Errata

Erratum to "Unsupervised Change Detection Based on Weighted Change Vector Analysis and Improved Markov Random Field for High Spatial Resolution Imagery"

Hong Fang, Peijun Du, *Senior Member, IEEE*, Xin Wang, Cong Lin, and Pengfei Tang

IN THE above article [1], there is a publisher typesetting error in (10), and the correct formula is

$$I(l(x_i), l(x_j)) = \begin{cases} -\dfrac{1}{\left| V(x_i) - V(x_j) \right|}, & l(x_i) = l(x_j) \\ 0, & l(x_i) \neq l(x_j) \end{cases} \quad (10)$$
