#### **Conduct of Licensed Concealed Carry Holders with Enhanced Certifications**

Ark. Code Ann. §§ 5-73-322(j) specifies that unless an employee is required to carry a concealed handgun as part of the employee’s specific job duties, any possession or use of a concealed handgun by the employee is not considered to be within the scope of employment with the University. As such, any Division employee who chooses to possess or use a concealed handgun is acting in the employee’s individual capacity and not as an agent of the University, and is not immune from personal liability with respect to possession or use of the concealed handgun. If the employee is injured by his or her own negligence in possessing or using a concealed handgun in the workplace, he or she will not be entitled to worker’s compensation.

A person with a license and enhanced certification to carry a concealed handgun on campus:

1. Must comply with all relevant federal or state laws;
2. Must conceal the weapon at all times;
3. Must maintain possession and control of the weapon at all times, unless the weapon is stored in a locked and unattended vehicle;
