

SMS Texting Terms & Conditions

Terms and Conditions

WinnMed offers access to information via recurring SMS (Short Message Service) text alerts to opted in subscribers. Message notifications include (but are not limited to) instant activation codes for MyChart sign up, notifications about care, billing and insurance information, account updates, MyChart messages, and notifications of clinic closures due to inclement weather.

Message Frequency

Following opting in to receive notifications, the frequency of text messages you receive will vary based on the text messages services, number of text message services in which you enrolled, and frequency of services received from WinnMed.

User Opt-Out

To opt out of future messages at any time, reply STOP to any message received or log in to MyChart and manage your communication preferences. Text HELP for assistance or call 563-387-3760 for support.
