AILLIO KNOCKBOX

A double wall knockbox designed in Copenhagen to make our lives a little easier. Take your used portafilter and tap the basket against the rubber bar. The clump of spent espresso grounds, or “puck” as it is sometimes called, will drop into the knockbox for easy disposal. (If the puck stays in one piece, it’s a good sign that your brewing is on the right track!)

CUSTOM PRINTING SERVICES

PRICE
CATALOGUE

We offer a range of custom printing services to help you create unique and eye-catching packaging for your products. Whether you're looking for digital printing, rotogravure printing, hot stamps or rewind films, we have the expertise and equipment to deliver high-quality results.

Digital Printing

With our digital printing service, you can produce high-quality images and designs with a quick turnaround time. This is a great option if you need to produce a smaller quantity of packaging, with a MOQ of 1000 units.

Rotogravure Printing

For larger quantities, our rotogravure printing service is a perfect choice. This printing process produces crisp and detailed designs, and we can produce up to 10 colours. The MOQ for this service is 10,000 units.

Hot Stamps

We also offer hot stamping services, which adds a metallic finish to your packaging. This is a great way to add a touch of luxury to your products.

Rewind Films

Our rewind film service allows you to create custom packaging that stands out on the shelf. This process involves printing your design onto a film which is then laminated onto your packaging material.

Custom Printed Cups

Our cups are made from high-quality materials and can be printed with your logo or artwork, making them a unique and eye-catching way to advertise your our brand.

Custom Printed Boxes

We offer a range of box sizes to meet your shipping needs, from small boxes for individual products to larger boxes for bulk shipments. Our boxes can be printed in a variety of colours, so you can choose the best option to match your brand or design.
