thank you enough for your ongoing support of our District 50/50!

All thanks to YOU, we have ACHIEVED our goal for the Nurse Call Bell system!

THANK YOU!

For your chance at a new jackpot every month go to [www.timminsdistrict5050.ca](http://www.timminsdistrict5050.ca).

## ANNUAL CHRISTMAS CARD CAMPAIGN

Our annual campaign is once again a resounding success! Thanks to your generous support, the Emergency Department has received, and is using this new portable ultrasound unit.

This modern unit has revolutionized patient care at the bedside in the Emergency Department and its use is continuing to expand to greater applications and at the patient bedside.

## Ontario Volunteer Service Award Recipients

Thank you for your dedication to the Timmins and District Hospital Foundation!

The TADH Foundation Board members are generous, professional individuals. Their volunteerism ensures our patients receive the best healthcare possible with the latest life-saving equipment and state-of-the-art facilities. Together, they provide leadership, direction, and support to the organization.

The Foundation board has an incredible opportunity to nurture meaningful, values-based partnerships with community donors to grow a source of revenue that will be essential to sustaining, strengthening and transforming health care in this new era. In short, they advocate for healthcare.
