- 05. **Have a great summer**

Every year, the Timmins Chamber of Commerce holds the NOVA awards ceremony to recognize business excellence, the largest of its kind north of Toronto. We are excited to share that the TADH Foundation has received the City of Timmins **Non-Profit Organization Award**.

We believe our success comes from the amazing individuals who have supported our cause - including generous donors, dedicated volunteers, steadfast supporters, hardworking employees, and invaluable partners.

Thank you for being a crucial part of our journey toward a healthier community.

HOLIDAY STORE FRONT

This past holiday season we spread some cheer at Timmins Square! Our pop-up shop was a hit this Christmas as we enjoyed engaging in delightful one-on-one chats with our amazing supporters, not just from the north, but from all corners of the country! Thank you to all who stopped by in December.

OUR MISSION

To inspire, enable and recognize community philanthropic support for patient care at the Timmins and District Hospital.

If you're interested in discussing ways to support healthcare, you can reach us in person at in the main promenade of TADH. Feel free to call us at **705-360-6039** or drop us an email at foundation@tadh.com.

We're here to help you make a difference in healthcare!

SAVE THE DATES - 2024

Get ready to have a blast this year because we've got not one, not two, but **THREE** awesome events lined up!

Dueling Pianos - June 13

John P Larche Charity Golf Classic - August 8

Dancing with the Docs - October 24

It's all for a good cause - supporting our Hospital and hanging out with some amazing donors. Give us a call at 705-360-6039 for details. Let's make some memories and do some good together!

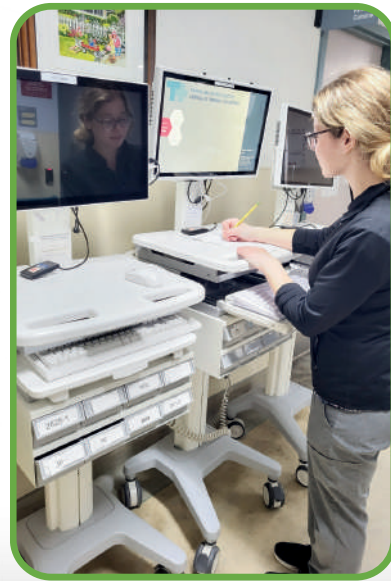

WELCOME ABOARD!

We are excited to announce that Chantal Rheault is now part of the Foundation squad! With skills in media design and event planning, she's the real deal. We are happy to welcome Chantal to the team!

UNIQUE FUNDRAISING

Taking fundraising into your own hands offers many options, and one inspiring example is the Chemo Care Bags program initiated by independent consultants of Thirty-One, namely Carrie Sullivan, Sheri Beaudin, and Jodi Lachance. This thoughtful initiative involves customers adding zippered pouches to their orders, which are then filled with treats by the dedicated trio. These gifts are designed to bring joy to patients of the TADH Oncology department. What started as Carrie's vision in 2015 has evolved into a collaborative effort with Sheri and Jodi, showcasing the power of community and compassion in making a positive impact.

GIFTS AT WORK

Funds raised over the last 6 months have contributed to the purchase of new medical equipment for various areas of TADH. Here are a few highlights:

Workstations on wheels - WoW's

Teams on the medical floors gain mobility/access at the bedside; WoW's also reduce nursing staff and physicians' trips to the main desk allowing for more time with patients!

Colonoscopes

These flexible tubes with tiny cameras allow physicians improved view of the entire colon. Important to investigate intestinal issues.

Intelliguard pharmacy system

An automated restocking and management system of pharmaceutical items in crash carts or anesthesia trays. These urgent response kits can be checked in 3 minutes compared to 40 minutes.

Until next time,
have a great summer
