THIS WAS THE YEAR FOR

Dances, dates, meetings, ball games, and studies; all these things made up the wonderful year of 1957 at Mooresville High School. In some ways it was a year just like any other, but to each person in school, it contained experiences and accomplishments that made this one stand out from all others.

To the Freshmen, this was a year for adjustment to their new school life and much anticipation for their future high school career. The Sophomores and Juniors moved a little closer to their alluring goal and the day when they will reign supreme. For the Seniors, this was the year of all years. They experienced with great delight, all the privileges bestowed upon honorable seniors and looked forward with great courage to the new challenges which they now face.

This year has meant something a little different to each student and faculty member, yet to everyone, this was the year for achievement and growth during our eventful, challenging lives.

THIS WAS THE YEAR FOR

MEETINGS AND MIXERS

ANNUAL STAFF

The Annual Staff hard at work.

The screeching of tires, slamming of doors, the clump-clump-clump of heavy feet up the stairs, and the Annual staff falls through the door into the annual room. Then the havoc begins.

The Wagon Trails staff has worked hard and tried to do our best to suit you, the purchaser of this Annual. We sincerely hope we have satisfied your expectation of an Annual. We have been under the leadership of two great co-editors, Martha Henderson and Lynne Allison, and our sponsor, Mr. Sharp.

SECOND ROW: Denis McGuire, Ed Ayers, Pat Hatfield, Darlene Bayliff, Joan Timmons, Carolyn Dickson, Terry Fishel--MISSING: Sandra Ahlefeld.

PAPER STAFF

This year the Campus Crier staff has worked hard to try and give you a school paper that you would enjoy. Along with the other work, some 46,000 turns of the mimeograph crank went into the publishing of this year's issues of the Campus Crier. This is the group that is responsible and it is their sincere wishes that it has been satisfactory. Ed Ayers served as the very capable editor of the Campus Crier.

The paper must come out on time!

That is the job of the student council. These students are elected by the respective classes, and do a very good job in expressing the students views.

THIS WAS THE YEAR FOR

One of the main interests at Mooresville High School is its sports--Football, Basketball, Track, and Baseball.

Although the boys put their all into each sport, this year Mooresville seemed to shine especially in Basketball and Track.

The Basketball team, after a 50-50 season, lasted until the final game of the sectionals, to lose by only 4 points to their old rival, Martinsville.

The Track team climaxed an outstanding season by winning many firsts at the sectionals.

When all is said and done, Mooresville High School is well represented in each of the sports, and every student should be proud to support our athletes.

SPORTSMANSHIP AWARDS

Each year the American Legion gives a Sportsmanship Award for the outstanding Senior in Football, Basketball, Track, and Baseball.

This year there was only one Senior playing baseball, so the Legion did not give a trophy for that sport.

The other three are shown with their trophies on this page.

Denis McGuire won the Sportsmanship Award for Football.

Ray Settle won the Sportsmanship Award for Basketball.

Terry Fishel won the Sportsmanship Award for Track.

THIS WAS THE YEAR FOR

This year the halls of Mooresville High School were filled with many students, ranging from the Seniors to the Junior High. All of these students were under the leadership of a fine staff of teachers, headed by the principal, Mr. Richards.

Due to the co-operation of both student body and faculty, this has been a most successful and enjoyable year for all.

THIS WAS THE YEAR FOR

The staff of the 1957 edition of the "Wagon Trails" wish to extend their thanks and appreciation to the business establishments, which helped make our year-book possible.

Dealing with each one has been a pleasure and we hope the contacts made between the student of our school and the citizens of the community have been strengthened through our relationship.
