A Legacy in Limestone

Welcome to Lake Brownwood State Park, one of the most extensively developed Civilian Conservation Corps (CCC) parks in Texas. Enjoy the handiwork of the CCC men who constructed the rustic limestone cabins and the outdoor seating areas you'll find along the trails.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET WHEN BIKING. Check with park HQ to match the trail to your skill level. Wear a helmet to protect yourself in case of a crash.

POTENTIALLY HARMFUL PLANTS AND ANIMALS MAY LIVE HERE. You'll see them more easily if you stay on trails. Do not approach wildlife!

YOU MAY NOT BE ABLE TO CONNECT. It's a good idea to take along
