# Action Done in Sports & Activities

Sports and activities require physical actions and movements to allow people to play and meet their objectives during a game or practice. Actions are also part of sports and activities to help practice a person's development in specific skills and experience.

**Action  
Done in  
Activities &  
Sports**

# trick

(trick)

A *trick* is an act that magicians do to entertain people.

# Objective of Sports Games

Having an objective while playing sports teaches players to work together as a team. These objectives set up goals and demonstrate the team's improvement.

**Used in Some Sports:**  
\* defense  
\* goal

**Used in All Sports:**  
\* victory  
\* triumph

**Objective of Sports Game**

# victory

(vic-to-ry)

The *victory* was celebrated by accepting a first place trophy.

Image of members from the active duty women's team on Fort Bragg, N.C., raise their trophy for winning the best team time in the Army Ten-Miler race. This image has been released into public domain due to a work of the U.S. federal government.

# triumph (tri-umph)

The team's *triumph* was a wonderful celebration.

# defense (de-fense)

A goalie plays *defense* by blocking the ball from going into the goal.

Image of goalie for the U.S. dives for the soccer ball against a player for Japan. This image has been released into public domain due to a work of the U.S. federal government.

# goal (goal)

A soccer *goal* is where players try to score points in order to win the game.
