Dear Sir/Madam,

**RE: REQUEST TO BE CONSIDERED AS A PARTNER IN THE GLOBAL ALLIANCE TO ELIMINATE LEAD PAINT.**

Africa Foundation for Community Development (AFCOD-Uganda) endorses the goal and objectives of the Global Alliance to Eliminate Lead Paint and wishes to be considered a Partner in the work of the Lead Paint Alliance.

We would like to support the work of the Alliance as described below:

Our organization has been an active partner of the global health community in promoting and advocating for health rights and in taking the agenda forward at country level, working closely with communities.

Examples of support for the Alliance could include one or more of the following:

- Initiate activities to raise awareness of the health impacts of exposure to lead in paint;
- Provide other expertise or activities that can help reduce exposure to lead in paint.

I understand that this letter of intent is not legally binding, and that a copy of this letter requesting to become an Alliance partner and Africa Foundation for Community Development (AFCOD-Uganda) will be listed on the Lead Paint Alliance web site ([www.unep.org/noleadpaint](http://www.unep.org/noleadpaint)).

Yours sincerely,

-----
