Meeting Open to the Public for Brief Comment

This is the time for you to comment on *non-agenda* items to the City Council. If you wish to be heard, please raise your hand. When the Mayor recognizes you, please make your way to the podium, state your name for the record, and make your comment.

Please direct your comments to the Mayor and the City Council. If the Mayor or a Council member wishes to respond to your comments or questions, they will do so during the Council Comments section of the agenda. There is a three (3) minute time limit for comments. Please be sure to speak clearly.

Public Comment on Agenda Items

The City Council, to ensure a participatory and open government, will generally allow public comment on each agenda item. After the agenda item has been introduced and discussed by the City Council, the Mayor will ask for public comment on the agenda item. This may be the only opportunity to comment publicly on an agenda item. If you wish to comment, please raise your hand. When the Mayor recognizes you, state your name for the record and make your comment. The City Council will discuss the item again and offer a motion and decision.
