The duration of continuous employment is calculated using the date of entry of the staff member into the employing organization.
- (g) Non-resident's allowance. There are two types of non-resident's allowance (NRA):
  - (i) An allowance that is paid to General Service staff members who were recruited before the end of 1983; this allowance is pensionable, and has remained at a constant amount since 31 December 1983.
  - (ii) A non-pensionable allowance that is payable at certain duty stations to General Service staff members who were recruited on or after 1 January 1984, or that is payable to staff members who recruited before the end of 1983 and who have elected to replace their former pensionable allowance by the non-pensionable allowance.
- (h) Organizational location. Any location to which an organization assigns its staff, regardless of whether the location is an established office or project office.
