TADH FOUNDATION WELCOMES NEW BOARD MEMBERS

The Foundation collaborates with a volunteer board of 20 individuals with representation from across the Northeast. Their time and expertise are essential in helping us achieve our goal of securing funding to purchase new equipment and to provide hospital renovations. Board members provide operational guidance, strategic direction, raise awareness and expand our connections in the community. They are the driving force behind the scenes that are critical to our success. This year we WELCOME two new members!

Born and raised in Timmins, **JENNY KUHELJ** brings a wealth of knowledge from her experiences in the oncology industry. Her insights will be a valuable asset to our team. We are excited to welcome her aboard.

VÉRONIQUE TRAHAN is no stranger to the Timmins and District Hospital as she was the former pastoral care coordinator. She has recently joined our team, bringing her love for our wonderful community. Her care and compassion will be invaluable in guiding us to make care exemplary for Northerners.

TIMMINS AND DISTRICT HOSPITAL CELEBRATES 30 YEARS

In November 1993, the newly constructed TADH opened with the transfer of all patients and staff from the St. Mary's site. Our healthcare teams pride themselves on providing exemplary care to Northerners.

Throughout the month of November, the Hospital engaged employees, past and present, to participate in activities to commemorate the 30th anniversary of Timmins and District Hospital.

THE FINANCIAL BENEFIT OF CHARITABLE GIVING

Charitable donations help the Foundation achieve its goal of supporting the high priority needs of Timmins and District Hospital.

You could also qualify for federal and provincial tax credits!

Check out a fabulous article our friends at Canada Helps released earlier this year. You can even calculate your charitable tax credits.

THIRD PARTY FUNDRAISER

Newmont Porcupine hosted a charity golf tournament inviting business partners, employees, their friends and family to join the fun filled day of golf, challenges and contests. Along with day-of activities that contributed to the total amount raised, platinum event sponsors (Sandvik, Grainger, Levert & Epitron) were then joined by a surprise donation of \$18,000 from Aim Recycling on behalf of Newmont, bringing the total amount raised to **\$41,160**.

“Health is one of our investment priorities here at Newmont Porcupine. Supporting the Timmins and District Hospital Foundation is important to us knowing that the funds generated ensure the best healthcare possible for our community, our families and our teams.”

Newmont Porcupine, General Manager*
