

A photograph of two women, one with glasses and one without, both smiling and looking down at a puzzle on a table. The woman on the left has long dark hair and is wearing glasses. The woman on the right has blonde hair tied back. They are in a brightly lit room, possibly a kitchen or dining area. A large red puzzle piece graphic is overlaid on the bottom left of the image, containing the text "2023 Puzzles".

EN Dear Customers, We are pleased to provide you with our current product offer covering the second half of 2023. The catalogue is a presentation of the wide range of Trefl jigsaw puzzles. It is divided into two main parts: jigsaw puzzles for adults (high-number -pieces jigsaw puzzles) and for children (low-number -pieces jigsaw puzzles). At the beginning of each part, you will find special sections listing products with the most popular licences. In addition, each of the two aforementioned parts has been divided into product groups, which will facilitate your efficient search for specific categories. With reference to each group, you will find detailed logistical data and information about dimensions of the product. Moreover, in the catalogue you will find a licence table which will make it easier for you to find quickly the most wanted jigsaw puzzles.

Harry Potter

Brick Trick Harry Potter is a new line of creative brick sets with natural brick! Thanks to these products, you will have great fun and build the most famous structures from the world of Harry Potter. Most importantly – you will be able to construct them from scratch with the help of included blueprints featuring foundation layouts. Use natural bricks fired at 1,000°C and genuine wood as the main building material. You can employ decorative cardboard elements to add roof and windows. Finish the project off with grass, real moss and stones (depending on the set) to give a unique look to your miniature buildings from the world of Harry Potter!
