Subject: Partner application for Lead Paint Alliance

Cleaner production Unit (CPU) of the Royal Scientific Society endorses the goals and objectives of the Lead Paint Alliance and wishes to be considered as its partner. We are attaching the duly completed WHO Tobacco/Arms Disclosure Statement and confirm that we will adhere to the principles of the Framework for Engagement with Non-State Actors (FENSA).

The contribution(s) that we would like to make to the work of the Lead Paint Alliance are described below:

- Utilize CPU website to disseminate information on lead paint to enhance level of awareness
- Provide an awareness raising presentation on lead paint during lead paint week directed towards women and children as recurrent event of yearly basis.
- Expert advice to paint companies interested in producing paint without lead additives
- Additional activities as discussed and agreed with the Lead Paint Alliance Secretariat.

We understand that this letter of intent is not legally binding and that a copy of this letter of commitment and the name of CPU will be publicly listed on the Lead Paint Alliance website.

Sincerely your

Director of Cleaner production Unit
