#generosity  
find it in  
Timmins

This year, our community events raised over \$230,000 for TADH's urgent needs, demonstrating the generosity and unity of our supporters. The funds will be used to acquire essential equipment to improve services, reflecting our collective commitment to enhancing community well-being.

**\$68,670**  
*Raised!*

The Great Canadian Dueling Pianos with Claude and Simon performed for a sell-out crowd in June. We caught up with friends and danced like no one was watching despite tornado warnings, a storm, road construction and Chanelle and Bella (Claude's daughters) filling in for Simon. Thanks for the unforgettable memories!

**\$ 85,000**

*Raised!*

**ANNUAL CHARITY GOLF CLASSIC**  
**CLASSIQUE ANNUEL DE GOLF BÉNÉFICE**

The 15th Annual John P. Larche Charity Golf Classic was held in August, attracting more than 144 golfers at the Spruce Needles Golf Club.

**\$ 77,000**

In October, seven doctors collaborated with Melissa Kelly Dance Academy to perfect their performances. Their goals were to win the Mirror Ball trophy and raise funds for essential equipment at TADH.

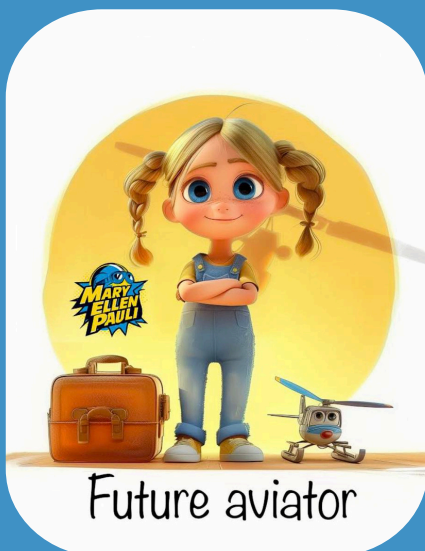

## UNIQUE COMMUNITY SUPPORT

The Ladies of Harley North East HOG Chapter 9998 raised \$1,080 for the Timmins and District Hospital's Breast Wellness Centre through their annual Tim Hop. Dressed in pink, they collected donations while riding to different Tim Horton locations across multiple towns.

## FOUNDATION BOARD NEWS

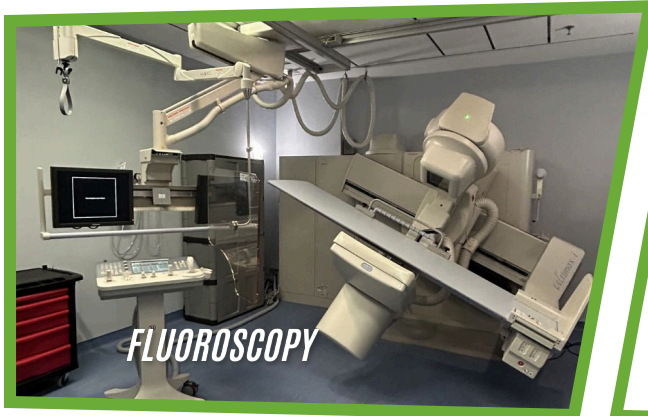

### HELICOPTER PILOT IN THE MAKING

Congratulations to Hospital Foundation board member Mary Ellen Pauli on her first paperback! This inspiring story recounts her journey to becoming a pilot in 1979, challenging society's norms. Growing up in the 1960s, Mary Ellen drew strength from her mother's encouraging words, proving that determination can help anyone achieve their dreams.

# GIFTS AT WORK

Our District 50/50 celebrated its fourth anniversary in September, raising nearly 20 million dollars for medical equipment and renovations at the Timmins and District Hospital. These funds ensure high-quality care for all patients. Here's a recap of the essential equipment purchased in 2024:

season's greetings and happy  
new year
