A Message from our President & CEO

Dr. Sharman Davenport
President & CEO

In 2025, Turning Point is celebrating our 45th Anniversary. We invite you to help us celebrate our 45 years of providing programs that empower survivors of domestic violence, sexual violence, and human trafficking by sponsoring one of our signature events.

Sponsorships are the most important factor to ensuring the financial success of our events. Your generous commitment as a sponsor lets us know that the work we are doing is important. You will also gain visibility and exposure while showing your commitment to supporting local initiatives and making a positive impact.

Turning Point provides life-changing services to approximately 27,000 survivors each year. Your sponsorship makes this possible.

Events not only raise funds for our programs, but they also help us to educate and engage the community in our mission.

Thank you for your thoughtful and intentional investment in our work and your community.

With much gratitude,

A handwritten signature in black ink, appearing to read "Sharman Davenport". The signature is fluid and cursive.

Survivor Voices

Everyone helped me help myself! I feel like the staff went above and beyond me and gave me the tools I needed to be independent.

~ Survivor - Shelter Program

I do not have any family here; however, Turning Point has been a pillar of strength for me. I am so fortunate to have them in my life. They have taken care of me and my kids like a family member. I will never be able to repay this act of kindness in my life. I am deeply indebted to them for life.

~ Survivor - Housing Program

My counseling advocate, is just, simply put, wonderful. She has in a short amount of time, helped me to make tremendous progress toward healing from a lifetime of trauma. Several sessions later my mindset and life is forever changed. She has taught me how to love, respect, and believe in myself. I finally have the courage and strength needed to walk away from a 23-year domestic violence relationship, never to return. There are not enough words to express my gratitude for the services she provides. Thank you Turning Point!
