IMPORTANT INFORMATION: YOUR RIGHTS IN RELATION TO FAULTY GOODS

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law ("ACL"). You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Goods purchased from The Good Guys also come with a The Good Guys Voluntary Warranty, which is intended to provide you with remedies which are consistent with your rights under the ACL. The Good Guys Voluntary Warranty and your rights under the ACL generally provide protection if your product becomes faulty for longer than the standard manufacturer's warranty even if you do not purchase The Good Guys Gold Service Extras.

The Good Guys Understanding Your Rights brochure (available from www.thegoodguys.com.au/gold-service-extras-terms-and-conditions) contains further information about The Good Guys Minimum Voluntary Warranty and your rights under the Australian Consumer Law.

Your Rights under the ACL

The ACL provides consumers' basic, guaranteed rights for goods they purchase ("**Consumer Guarantees**") at no charge. The ACL requires that, taking account of the nature of goods, the price and other relevant circumstances, the goods must be free of defects, do what they are meant to do, be safe, durable and acceptable in appearance and finish, be fit for any particular purpose that the consumer makes known, and comply with any description provided or demonstration model used.

Whether a consumer is entitled to a remedy under the ACL will depend on the circumstances. Consumer Guarantees have no set time limit but generally last for an amount of time that is reasonable in the circumstances, given factors including the cost and quality of the goods and the use made of the goods. Consumer Guarantees may continue even after the expiry of any Manufacturer's warranty for the goods. The exact amount of time that Consumer Guarantees last in the case of a specific purchase varies depending on the circumstances. Consumers with a claim for breach of a Consumer Guarantee should contact the retailer of the goods at first instance. If you are unable to reach resolution with the retailer or manufacturer as to the remedy, you should seek independent advice and/or contact the ACCC or your state/territory fair trading body.

Certain benefits You receive under Your The Good Guys Gold Service Extras are already available to You under Australian Consumer Law. Some of these benefits include the right to reimbursement of reasonable extra costs or reasonably foreseeable loss You can show resulted from a faulty product. Your The Good Guys Gold Service Extras does not seek to reduce, qualify or limit those rights in any way, but to make enforcement or recovery of these costs simpler and less stressful for You.

The Good Guys Gold Service Extras does not change or remove any rights that the Australian Consumer Law or a Manufacturer's Warranty may give You, but seeks to give You certain further benefits, that may include certainty of outcome.

- the Member Support Team will arrange for an authorised agent to complete an in home assessment of Your Enrolled Product to verify that it has suffered a Mechanical or Electrical Failure; and
- you may be required to participate in troubleshooting on Your Enrolled Product;
- once We have confirmed that Your Enrolled Product has suffered a Mechanical or Electrical Failure, the Member Support Team will provide You with a claim number to take to The Good Guys store of Your choice, where an Equivalent Replacement Product will be issued in accordance with section 4.5 ('Replacement terms') in these Terms and Conditions.

In some circumstances, You may prefer to have Your Enrolled Product repaired rather than replaced. If You make such a request, We may offer You this option at Our discretion.

4.3 Repair or replacement (Enrolled Products with an Original Purchase Price greater than \$500)

If the Original Purchase Price of Your Enrolled Product is more than \$500, then:

- (a) if Your Enrolled Product is a Large Appliance, the Member Support Team will contact an authorised agent on Your behalf and arrange an assessment of Your Enrolled Product. The authorised agent will contact You to confirm an appointment time that is convenient for you to be present at home;
- (b) You may be required to participate in troubleshooting on Your Enrolled Product.
- (c) if Your Enrolled Product is a Small Appliance, the Member Support Team will contact You and will ask You to take Your Enrolled Product to a The Good Guys store close to Your home or send Your Enrolled Product to an authorised repairer so We can ensure the appropriate assessment. Please let Us know if You are unable to take Your Enrolled Product to a store close to Your home or to an authorised repairer and The Member Support Team will work with you to make reasonable, alternative arrangements.

Once We have confirmed that Your Enrolled Product has suffered a Mechanical or Electrical Failure, We will either:

- (a) have Our approved repairer repair Your Enrolled Product to normal working order in accordance with section 4.4 ('Repair Terms') of these Terms and Conditions;
- (b) or, if We decide the Enrolled Product is unable to be repaired to normal working order or it is uneconomical to do so, replace Your Enrolled Product in accordance with section 4.5 ('Replacement Terms') of these Terms and Conditions.

4.4 Repair terms

Your Enrolled Product needs to be in Australia in order to be repaired.

Repairs and/or costs associated with repairs to Your Enrolled Product will be at no cost to You provided they are not subject to an exclusion in these Terms and Conditions.

We will repair Your Enrolled Product or relevant parts with the same or equivalent parts. We may replace Your Product with a refurbished Equivalent Replacement Product, rather than repairing it and the replacement of Your Enrolled Product with a refurbished Equivalent Replacement Product will be deemed a repair for the purposes of these Terms and Conditions. Refurbished parts may also be used to repair Your Enrolled Product.

4.5 Replacement terms

Your Enrolled Product needs to be in Australia in order to be replaced.

We will determine what is an Equivalent Replacement Product. Where possible, We will provide you with up to 3 Equivalent Replacement Product options to choose from prior to processing Your Replacement Claim.

If We delivered Your Enrolled Product to You when You purchased it and You elect to receive one of the Equivalent Replacement Product options offered to You, then We will deliver (at Our own cost) your chosen Equivalent Replacement Product to Your home (and if Your faulty Enrolled Product is still in Your possession, remove it from Your home at no charge to You).

Additionally, if The Good Guys Home Services installed Your Enrolled Product, when You purchased it and You elect to receive one of the Equivalent Replacement Product options offered to You, then We will (at Our own cost) ensure that The Good

Guys Home Services installs your chosen Equivalent Replacement product at Your home (and if Your faulty Enrolled Product is still in Your possession, remove it from Your home at no charge to You). Please note the following if Your Enrolled Product is to be replaced:

- If none of the Equivalent Replacement Product options offered are acceptable to You, You may request an alternative replacement product with similar specifications from Us. If You do so, We may at our discretion allow You to select an alternative product with similar specifications valued at no more than the Original Purchase Price of Your Enrolled Product.
- If the Equivalent Replacement Product chosen by You has a price which is lower than the Original Purchase Price of Your Enrolled Product, or You elect to receive a product that is not an Equivalent Replacement Product and that product has a lower price than the Original Purchase Price of Your Enrolled Product, You will not be entitled to a refund of the difference between the Original Purchase Price of Your Enrolled Product and the value of Your chosen Equivalent Replacement Product or other selected product, unless We determine otherwise.
- If We offer You an Equivalent Replacement Product but You instead elect to receive a product that is not an Equivalent Replacement Product (**Non-Equivalent Replacement Product**) and that Non-Equivalent Replacement Product has a price which is higher than the Equivalent Replacement Product(s) offered to You, You will be required to pay the difference in price between the Non-Equivalent Replacement Product and the Equivalent Replacement Product (with the highest price) offered to You.
- If We reasonably believe that We cannot provide You with an Equivalent Replacement Product, We will provide You with a Store Credit to the value of the Original Purchase Price of Your Enrolled Product in lieu of an Equivalent Replacement Product. Store Credits are subject to the terms and conditions available at www.thegoodguys.com.au/store-credit. In particular, please note that Store Credits cannot be used to purchase certain products, including stored value/gift cards, digital products and products which The Good Guys sells as agent for the relevant manufacturer or supplier.

Whether Your The Good Guys Gold Services Extras will continue to apply after Your Enrolled Product is replaced will depend on the circumstances in which Your Enrolled Product is replaced:

- If Your Repair/Replacement Claim is made within the Replacement Product Transfer Period and you wish to add The Good Guys Gold Service Extras to (as the case may be) Your chosen Equivalent Replacement Product, Your chosen Non-Equivalent Replacement Product or the replacement product You purchased with a Store Credit provided to You in lieu of an Equivalent Replacement Product (**Chosen Replacement Option**), then we may offer You a credit up to the original price paid by You for Your The Good Guys Gold Service Extras Membership, that you can put towards a new The Good Guys Gold Service Extras membership to cover Your Chosen Replacement Option.

- o If You choose to take up Our offer to apply this credit towards the cost of a new The Good Guys Gold Service Extras membership to cover Your Chosen Replacement Option, Your existing The Good Guys Gold Service Extras membership will cease, and any remaining entitlements under that The Good Guys Gold Service Extras membership will be forfeited.
- o If you choose not to take up our offer of a credit to purchase a new The Good Guys Gold Service Extras membership to cover Your Chosen Replacement Option, only Your remaining entitlements and benefits referred to in section 3.7 ('90 Day StoreCash') and section 5 ('Other The Good Guys Gold Service Extras member benefits') of these Terms and Conditions under Your The Good Guys Gold Service Extras membership will continue for the remainder of the term of Your The Good Guys Gold Service Extras membership. You will not be able to make a Repair/ Replacement Claim under Your The Good Guys Gold Service Extras membership in relation to Your Chosen Replacement Option.
- If Your Repair/Replacement Claim is made after the expiry of the Replacement Product Transfer Period, You will not be able to make a Repair/ Replacement Claim under Your The Good Guys Gold Service Extras membership in relation to Your Chosen Replacement Option. Your remaining The Good Guys Gold Service Extras membership entitlements and benefits referred to in section 3.7 ('90 Day StoreCash') and section 5 ('Other Gold Service Extras member benefits') of these Terms and Conditions, including Gold Service Extras 90 Day StoreCash and access to Gold Service Extras Rewards, will continue for the remainder of the term of Your The Good Guys Gold Service Extras membership.

Where We have replaced Your Enrolled Product with Your Chosen Replacement Option, Your Enrolled Product will become Our property. You may dispose of the Enrolled Product if We agree in writing prior to You disposing of it.

If Your Enrolled Product suffers a Mechanical or Electrical Failure which only relates to an attachment or accessory, the attachment/accessory may be replaced (subject to the exclusions in section 3.3 ('Eligible products'), section 5.1 ('Excluded faults'), section 5.2 ('Excluded repairs') and section 5.3 ('Excluded costs, loss and damages' of these Terms and Conditions), rather than replacing Your Enrolled Product.

If We agree to replace your Enrolled Product with Your Chosen Replacement Option then You will have 90 days from the date on which we agree to arrange the collection of or take delivery of your Chosen Replacement Option and finalise your claim. If you have not done so within this 90 day period, You will be required to raise a new replacement request for Your Enrolled Product. We will assess this new replacement request at that time, independently from Your previous replacement product request.

4.6 Repair period guarantee

If Your Enrolled Product is not repaired to normal working order within 20 Business Days from:

- If Your Enrolled Product is a Large Appliance, the date We first inspect it; or
- If Your Enrolled Product is a Small Appliance, the date We receive Your Product from You,

We will, upon Your request, replace Your Product in accordance with section 4.5 ('Replacement terms') of these Terms and Conditions. If You would prefer to proceed with the repair after the expiry of this 20 Business Day period you can request this, and We will provide You with \$100 in 90 Day StoreCash.

4.7 No Lemon Guarantee

If Your Enrolled Product requires more than 2 separate and distinct repairs as a result of Mechanical or Electrical Failure during the term of Your The Good Guys Gold Service Extras membership, We will replace your Enrolled Product in accordance with section 4.5 ('Replacement terms') of these Terms and Conditions.

4.8 In-home Repair for Large Appliances

In most cases, repairs for Enrolled Products which are Large Appliances will be undertaken in Your home if those repairs can be carried out effectively and safely. All Large Appliances are required to be in a serviceable position and We may need to coordinate this prior to Our approved repairer arriving at Your home. If repairs are required to be undertaken at an approved repairer's premises, We will bear all costs to remove, re-install and transport Your Enrolled Product to and from those premises. In these instances, section 4.6 ('Repair period guarantee') of these Terms and Conditions will continue to apply.

4.9 Mechanical or Electrical Failure caused by wear and tear

If Your Enrolled Product suffers Mechanical or Electrical Failure due to wear and tear arising from normal use of the Product, then We will repair or replace Your Enrolled Product in accordance with these Terms and Conditions.

Mechanical or Electrical Failure is caused by wear and tear if it occurs as a result of normal wear or aging and is not the result of any external influence such as physical impact or water damage.

4.10 Free shipping

If Your Enrolled Product requires repair and We request Your Enrolled Product be sent to Our repairer, We will arrange shipping and pay for the cost to send Your Enrolled Product within Australia, excluding any barge or ferry costs, from Your home to Our approved repairer and from Our approved repairer back to Your home.

4.11 Essential Appliance delayed repair 90 Day StoreCash

Where Your Enrolled Product is an Essential Appliance, We have confirmed that it has suffered a Mechanical or Electrical Failure and Your Enrolled Product is to be repaired, if it has not, or is unlikely to be repaired within ten Business Days from the date We assess it, We will, at Your request, provide you with \$100 in 90 Day StoreCash. Your entitlement to the \$100 in 90 Day StoreCash is subject to You being available for any appointment reasonably proposed by Our repair agent.

4.12 Food spoilage reimbursement

If Your Enrolled Product is a fridge or freezer and We have confirmed that it has suffered a Mechanical or Electrical Failure, You may notify the Member Support Team and We will, at Your request, provide a \$100 Payment Card for food spoilage. No receipts are required. This reimbursement may be requested at the time the claim is made and is available in addition to the \$100 in 90 Day StoreCash to which You may be entitled under section 4.11 ('Essential appliance delayed repair 90 Day StoreCash') of these Terms and Conditions.

4.13 Laundry costs reimbursement

If Your Enrolled Product is a washing machine, We have confirmed that it has suffered a Mechanical or Electrical Failure and You have incurred laundry costs during the period Your Enrolled Product is not in working order, You may notify the Member Support Team and We will, at Your request, provide a \$100 Payment Card to reimburse You for laundry costs incurred. No receipts are required. This reimbursement may be requested at the time the claim is made and is available in addition to the \$100 in 90 Day StoreCash to which You may be entitled under Section 4.11 ('Essential Appliance delayed repair 90 Day StoreCash') of these Terms and Conditions.
