A Brief Story About The Company

ABOUT US

Tychr is committed to enhancing students' fundamental understanding by filling gaps in existing knowledge and promoting a "laser-focused problem-solving approach." Our approach at Tychr involves delivering knowledge in an integrated, comprehensive, and interdisciplinary manner.

We specialize in creating personalized frameworks tailored to each student's unique strengths and weaknesses. Our services include IBDP Tuition Classes, IBMYP Tuition Classes, IGCSE Tuition Classes, A Levels Tuition Classes, SAT Preparation, ACT Preparation, Advanced Placement (AP) courses, and College Counselling.

VISION

At TYCHR, our mission is to empower students and educational institutions by enhancing their creative and intellectual capabilities. We are dedicated to providing cutting-edge services tailored to students pursuing IBDP, IBMYP, IGCSE, and college counseling. Our goal is to revolutionize global education and cater effectively to the evolving needs of students and educational institutions alike.

MISSION

01

Empower students with creative intellect for IBDP, IBMYP, IGCSE, and college counseling services.

02

Provide tailored solutions for students and institutions to revolutionize global education effectively.

03

Offer cutting-edge services for IBDP, IBMYP, IGCSE, and college counseling to empower learners.

04

Revolutionize global education by catering to evolving needs and fostering thriving 21st-century environments.

TYCHR ACROSS THE WORLD

TYCHR's educational services and college counseling are trusted globally for their outstanding success rates. With a commitment to excellence, we empower students worldwide, ensuring they thrive academically. Our tailored approach and experienced educators nurture talent, instilling confidence and a love for learning. Join us in revolutionizing education and unlocking every student's potential.

THEORETICAL FRAMEWORK

In the International Baccalaureate Diploma Programme (IBDP), students participate in a challenging academic experience led by experienced IBDP educators. These educators provide individualised instruction in small group settings, with a maximum of five students per session. Participants have access to a wide range of high-quality educational resources covering various subjects.

EXPLANATORY VIDEOS

After learning the basics, students are shown a specific collection of instructional videos. These videos are meant to help them master the foundational concepts and understand the curriculum better.

STRENGTHENING CONCEPTS

Students reinforce their understanding through specific assignments and receive personalized mentorship to address any questions. Tychr facilitates collaborative brainstorming sessions with educators and students worldwide to support learners in their Extended Essay and Theory of Knowledge (TOK) projects.

TIME BOUND TEST SERIES

As part of the learning process, students are given timed assessments that simulate actual exams. They will receive evaluated answer scripts and a detailed key for each test. Tychr's analytical feedback provides a comparative performance metric, allowing students to see how they rank among their international peers..

SERVICES WE PROVIDE

For Students

- IBDP Tuition Classes
- IBMYP Tuition Classes
- IGCSE Tuition Classes
- A Levels Tuition Classes
- SAT Preparation
- ACT Preparation
- Advanced Placement (AP)
- College Counselling

What Is International Baccalaureate (IB)?

The IB offers international education preparing students to be well informed citizens and critical thinkers. The curriculum is widely known and recognised among the world for its holistic and multidisciplinary approach to education.

Acceptance rate of IB Students into Ivy League universities is upto 18% higher than the others.

IBDP

The flagship IBDP program is for high school students aged 16–19. It is a rigorous, multidisciplinary program that prepares students for college work.

Why Choose Tychr IBDP Module?

- ✓ Personalised Classes
- ✓ Step by step guidance for Internal Assessments
- ✓ Providing a plethora of ideas for CAS
- ✓ Detailed instructions for the Extended Essay
- ✓ Practising IB style past paper questions
- ✓ One on one doubt clearing sessions

IBMYP

For 11–16-year-olds, the MYP is a five year program that introduces students to varied subject areas and asks them to connect their learning to the real world.

Why Choose Tychr IBMYP Module?

- ✓ Personalized tutoring sessions
- ✓ Detailed guidelines to ace the IBMYP project
- ✓ Timeline to balance studying and the project
- ✓ Assignments according to IB MYP standards
- ✓ Periodic tests to familiarise exam style questions
- ✓ Group discussions to clarify doubts

A LEVELS

The CAIE Board offers 55 A-Levels subjects, in almost any combination. A renowned international qualification that requires creative thinking, inquiry, and problem-solving skills similar to those offered by our online tuitions. If you choose, you may also give the entire A-Level unit together at the end of your 2-year course.

Why Choose Tychr's A Level Module?

- Experienced tutors
- Developing problem solving skills
- Practising past paper questions
- Collaborative classes to revise concepts
- Guidance for exam techniques
- Prepping students for university

IGCSE

The CAIE Board offers 70 IGCSE subjects, in any combination, in over 30 different languages. A renowned international qualification aimed at ages 14-16 requires creative thinking, inquiry, and problem-solving skills similar to those offered by our online tuitions. The Core curriculum focuses on building the foundation for the subject. Meanwhile, the Extended curriculum has been designed for providing extensive knowledge on the subject.

Why Choose Tychr IGSE Module?

- ✓ Certified tutors
- ✓ Enhancing problem-solving abilities
- ✓ IGCSE past paper practice.
- ✓ Group concept revision.
- ✓ Exam guidance & techniques
- ✓ Preparing students for college.

SAT

The SAT is a standardized test used by American universities to assess students' readiness for college. It is developed and published by the College Board. The SAT is designed to test fundamental math, reading, and writing skills that students learn in high school. The SAT is offered worldwide multiple times every year, and students can choose to take it multiple times and report their highest score to colleges.

Tychr's SAT Preparation Module

- ✓ 20 full length practice tests
- ✓ 100 hours of instructions from SAT Experts
- ✓ Unlimited Doubt clearing sessions
- ✓ Interactive score reports
- ✓ Unique satisfaction guarantee

ACT

The ACT is a standardized test used by American universities to assess students' readiness for college. It is developed and published by the ACT nonprofit. The ACT is designed to test fundamental math, reading, data analysis and writing skills that students learn in high school and will use in college. The ACT is offered worldwide multiple times every year, and students can take it as many times as they wish to.

Tychr's ACT Preparation Module

- ✓ 11 full length practice tests
- ✓ 1200+ practice questions
- ✓ 6 hours of refresher sessions
- ✓ Interactive score reports
- ✓ Unique satisfaction guarantee

AP

The College Board's AP program, started in 1956, provides high schoolers with college-level courses. Roughly 2.8 million students participate annually across various subjects. Successful completion may yield college credit, aiding in admissions and skill development.

Why Choose Tychr's AP Module?

- ✓ Individualised Classes
- ✓ Tutoring in over 20 AP Subjects
- ✓ Exam preparation guidance
- ✓ Practising AP style past paper questions.
- ✓ Peer discussions
- ✓ Qualified tutors to track progress

CAREER COUNSELLING PROGRAM

- Complete Admission Package
- Annual Mentorship Package
- Full Essay Service
- Essay Editing
- Application Review

TESTIMONIALS

AHAN
IBDP CHEMISTRY HL

Chemistry was never an easy subject for me. I always had problems understanding a few topics, especially Organic Chemistry. But with TYCHR's TEST methodology, I was able to study more systematically and in a way where I actually understood everything that I read and every test that I took.

★★★★★

KAUSTUBH
IBDP MATHS AASL

Like most people, I had the most difficult time dealing with Math AA, but TYCHR has simplified the subject to a great extent. My score went up to a 6 in just 4 months.

★★★★★

SRI SAI
IBMYP ENGLISH

Never thought I'd need English tutoring, but my grades proved otherwise. TYCHR provided the extra help, guiding me to better results.

★★★★★

SANSKRUTI
IBDP PHYSICS HL

Physics was the toughest subject for me out of all my choices. It was a difficult one to crack. But then, I found out about TYCHR and I was beginning to become optimistic. I loved the fact that they were available whenever I needed their guidance and/or help.

★★★★★

REHAN
IBDP HISTORY HL

TYCHR replaced multiple tuitions, offering expert advice for top marks. Best wishes for TYCHR's bright future!

★★★★★

AARAV
IGCSE ACCOUNTS

Initially disinterested in accounts, TYCHR made understanding possible. Despite my lack of interest, their help proved beneficial in the end.

★★★★★

TESTIMONIALS

AAHIL
IBDP MATHS AIHL

I was shocked to see the 7 on my Math paper. While I wasn't very good at Math in the beginning, TYCHR's tutor helped me and guided me, making the learning journey easier. I will be grateful to TYCHR for that.

★★★★★

VENYA
IBDP MATHS AIHL

TYCHR's tutors never failed to satisfy my academic needs. They guided me with anything I needed help with and as a bonus, they were also very friendly.

★★★★★

SPARSH
IBDP MATHS AIHL

Math IA seemed im-possible to me. After TYCHR's tutoring classes I saw my score shoot up to a 6 in a matter of 5 months. I was appalled with the results.

★★★★★

ARJUN
IBDP MATHS AIHL

My Math AI tutor is very attentive and caring, the scheduling is flexible, and the quality of teaching is top notch. There is no doubt in my mind that I made the right decision choosing to TYCHR.

★★★★★

SAHAAT
IBDP MATHS AIHL

I believe that getting a 7 in Math would never happen for the longest time. But with TYCHR's unique teaching methodology, I was able to see past the difficulties and understand what was being taught.

★★★★★

ROHIT
IBDP MATHS AIHL

Math was just a bunch of alphabets in my eyes for the longest time. While it took me a lot of time to understand the math, TYCHR's tutor made it possible. I scored a 6 and that's because of TYCHR.

★★★★★

FOR SCHOOLS

SERVICES WE PROVIDE

For Schools

Welcome to Tychr, your trusted partner in IB education! As a leading provider of educational solutions, we are dedicated to supporting schools in delivering exceptional International Baccalaureate (IB) programs.

Our range of services is extensive and includes:

TEACHER PLACEMENT PROGRAM

The Teacher Placement Program offers a comprehensive pathway for aspiring educators to launch their careers successfully. TYCHR stands out as a leading platform due to its stringent eligibility criteria, diverse placement services, extensive network of partner institutions, robust professional development opportunities, and unwavering support and guidance throughout the journey. Explore the program's overview to discover how TYCHR can kickstart your teaching career.

- ☑ Stringent eligibility criteria for applicants.
- ☑ Diverse placement services for varied roles.
- ☑ Extensive network of partner institutions.
- ☑ Robust professional development opportunities offered.
- ☑ Unwavering support and guidance provided.

SUBSTITUTE TEACHERS

Substitute teachers play a crucial role in education, necessitating short-term solutions such as digital lesson plans and online resources for seamless continuity. Long-term strategies involve developing robust training programs and integrating technology, while self-taught languages expand the horizons of subjects like Physics, Chemistry, Biology, and Mathematics.

- ☑ Digital lesson plans for substitute teaching.
- ☑ Robust training programs for long-term solutions.
- ☑ Self-taught languages enhance subject understanding.

CURRICULUM ENRICHMENT

Explore TYCHR's curriculum enrichment program with diverse objectives, engaging activities, partnerships, student projects, parent engagement, and abundant resources. Elevate your educational experience and discover new dimensions of learning excellence with TYCHR's comprehensive approach to curriculum enrichment.

- ☑ Diverse program objectives for comprehensive enrichment.
- ☑ Engaging activities to promote active learning.
- ☑ Partnerships and collaborations for enriched experiences.
- ☑ Opportunities for student projects and research.
- ☑ Active parent engagement for holistic support.
- ☑ Rich resources and materials for enhanced learning outcomes.

ACADEMIC ADVISORY

Navigating the complexities of academia can be daunting, but academic advisory services offer a guiding light. Students are encouraged to meet with advisors who provide personalized support and a wealth of resources to ensure a successful educational experience. From academic planning to career counseling, these services are designed to empower students and help them achieve their academic and professional aspirations.

- ☑ Personalized academic planning sessions.
- ☑ Career counseling and exploration support.
- ☑ Assistance with course selection and scheduling.
- ☑ Resources for academic success strategies.
- ☑ Support for navigating academic policies and procedures.

STUDENT SUPPORT

Student support services play a pivotal role in fostering holistic growth and success in academic pursuits. From career counseling to peer support programs, mental wellness initiatives, and financial aid and scholarship assistance, universities prioritize providing comprehensive resources to ensure students thrive in all aspects of their college journey. These services aim to empower students to navigate challenges, explore opportunities, and achieve their personal and academic goals.

- ☑ Career counseling for professional guidance.
- ☑ Peer support programs for social connection.
- ☑ Mental wellness initiatives for holistic well-being.
- ☑ Financial aid and scholarship assistance for affordability.

COLLABORATIVE COMMUNITY

A collaborative community within educational institutions thrives on engagement and mutual support. From vibrant student clubs and organizations to diverse volunteer opportunities and community engagement programs, universities foster a culture of involvement. Additionally, faculty and staff engagement and collaborative projects further enrich the learning environment, encouraging cooperation and innovation among all stakeholders.

- ☑ Diverse student clubs foster community engagement and leadership.
- ☑ Volunteer opportunities promote service-oriented learning experiences.
- ☑ Faculty involvement in collaborative projects enhances interdisciplinary learning.
